COUNTY AID ON ROAD WORK TO BE SAME AS '61

Adams County will distribute $55,807.31 in county aid to the townships and boroughs in the form of county aid during 1962, the county commissioners decided Wednesday afternoon at their meeting in the court house.

The amount is the same as that granted last year and assignment of funds, with one possible exception, will be the same as last year.

Pleasant Twp. is scheduled to receive $3,130.27 in accordance to last year, but it is expected that the actual amount it will receive will be $2,694.88. That sum would represent the removal of $435.39 from Mt. Pleasant's allocation and granting of that sum to Bonneauville, recently removed from the township and made an independent borough.

$42 PER MILE

Based on the ratio of $42 per mile of road and 53½ cents per person of population, the standard on which the allocations are based, Bonneauville with 66/100 of a mile of road and 762 population would be entitled $435.39 which previously went to Mt. Pleasant. The commissioners however could not immediately make the separation pending receipt of certification from Harrisburg to permit the change over of the amount to Bonneauville.

The other allocations listed are Abbottstown, $437.06; Arendtsville, $372.96; Bendersville, $288.34; Berwick, $971.77; Biglerville, $529.93; Butler, $2,250.70; Conewago, $2,092.24; Cumberland, $2,993.30; East Berlin, $664; Fairfield, $314.63; Franklin, $4,072.69; Freedom, $857.51; Germany, $1,346.59.

MUST APPLY

Gettysburg, $4,793.68; Hamilton, $1,344.81; Hamiltonban, $2,004.71; Highland, $989.31; Huntington, $2,779.25; Latimore, $2,349.06; Liberty, $1,219.36; Littlestown, $1,725.20; McSherrystown, $1,851.51; Menallen, $2,510.03; Mountjoy, $2,355.30; Mt. Pleasant, $3,130.27; New Oxford, $822.11; Oxford, $1,396.88; Reading, $2,499.92; Straban, $2,915.47; Tyrone, $2,124.25; Union, $1,522.65, and York Springs, $221.82.

The money comes from the liquid fuel tax collected by the state and then forwarded to the county. Part of the liquid fuel fund, about $45,000 a year, goes for new bridges and about $5,000 for maintenance of bridges.

Under the procedure each of the districts must make application to the county for its liquid fuel allocation listing the work it plans to perform. The state then checks the completed work and notifies the county if the work has been properly done and the payment made.

DOGS NEED LICENSES

County Treasurer Daniel J. Wolff reminded that owners of dogs without 1962 licenses are now liable for prosecution. The new licenses began as of January 15. He said he understood the dog law enforcement officer, James McDowell, will soon begin visits to the county to check unlicensed dogs. So far approximately 1,400 of the estimated 6,000 canines in the county have 1962 licenses.

WOMAN IS BURNED

Mrs. Hope King of the cafeteria staff at Littlestown High School suffered first degree burns of the face and right arm at noon when a pan of meat she was carrying fell on her when she slipped while carrying it. She was admitted as a patient at the Warner Hospital.

6 Adult Classes To Begin Tonight

Six classes in the adult evening courses at the Gettysburg High School will hold their first sessions for the second semester this evening at 7 o'clock and late applications for admission of students will be accepted, Director Jack R. Corbin said.

More than 100 persons have enrolled in nine classes for the semester. Some of the classes began on Monday evening.

The classes meet this evening for the first time include: Algebra, Room 120; shorthand, Room 127; Spanish, Room 115; water color and oil painting, Room 222; sewing, Room 23, and Adams County History, Room 107.

The typing class that began Monday evening will hold its second session this evening in Room 131.

PEACE THEME FOR PREACHING MISSION HERE

Under the general theme of "A World at Peace Through a World at Prayer," the Gettysburg Ministerium will conduct a Community Preaching Mission Sunday through Wednesday, January 28-31. The Preaching Mission will replace the former Week of Prayer services held each year early in January.

The Preaching Mission committee has announced the following schedule of services and preachers: Sunday, January 28: Presbyterian Church, Rev. C. Reynolds Simmons Jr.; Monday, United Church of Christ, Rev. Donald H. Treese; Tuesday, AME Zion Church, Rev. Edwin W. Coddington, and Wednesday, January 31, Evangelical United Brethren Church, Rev. Donald L. Harper.

On the respective nights the worship services will be in charge of Rev. Robert A. MacAskill, Rev. Dr. Howard S. Fox, Rev. Lena Parr and Rev. Dr. Paul L. Reaser. Anthems will be sung by the Christ Lutheran, Baptist, AME Zion and EUB Church Choirs on the successive nights. All services will begin at 7:30 p.m.

The theme of the mission is one chosen by the Central Department of Evangelism of the National Council of Churches of Shrist in the USA for use by participating churches and is intended to focus attention on "the urgent need for continued and increased prayer. It calls Christians everywhere to join their brethren around the world in intercession for the coming of God's kingdom in increasing power. Each night of the Gettysburg Preaching Mission will emphasize one or more vital areas in society where the power of prayer is urgently needed," a ministerium spokesman said.

Additional information concerning the mission will be announced next week.

PLAN MASONIC RITES

Masonic rites will be conducted this evening at 8 o'clock at the Dugan Funeral Home, Bendersville, for the Rev. William M. Jay, 79, formerly of Bendersville, who died Wednesday at the Warner Hospital. The rites will be conducted by Good Samaritan Lodge.

YOUNGSTER TREATED

Thomas E. Meyer, 5, son of Mr. and Mrs. Richard Meyer, Littlestown R. 2, was treated Wednesday at the Warner Hospital for a laceration of the forehead sustained when he fell from a truck driven by his father.

House Unroofed By High Wind

Was Monday's windstorm part of a tornado? W. W. Funt, McSherrystown, is considering that possibility after looking at his house about five miles north of here on the road from Russel's Tavern to Beecherstown. Funt had been engaged in remodeling the unoccupied house, built in 1869 by his grandfather who was the original owner of the farm still in Funt's possession. A well driller, Funt planned to move to the home near VanDyke's Corner after remodeling. Work was proceeding well until Monday afternoon, when the storm hit. No workmen were at the house at the time. Funt's brother, who lives nearby, called him when he saw the roof lying in the yard near the building. Damage was estimated at $4,800. (Times photo)

Kennedy Asks Congress To Approve Record Peacetime Spending Budget Of $92.5 Billion With Wobbly Surplus

By FRANK CORMIER

WASHINGTON (AP)—President Kennedy, in the first federal budget of his own making, called today for record peacetime spending of $92.5 billion and a wobbly surplus of $463 million—a margin possible only if revenues rocket and the price of mailing a letter is increased.

The 1,500-page spending blueprint, which covers the 1963 fiscal year starting July 1, foresees a spending rise of nearly $3.5 billion over the current level. More than 75 per cent of the increase would involve military and space programs.

Kennedy told Congress he expects outlays to total slightly more than $92.5 billion — an amount exceeded only twice before, during World War II. Revenues were estimated at $93 billion, an unprecedented level $11 billion higher than this year's income.

RECOMMENDATIONS

Highlighting the 7,400-word budget message which Kennedy sent to Capitol Hill were these recommendations:

A defense program of $52.7 billion, up nearly $1.5 billion.

Allocation of $2.4 billion for space research, an increase of $1.3 billion.

A foreign aid program boosted by $200 million to $3.9 billion. But along with that spending figure, which includes $2.5 billion in economic aid and $1.4 billion military aid, Kennedy asked nearly $5 billion of new funds. The new money would include $3.39 billion for various economic aid programs and $1.5 billion for military aid.

Repeal of the 10 per cent tax on rail, bus and boat fares, with later adjustments in aviation taxes.

NEW FARM BILL

Enactment of a new farm bill designed to cut farm program spending from $6.3 billion to $5.8 billion.

Increase the "temporary" $298 billion national debt limit to a new high of $308 billion.

Increase postal rates by about $600 million a year.

The new budget assumes that the Berlin crisis will cool off enough to permit the return home by June 30 of military reservists mobilized last fall. Any heightening of cold war tensions could prompt new hikes in defense spending and wipe out the indicated surplus.

Kennedy also based his projections on an assumption that the economy will continue to expand briskly into 1963, though perhaps at a lesser rate as time passes. The President said major economic records will be broken month after month while the unemployment rate will drop from 6.1 per cent to 4 per cent by mid-1963.

POSTAL RATE REQUEST

The fate of the postal rate request, which has been shelved three years running, also will have a major impact on the

COUNTY FARM GROUP BEGINS MEMBER DRIVE

The Adams County Farmers' Association launched a drive for 500 members this morning following a "membership drive kick-off" dinner Wednesday evening at the Methodist Church here.

Speakers, headed by state President G. A. Biggs of Fulton County, delivered "pep talks" to the nearly 100 membership campaign workers and the canvassers received their final instructions and supplies.

President Horace Frey, Abbottstown, presided during the early stages of the evening and then turned the meeting over to Membership Chairman Charles Lott. Other speakers included Carl Empie, Chester County, member of the state board of the Pennsylvania Farmers' Association; Robb Keener, Mechanicsburg, field man for the PFA in 16 counties, and the county association's past president, John Pitzer, who distributed workers' kits and township quotas.

CHECK-UP MONDAY

Wednesday evening's check-up showed 197 members already enrolled for 1962 and Pitzer announced a check-up meeting next Monday evening at the REA building here at 8 o'clock.

Paul Lerew, the county's member on the state board of directors, introduced Empie who was the announced speaker for the evening. Empie, Gettysburg College graduate who left industry to go into agriculture some years ago, praised the American farmer for doing a "tremendous job" and said criticisms of the farmer are based on ignorance.

"The American farmers are largely responsible for what our country has become," Empie said. "The farmer has doubled his productive capacity in the last 10 years and that has dropped the relative cost of food for the public

FATHER AND 2 CHILDREN ARE BADLY BURNED

A Baltimore minister and his two small children were badly burned this morning when an explosion occurred in a cabin owned by the minister near Emmitsburg's reservoir.

The minister, Rev. Daniel Stone, 33, and the two children, Neal, aged one, and Susan, aged three, were brought to the Warner Hospital here by a neighbor. Mrs. Stone escaped injury in the blast.

The family had gone to the cabin this morning and physicians at the hospital here said "fortunately" had not taken off their heavy winter outer clothing because of the coolness of the building.

2ND DEGREE BURNS

Rev. Stone decided to make some toast for the children, and was seeking to light an oven when there was an explosion. The flame leaped out, catching the father and two children.

All had second degree burns about the face and hands and lower legs. Susan also had a burn on the hip and Neal a burn on the thigh, according to the hospital report. The three were admitted to the hospital here "for several days" after which it is anticipated they will be transferred to a Baltimore hospital.

One of the children is reported to be a Korean orphan adopted by the minister and his wife.

Elmer W. Warren Is Bank President

Elmer W. Warren, former trust officer of the First National Bank of Gettysburg, has been named president of the Citizens' National Bank of Waynesboro, according to an announcement by the First National Bank and Trust Co. of Hanover.

Warren left a bank examiner's position to join the Hanover bank and was vice president and director as well as a trust officer of the First National Bank and Trust Co. of Hanover.

Ralph D. Bish was promoted from secretary and assistant cashier to trust officer of the First National Bank and Trust Co. of Hanover at a meeting of its board of directors Tuesday.

While Bish was named to fill some of the offices vacated by Warren, Paul E. Renner, Littlestown, was named vice president and assistant cashier and director to fill the unexpired term of Mr. Warren.

CODE VIOLATOR

Juan D. Romero, R. 2, has been charged by Chambersburg police with violation of a red traffic signal.

Poultrymen To Meet On Tuesday

The York-Adams County Poultry Association will hold an all-day meeting Tuesday starting at 10 a.m. at the Caterpillar Tractor Plant auditorium, York. The morning session will be conducted by Glenn kime, Gardners, president of the Adams County Poultry Association.

There will be a panel discussion on poultry housing and talks by specialists on the poultry outlook, vaccines, diseases, the use of records in poultry operations and regulations in regard to egg marketing.

COLLEGE DEAN IS SPEAKER AT LUNCHEON

Dr. Charles Glatfelter, dean of Gettysburg College, spoke on "Lincoln's First Gettysburg Address" this afternoon at a luncheon session held as part of the all-day regional meeting here of College Entrance Examination Board.

The sessions at which 65 colleges and 33 secondary schools from Pennsylvania, New Jersey, New York, Delaware, Maryland, Virginia and the District of Columbia are represented, began with registration in the Student Union building of Gettysburg College this morning.

Charles R. Wolfe, dean of admissions at the college, was chairman for the morning session at which Dr. C. Arnold Hanson, president of the college, welcomed the representatives.

Among speakers and consultants on such subjects as the use of statistics in admission, results of a writing sample experiment, a survey of the need for a national placement testing program, listening comprehension tests and similar matters, included Bernard P. Ireland, northeast regional director of the College Entrance Examination Board; Richard Pearson, executive vice president of the board; Katharine Anne Salter, assistant director of associational activities of the board; Miss Elizabeth Kimbal, of the history section of the test development division, and Norbert Riedl, assistant program director for sponsored scholarships.

This afternoon Hubert Shaw, director of admissions at Bowdoin College, will speak on "Timing of the Admissions Process."

Offer Scholarship At Science Fair

Gettysburg College will be among four colleges, the Commonwealth of Pennsylvania and the Pennsylvania Medical Society which are offering scholarships in connection with the fifth annual Capital Area Science Fair to be held April 2 to 5 at Camp Curtin Junior High School.

As in the past, the local college is offering a minimum of a $300 per year scholarship. Dean of Admissions Charles R. Wolfe said the grant "probably will be larger" depending upon the merit and need of the student. Bettye Jane Gilbert, of Greencastle-Antrim High School, won the Gettysburg College scholarship in last year's science fair.

SELL 2 PROPERTIES

Leroy M. Wintrod and Mr. and Mrs. Richard A. Little, Littlestown, sold two properties in Mt. Joy Twp. for $12,500 to Mr. and Mrs. Allen E. Weikert, Gettysburg R. 1.

MISSING MAN IS NABBED FOR FORGERY, THEFT

James Eugene Staub, 25, Main St., Biglerville, missing since January 8, was taken into custody by state police Wednesday noon at the cabin of his father-in-law near Camp Nawakwa.

Staub, with his wife, resided in the home of Mr. and Mrs. Roy James Carbaugh on N. Main St., Biglerville. January 8 Staub borrowed Carbaugh's car, according to police, to go looking for work. When he had failed to return by January 10 Carbaugh brought charges against Staub, alleging that Staub had not only taken his car but had also forged Carbaugh's name to two checks, one for $75 on December 19 and one of $110 on January 6.

Staub entered pleas of innocent to the two charges of forgery, a charge of larceny of an auto and a charge of driving a car without the owner's permission brought against him by Carbaugh before Justice of the Peace Robert P. Snyder. In default of bail he was placed in jail to await trial on the charges.

WAS EXPECTING POLICE

State police said Staub apparently drove to Florida and Texas in search of work in the last 10 days. They added that he told them he had found a job at Houston, Texas, but that the job would not be available until summer.

Police said Staub returned to Adams County Tuesday night and parked Carbaugh's car at the rear of Carbaugh's home, then walked to the vicinity of Camp Nawakwa where he stayed with his father-in-law, Harold Irvin. Police said Irvin did not know Staub was wanted by police.

Staub, however, apparently anticipated the arrival of the officers in due course. When they arrived at the Irvin home they found Staub waiting with his suitcase packed. He told them: "I knew you'd be coming so I packed my bags."

ABBOTTSTOWN TO DEDICATE P.O. SATURDAY

Abbottstown Saturday afternoon at 2 o'clock will dedicate its new post office.

The structure has a number of unusual claims. It is located on the site of the first post office in the county, on the site of the home of the first postmaster in Abottstown, and on the site of a house where Washington possibly stopped after putting down the Whiskey Rebellion. It is also the first post office put up by a church in this county.

The new colonial type building was constructed by St. John's Lutheran Church of Abbottstown under contract with the post office department.

OLD LOGS SAVED

It was placed on the site of the home of Peter Ickes, who was first postmaster at Abbottstown. The 2½-story Ickes home was torn down to permit construction of the new post office and some of the logs from the structure were taken to York to be used in restoration of the Gates House and Golden Plough Tavern there.

The Ickes house was a hotel in the early days and tradition holds Washington stopped there enroute from Carlisle to Philadelphia during the Whiskey Rebellion.

(Continued On Page 3)

"UNCOMMON MAN" TOPIC FOR AAUW

Prof. James D. Pickering of the English Department of Gettysburg College told the Gettysburg Branch of the American Association of University Women at their meeting Wednesday night at the West St. branch bank building that "the small group of uncommon men which sees things differently is not, as you might think, the scientist and the philosopher, but the artist, the musician, painter, sculptor, poet, novelist and dramatist.

"These are the people," he said, "who in the words of author James Baldwin, are 'attempting to tell as much of the truth as one can bear and then a little more.' The artist tries to look at man as man, not as a consumer."

The "common man is the man "who, in the words of author human, having all the fun and causing all the trouble in the world."

SOMETIMES "SICK"

"It was Abraham Lincoln who first used common and man together, giving us the image of the rugged frontiersman. And what has happened to this rugged frontiersman? He has been taken in by television, among other things, which try to mold him into an individual whose existence is for the purpose of buying the myriad products advertised in the mass media of today."

"If a man is a true artist, he does not look at man through colored glasses, he is not afraid to be unkind. Because he must sometimes be unkind to present the truth, the artist is sometimes referred to by the anti-intellectual as 'sick.'

"But the exercise of the intellect on the world must be performed if the world is to remain

Dr. Heiges Accepts Seminary's Call

Dr. Donald R. Heiges, dean of the Chicago Lutheran Seminary at Maywood, Ill., has formally accepted the call extended January 4 by the board of directors of the Gettysburg Lutheran Theological Seminary to become the president of that institution.

Receipt of a formal letter of acceptance from Dr. Heiges was announced today by Dr. Harry F. Baughman, seminary president, whose resignation will become effective September 1 when Dr. Heiges takes his place.

Dr. Heiges, Biglerville native and alumnus of Gettysburg College and seminary, is a former member of the college faculty here. He will come to Gettysburg in the near future for consultations on a number of matters, among them his future residence here.

Dr. Baughman said there are several possibilities on the matter of the residence of the new president. "He will reside in Gettysburg, likely on the seminary campus," he added.

Miss Rice Making Slight Improvement

WINCHESTER, England (AP)—Doctors reported today that Ellen Rice, 20-year-old daughter of the U.S. ambassador to The Netherlands, is "making slight improvement" at Royal Hampshire County Hospital. She was hospitalized Saturday with multiple fractures of leg and jaw after an automobile accident.

Ambassador and Mrs. John S. Rice have moved to a Winchester hotel after spending the weekend in the hospital. They call daily to see their daughter.

Miss Rice is a student at Southampton University. Her car crashed near here shortly after she returned from a vacation in Holland.

BLOOD DONORS

Blood donors at the Warner Hospital this week were James Bucher, Bendersville; Claude Tester, Fairfield; Harvey Pettyjohn and Monroe Stavely, both of Littlestown, and Arthur Dunmier, Letterkenny Depot.

COUNTY FFA BOYS WIN 44 AREA HONORS

Adams County students won 44 placings in the annual Adams-Franklin Area Future Farmers of America project contest. Determination of the winners was made at a meeting of the agricultural education teachers from the two counties Wednesday night at Gettysburg High School.

Gettysburg students won six of the seven placings in the fourenterprise contest. First through fifth respectively were Carl G. Woerner, Ellis Rentzel Jr., Riley Redding, David Coshun, Francis Dutrow, all of Gettysburg. Gerald Myers of James Buchanan High School was sixth and Richard Simpson, Gettysburg, seventh.

In a miscellaneous division contest Michael Simpson, Gettysburg, won first place with his hay project and Elwod Hartzell, Gettysburg, was second with a strawberry project.

MORE FIRST PRIZES

In home improvement projects Thomas Schewirt, of New Oxford High School, was third. In the two enterprise-contest, first through fourth places were won respectively by Richard Boose, Gilbert Smith, Ronald Bortner and Robert Kuhn, all of New Oxford.

Lester J. Schartiger, Gettysburg, was first; Kenneth E. Laughman, New Oxford, third, and C. Eugene Sowers, Fairfield, fourth, in vegetable gardens.

Robert Barbour, Biglerville, took first place in a five-enterprise division of the contest.

David Coshun, Gettysburg, was second; Barry L. Reynolds, New Oxford, fourth, and Ellis Rentzel Jr., Gettysburg, fifth, in swine breeding.

SWEEP CORN LIST

Gettysburg students took seven of the 13 placings for corn. They were, first through seventh respectively, William Colvard, Carl Woerner, Francis Dutrow, Richard Simpson, Charles Dutrow, Michael Redding and John Kunkel.

Michael Redding, Gettysburg, was first; David Coshun, Gettys-

U.S. May Fire Spacecraft On 66-Hour Flight To Moon Next Week; Record Quakes

By HOWARD BENEDICT

CAPE CANAVERAL, Fla. (AP)—The United States will try next week to send a Ranger 3 spacecraft on a 66-hour trip to the moon to take closeup pictures and land an instrument package to record moonquakes.

The launching, set for Monday, may kick off this nation's greatest week in the space age. The attempt to launch Astronaut John H. Glenn Jr. into orbit about the earth is scheduled for Wednesday, and on Wednesday or Thursday the Navy will try to boost aloft five satellites with a single rocket.

The Glenn and quintuple satellite firings have not been announced officially. But the National Aeronautics and Space Administration released details today on the Ranger moon shot.

MONDAY FAVORABLE

Monday is the first day of a five-day period in which the moon —about 235,000 miles away—is in a favorable position for the launching. If the Atlas-Agena B booster rocket is not fired in this time, the shot will be postponed until the next optimum period, which occurs every 28 days.

Commenting on the odds for success, NASA said "the assignment is so complex" that it has "assigned three identical spacecraft to the task in the hope that one of the three will be successful." Rangers 4 and 5 are slated for launching later this year.

Rangers 1 and 2 were fired last fall to test techniques for the moon landing vehicles. Neither was aimed at the moon and each was only partially successful.

The 727-pound Ranger 3 is the first of a long series of vehicles the space agency plans to send towards the moon in the next few years to probe lunar mysteries in preparation for landing a man on the moon, hopefully by 1967

If Ranger 3 is successful, it will produce the clearest — but still crude—pictures ever made of

Kennie's Market Holds Grand Opening Of Local Store; Has More Parking

Quality, low prices, service to the public, and the continued good patronage all have a hand in the grand reopening of Kennie's Market, 45 S. Franklin St., which started this morning and will continue through Saturday, January 27. The store is also celebrating its third anniversary.

Kenneth Foust, manager and president of Kennie's Market, announced that throughout the ten-day period more than $500 worth of prizes will be awarded to lucky customers. The grand prize, a hind quarter of beef worth $65, will be given away Saturday, January 27. Other prizes, to be given away at half hour intervals, will include cases of canned goods, boxes of produce, wrist watches and transistor radios. There will be favors for the children and refreshments that will include hotdogs, ice cream, coffee and cookies.

The occasion is the third anniversary of Kennie's Market and the formal opening of the new 18,000-square-foot addition to the market shopping area. The recent addition now gives Foust an 87 by 60 foot structure.

BUYS 3 PROPERTIES

Foust said that the demand of the customers and their continued patronage have forced the officers of the corporation to enlarge the structure to meet the needs of the public. Foust purchased three properties on W. Middle St. for this purpose and now have two large parking lots, plus space available on the north side, enough room to accommodate 75 automobiles.

Especially interesting about the new structure are the added accommodations for the meat department. A special meat section is set aside in the center of the building to handle an increasing need for their meat. Evidence of this are the suppliers for Kennie's, which include: Gibbs

(Continued on Page 1, 2nd Sec.)

MORE SNOW IN MIDWEST; COLD WAVE IN EAST

By THE ASSOCIATED PRESS

A snowstorm spread across areas in the central Plains and a mid-January cold wave enveloped most of the eastern half of the nation today.

The new storm dumped snow across sections of eastern Colorado, most of Kansas, southeast Nebraska and northern and western Missouri. Heavy snow warnings, with amounts up to four inches or more, were issued for areas from southwest Kansas through central and northeast Kansas into northwest Missouri.

Light snow fell in parts of the Rockie and Great Lake region and northwest Oregon.

COLD IN NEW ENGLAND

Although temperatures moderated slightly in parts of the north central region, subzero weather persisted in the northern and north central Plains, the upper and northern Mississippi Valley and in sections of the Northeast. The coldest day of the season was forecast for New England.

In Minnesota, which reported a reading of 40 below zero Wednesday in Bemidji, there wasn't much warming. Minneapolis reported a low of 24 below.

The cold air that has kept the Midwest shivering most of this week dropped temperatures below zero in New England and near zero in sections of New York state.

Temperatures moderated slightly in sections of the South but freezing weather persisted in some areas in Georgia, Alabama, the Carolinas Tennessee and Arkansas. Light rain splattered the Texas Gulf Coast and in Louisiana and western Mississippi.

Readings were in the 30s in most of the Southeast, with the 40s in north central Texas, Louisiana and along the Gulf Coast. The 50s prevailed in south Texas and central Florida, and it was mild in southern Florida with temperatures in the 60s, with Miami reporting 64.

COUNTY FFA

(Continued From Page 1)

burg, second, and Robert Newman, New Oxford, fourth in the beef fattening project contest.

Ronald Hartzel, Gettysburg, was second in truck tomatoes. Carl Woerner, Gettysburg, was first and Michael Redding, Gettysburg, third in small grains.

ENTER STATE CONTEST

Terry Taylor, Biglerville, took first place and Edward Harbaugh, Fairfield, second in potatoes. In a six-enterprise contest Terry J. Sheaffer, Biglerville, was first and Dennis Ebbert, Biglerville, second.

In the three-enterprise contest first; Edwood Hartzell, Gettysburg, third; William Colvard, Gettysburg, fourth; Strayer Yake, New Oxford, fifth; Robert Spangler, Gettysburg, sixth; Charles Dutrow, Gettysburg, seventh, and Robert Linebaugh, New Oxford, ninth.

The project books of the top winners will be entered in the state FFA project book contest to be held at Pennsylvania State University starting January 29 and ending February 1. Richard C. Lighter bicounty supervisor of agricultural education, will be one of the judges in the state event.

Call 4 Companies To Morning Fire

Four fire companies were called about 11 o'clock this morning to a fire at a property owned by Ralph Masser, one-half mile north of Hoade's Corner on the Sunshine Trail. Rafters in the attic of the home occupied by Francis Punt caught fire, apparently from an overheated chimney. There is no estimate of the damage.

The four companies responding were Emmitsburg, Fountaindale, Blue Ridge Summit and Fairfield.

When Fairfield was summoned by the Quick Call Center here, several fire company sirens in the county went off. A repairman was working on the Gettysburg and Warner Hospital radios at the time and apparently had an extra switch open, causing the disturbance.

HOSPITAL REPORT

Admissions: Mrs. Gary Thompson, R. 5; Mrs. James Chambers, 101 Springs Ave.; Susan Chronister, Gardners R. 1; Rev. John Kugle, New Oxford; Mrs. Ruth Eyler, Emmitsburg; Homer Claggett, 70 E. Stevens St.; Shelli Jean Brawner, 228 Chambersburg St.; Mrs. Thelma Yingling, R. 1; Catherine Buckley, 80 Steinwehr Ave.; Mrs. Ralph Whipp, Emmitsburg R. 2; Mrs. Clarence Ayers, Bendersville; Rev. Daniel Stone and children, Neal and Susan, Baltimore.

Discharges: Mrs. Carl Ketterman, 400 Baltimore St.; Mrs. Murray Sadler, R. 5; Robert Hassler, Orrtanna R. 1; Earl Brumgard, Littlestown R. 1; Mrs. Jessie Schutt, 34 Baltimore St.; Mrs. Robert Martin and infant son, R. 1; Mrs. Luther Rider and infant son, Biglerville; Mrs. Francis Shanebrook and infant daughter, R. 5; infant twin daughters of Mr. and Mrs. Charles Kauffman, R. 3; Mrs. Howard Shriner and infant daughter, Thurmont.

Social Happenings

For Social News Phone ED 4-4613 or 4-1131

(Some Times' subscribers are under the erroneous impression that a charge is made to publish news. On the contrary The Times welcomes all news. Items for the "Social Happenings" columns are especially solicited. Phone ED 4-4613 or 4-1131. There is no charge).

Mrs Harold Sharpe was hostess to the Birthday Club at dinner at Earle's Inn Tuesday night. Guests of honor were Mrs. Howard C Kitzmiller and Mrs. Guyon E. Buehler. Mrs. Sharpe later entertained the group at her home on Knoxlyn Rd.

* * *

The Adams County Council of Republican Women will meet in the lower court room January 23 at 8 o'clock starting with a coffee hour. Following the regular business meeting there will be a program on practical politics, based on "Repor" of a County Chairman" by James A. Michener.

Each member is urged to bring a prospective member.

* * *

The VFW Auxiliary met Wednesday evening at the post home with Mrs. Pauline Mumper, junior vice president, presiding. A donation of $5 was voted to the March of Dimes, and $1 was given to the Adams County Home Auxiliary. Mrs. Irene Crouse read a prayer when refreshments were served by Donna Smith and Dorothy Pinko. Ann Thompson's name was proposed and accepted for membership. Twelve women were present.

Intermediate Girl Scout Troop 955 has cancelled its meeting for today due to Eighth Grade play tryouts at the high school. John Naugle, who was scheduled to speak on "Conservation" will speak to the Scouts February 1. The girls are reminded to make their bird seeders and take them to the meeting next week as well as all outstanding notes on the pioneer and Gettysburg Battlefield badges.

GOP WILL ASK $8 MILLION FOR EDUCATION

HARRISBURG (AP) — Pennsylvania Republicans began drafting plans today for legislation that would tag an extra $8 million on Gov. Lawrence's proposed $274 million appropriation to public schools for the 1962-63 fiscal year.

House Republican Leader Albert W. Johnson announced the plans Wednesday during a joint-House-Senate appropriation committee examination of Lawrence's proposed billion dollar budget for 1962-63.

The governor's recommendation does not compensate the state's school districts for money lost after the freeze on subsidies was withdrawn last year, Johnson maintained.

FREEZE SINCE 1959

The freeze, adopted in 1959, guaranteed that no school district would receive less money in 1960-61 than it received in prior years in real estate market values, he added.

These market values are the basis of state subsidies. When they go up, state subsidies go down. When values go down, state subsidies go up.

Chairman J. Dean Polen of the House Appropriations Committee said Johnson's plan would defeat the whole purpose of the real estate market value formula used to determine state subsidies.

The subsidy issue came up as the Department of Public Instruction resumed discussion of its budget before the state lawmakers.

The department's complete appropriation amounts to $528.5 million Following testimony from DPI representatives and the Department of Public Welfare, the hearings were recessed until Monday.

STOCKS MIXED

NEW YORK (AP)—A dull stock market presented a mixed price pattern early this afternoon with some blue chips off sharply Trading was relatively quiet.

The Associated Press average of 60 stocks at noon was off .20 at 254.10 with industrials off .50, rails off .10 and utilities unchanged.

Peace Committee Denounces Castro's Ties With Commies

WASHINGTON (AP)—The Inter-American Peace Committee today denounced the Fidel Castro regime's ties with communism, subversive activities, and violations of human rights.

The report said these factors are the principal cause of international tension in the Americas and constitute "political aggressions."

"Such acts represent attacks upon inter-American peace and security as well as on the sovereignty and political independence of the American states, and therefore constitute a serious violation of fundamental principles of the inter-American system," it declared.

PERU FILED CHARGES

The peace committee is an autonomous body which functions through the Organization of American States. It had been given the task of investigating charges by the Peruvian government that Cuba was engaged in an effort to promote subversive activities in the Americas and that it had systematically violated the rights of its own citizens.

The report was approved unanimously by the five members of the committee—El Salvador, Uruguay, Colombia, Venezuela and the United States. It will be submitted to the Jan. 22 foreign ministers conference at Punta del Este, Uruguay.

In support of its conclusion that "the present government of Cuba has tied itself to the Sino-Soviet bloc" and "has separated itself from the inter-American system and repudiated obligations and commitments stipulated in other instruments on which the system is based," the report cites:

SHUNS OBLIGATIONS

1. Castro's own statement last Dec. 1, that he is "a Marxist-Leninist and I shall be one until the last day of my life."

2. A speech by President Osvaldo Dorticos, who said last September in Moscow that Cuba has "taken the route of socialism and there will be no force capable of making us retreat."

3 The building in Cuba of a single "monolithic party based on the Soviet model" and "which henceforth will control all the bodies of the Cuban state."

RED CAMPAIGN

4. Cuba's avowed identity of position with the Soviet Union on international questions.

5. "The acceptance of the Cuban government of the offer of military aid made by the Soviet Union," particularly a Soviet offer to aid Cuba with rockets in case of an armed intervention against Cuba.

The committee said Cuba is engaged in an unceasing campaign of propaganda, through radio and printed matter, aimed "at defaming the governments of the other countries of the hemisphere, and even inciting violent subversion of legally constituted regimes."

The group added that it has received information from various governments "that the repeated and numerous trips to Cuba of citizens belonging to Communist or extreme leftist political groups have been for the purpose of instructing the said citizens in typical methods of subversive activity."

MANY EXECUTIONS

Further, the report said, "in some countries the intervention and direct participation of Cuban diplomatic agents in their internal affairs has been revealed."

With regard to human rights violations, the committee noted summary executions of persons accused of counterrevolutionary crimes, travel restrictions on Cuban citizens, lack of freedom of expression, lack of religious freedom and violations of the convention on political asylum.

YOUNG GOP GROUP MEETS

Committees were announced by President James R. Feather at a meeting of the Young Republican Club of Adams County Tuesday night at the West St. branch of the Gettysburg National Bank.

The committees include: Membership, Barbara Spicer and Edward Spence; program, Alice Biggins, Jane Rickert and David Weaver; hospitality, Bertha Feather, Virginia Spence and Donna Spence; political activities, Jean Rohrbaugh and Nancy Elledge.

The club decided to pay $30 toward the expense of a member attending a national leadership school for Young Republicans January 31 to February 4 at Washington, D. C.

It was dedecided that baked ham will be the main course for the Lincoln Day dinner February 7 at 7:30, p.m. at which U.S. Senator Hugh Scott will be speaker.

A movie entitled "Blue Print for Victory" was shown. Alice Biggins distributed booklets in connection with the film outlining organization on the precinct level. The Young Republicans were asked to contact their local committeemen to see if the Young Republicans may be of assistance in promoting the plan.

COUNTY FARM

(Continued From Page 1)

while the farmer steadily gets less of the consumer dollar."

"BIGGEST, STRONGEST"

He described the Farm Bureau Federation, of which the PFA is a member, as "the biggest and strongest farm organization in the world but it's still not big enough or strong enough." He reviewed the insurance, farm business analysis, marketing, migrant labor supply and trade development services of his organization.

State President Biggs told the workers to "see them (the farmers) and see them all."

Keener discussed PFA policies and accomplishments and explained that $3 of the $15 annual membership fee remains with the county organization for its activities and programs, $11 is retained by the state organization and $1 is sent to the national Farm Bureau Federation.

TOWNSHIP CHAIRMEN

Pitzer distributed farmer lists to these township chairmen noting that in one township, Mt. Joy, the quota of 12 members already has been achieved: Berwick, Stuart Lucabaugh; Butler, Wilmer Bream; Conewago, Oscar Winters; Cumberland, Howard Waybright; Franklin, Donald Sullivan; Freedom, Clarence Waybright; Germany, William Fissel; Hamilton, Horace Frey; Huntington, Fremont Kuntz; Hamiltonban, Calvin Bream; Highland, Charles Lott; Latimore, Melvin Worley; Liberty, Calvin Bream; Menallen, Paul Pitzer; Mt. Joy, Arthur Shanebrook; Oxford, Stewart Walker; Mt. Pleasant, George Stock; Reading, Horace Frey; Straban, Dale Taughinbaugh; Tyrone, Hiram Rex, and Union, Ivan Arentz. Chairmen introduced their helpers.

Introductions early in the evening included Betty Livingston, chairman of the ladies' membership committee; Mrs. Calvin Bream, information chairman, and the three Adams County commissioners, E. Donald Scott, Clarence J. Waybright and Charles B. Bender.

Women of the Methodist Church served a chicken dinner.

TO SHOW FILM

Gordon Overfield, Lancaster, state representative of the insurance division of the Knights of Columbus, will be in the Gettysburg K. of C. rooms in the Weaver building Sunday afternoon at 2 o'clock to explain insurance features to members and potential members of the Knights, Grand Knight Slonaker announced today. He also announced plans to show a film, "Noble Heritage," made by the national Knights of Columbus at Xavier Hall February 18 at 8 p.m.

Reported Arrested

Upper Communities

Telephone Mrs. John Leeti, Biglerville 677-7612

The Biglerville Grange annual dues-paying dinner will be held Saturday evening at 7 o'clock at the Aspers fire hall. Atty. Eugene Hartman will speak on "Laymen's Law." Square dancing will follow.

The Adams County Senior Extension Club will sponsor a roller skating party Friday evening from 8 to 11 o'clock at the Mary Jane Rink, York Springs.

The Christian Fellowship Sunday School Class of Trinity United Church of Christ, Biglerville, will meet at the home of Mr. and Mrs. D. Robert Jones Saturday evening at 7:30 o'clock. Mr. and Mrs. Clyde Funt will be in charge of the program.

The Ladies' Aid Society and the Women's Society of World Service of the Mt. Tabor EUB Church, Gardners R. D., will meet Friday evening at 7:30 o'clock at the home of Mrs. Ira Heller, Gardners, instead of the church as announced in Wednesday's edition.

The Cashtown Home Extension Group will meet at the home of Mrs. John Settle, Seven Stars, Friday afternoon at 1:30 o'clock. The topic "Machine Mending" will be presented.

Mr. and Mrs. Elmer Hoke, Philadelphia, visited relatives and friends in the community over the weekend.

Evangelistic services will be conducted at the Uriah EUB Church, Gardners R. 2, for two weeks beginning Sunday evening. Rev. Percy Brown, pastor of the Uriah Church, has announced that Rev. Jacob Zepp will serve as evangelist during the first week of services. Rev. Zepp is pastor of the Oakville EUB Charge between Carlisle and Shippensburg. Rev. Calvin Cole, pastor of the Mt. Tabor EUB Charge, will be the evangelist during the second week. Services will be held nightly at 7:30 p.m. The public is invited to attend.

Pvt. Harold Slusser, son of Mr. and Mrs. Lloyd Slusser, Aspers R. 1, has joined the Engineers and recently transferred from Fort Jackson, S. C., to Fort Gordon, Ga. His address is as follows: Pvt. Harold Slusser, RA 13742965, Co. A, Third Bn., First Tng. Regt., USATC-Inf., Fort Gordon, Ga. After eight weeks of basic training he will be transferred to Fort George G. Meade, Md., for further training.

The Friendship Sunday School Class of Trinity United Church of Christ, Biglerville, will meet in the form of a covered dish supper Saturday evening at 6:30 o'clock in fellowship hall of the church.

Mrs. D. S. Slaybaugh, Biglerville, celebrated her 88th birthday last Sunday. She is enjoying good health. Her nephew and niece, Mr. and Mrs. Fred Eckhardt, Glyndon, Md., visited her Sunday.

Mr. and Mrs. Edward Lawver and children, Denise and Roger, Chalfont, spent the weekend with Mr. Lawver's parents, Mr. and Mrs. Jacob Lawver, Biglerville. Miss Edna Lawver, York, spent Sunday afternoon with her parents, Mr. and Mrs. Jacob Lawver.

The Junior Catechetical Class of the Upper Bermudian Lutheran parish will meet at 10 o'clock and the Senior Catechetical Class at 11 Saturday morning at Mt. Zion Lutheran Church, Goodyear.

The congregation of Bethlehem Lutheran Church, Bendersville, will hold a covered dish supper at 6 o'clock Sunday evening preceding the final week of prayer service.

FIREMEN TO MEET

A quarterly meeting of the Southeastern Pennsylvania Firemen's Association will be held this evening at 8 o'clock at the West End Fire and Rescue Co., Shippensburg, President Harry Biesecker, Cashtown, has announced.

IN COLLEGE CHOIR

Gene Shelleman, son of Mrs. Dorothy Shelleman, York Springs, and grandson of Mr. and Mrs. Ralph Davies, York Springs, will sing with the University of Tampa, Fla., concert choir on its first state-wide tour of Florida February 1-10. He is a graduate of Bermudian Springs High School.

SINGS IN CHOIR

Miss Carol S. Bosserman, daughter of Mr. and Mrs. Donald A. Bosserman, E. York St., Biglerville, is a member of the choir of Grove City College. The choir will present concerts April 13-15 in Pennsylvania and Ohio. Miss Bosserman is a Freshman at Grove City.

PLEADS GUILTY

Donald R. Andrews, 21, Gettysburg R. 4, was charged before Justice of the Peace John Whitman, Cumberland Twp. Wednesday afternoon with driving while his license was suspended. He signed a plea of guilty and posted a $500 bond for sentence court. State police filed the charge.

DEATHS

Claude J. Gise

Claude J. Gise, 77, husband of Mrs. Faith C. Oberdier Gise, Dover R. 4, died at 6:45 a.m. at the West Side Osteopathic Hospital, York, where he was admitted Tuesday. Death followed a lingering illness.

Mr. Gise, a retired farmer, was a member of the United Church of Christ congregation of Holtzschwamm Union Church. Surviving, besides his widaw, are two children, Mrs. Clytie Lehr, York R. 4; Mrs. Bernice Bickel, Douglasville R. 1; two grandchildren and six brothers and sisters, Gleason and Mary Gise, both of Thomasville R. 1; Emory Gise, York R. 1; Mrs. Raymond Jacobs, East Berlin R. 2; Mrs. Coulson Shelly, Lancaster, and Mrs. Claude Dubbs, Jacksonville, Fla.

Funeral services will be held Saturday at 2 p.m. at the Emig Funeral Home, East Berlin. His pastor, Rev. Charles E. Strasbaugh, will office. Interment will be in Holtzschwamm Union Cemetery.

Mrs. O. Griffie

Mrs. Media Etta Griffie, 65, Gardners R. 2, Cumberland County, died at 12:20 o'clock this morning in the Carlisle Hospital of complications.

A lifelong resident of Cumberland County, she was the daughter of the late John W. and Mary R. King Gardner. She is survived by her husband, Oliver Griffie, and the following children: William G., Ralph L., Mrs. Stella Richman, Russell K., all of Gardners R. 2; Melvin L., Lloyd R. and Clarence D., all of Gardners R. 1; Marlin Jr., Carlisle R. 5; a sister, Mrs. Bertha Rickrode, Gardners R. 2, and 19 grandchildren.

Funeral services Sunday afternoon at 2 o'clock from the Pittenturf Funeral Home, York Springs, with Rev. James I. Melhorn officiating. Burial in the Mt. Victory Cemetery, midway between York Springs and Mt. Holly Springs.

Friends may call at the Pittenturf Home Saturday evening from 7 to 9.

SKIRMISHING ON INCREASE IN VIENTIANE

VIENTIANE, Laos (AP) — Skirmishing is picking up along the cease-fire lines in Laos, Western military sources said today. They reported a gradual increase in the intensity of fighting at half a dozen points over the past two weeks.

Moreover, the informants said the best available intelligence here—based largely on reports of defectors—indicates between 6,000 and 7,000 men from Communist North Viet Nam, including troops, advisers and technicians, are in rebel-held territory.

The clashes are mostly resulting from probing by both sides and have not reached a point where these sources consider the over-all situation alarming or indicating a major pro-Communist offensive is imminent.

HEAVY INFILTRATION

But Westerners appeared to be swinging around toward viewpoints expressed earlier this month in royal Laotian government communiques which they had discounted at the time.

Those communiques, reporting heavy Red Vietnamese infiltration and increased military activity, had been issued in a period while the United States was putting pressure on the pro-Western premier, Prince Boun Oum, to get together with neutralist and pro-Communist princely rivals to complete a coalition government.

Boun Oum finally agreed to go to Geneva for a meeting. But he has been adamant there in his insistence that rightists retain the key interior and defense ministries which the neutralist premier-designate, Prince Souvanna Phouma, wants run by neutralists.

Three-Year-Old Killed In Fire

DOYLESTOWN, Pa. (AP) — Timothy Jackson Jr., 3, of Bristol Township, was killed in a fire which swept his parents' one-story frame house Wednesday.

tyt

The boy's mother, Mrs. Betty Mae Jackson, 20, managed to rescue two other children, Anthony, 2, and Theresa, three months, but was held back by neighbors when she attempted to re-enter the house to get Timothy.

A fourth Jackson child, Shirley Mae, 5, was rescued by a neighbor, William Allison, 33, who lifted her from a rear window. Allison could not find Timothy. His body later was found beneath a bed.

The other children were treated for first and second degree burns at Lower Bucks County Hospital.

Cause of the fire was not immediately determined.

ADVERTISE IN THE TIMES

Constable Is Held For Forging Check

Clair L. Bollinger, former Spring Grove constable and York County licensed detective, Wednesday was held for the May grand jury on a charge of forging Third Ward Constable Terry C. Snyder's name on a York County cost check.

Bollinger remained free on $500 bail on the felony charge.

Snyder testified at the hearing that the $13.50 check involved was one made out to him by York County for his services in connection with the arrest of a Paul Nolden.

Snyder contended that the check came to the office of York Alderman Curtis S. Forry, that Bollinger endorsed it with Snyder's name and deposited it in Bollinger's account in the Industrial National Bank, York.

69 ON SUNDAY

Miss Myrtle Sheely, former Gettysburg resident who was a public school and Sunday School teacher for a number of years, will observe her 69th birthday anniversary Sunday at the Homewood Church Home at Williamsport, Md.

BIRTH ANNOUNCEMENTS

At Warner Hospital

Mr. and Mrs. Gary Thompson, R. 5, daughter, today.

Mr. and Mrs. Clarence Ayers, Bendersville, daughter, Wednesday.

Mr. and Mrs. Ralph Whipp, Emmitsburg R. 2, daughter, Wednesday.

At Hanover Hospital

Mr. and Mrs. George E. Wolf, East Berlin R. 2, daughter, Tuesday.

At Carlisle Hospital

Mr. and Mrs. George T. Motter, Gardners, son, Tuesday.

At Waynesboro Hospital

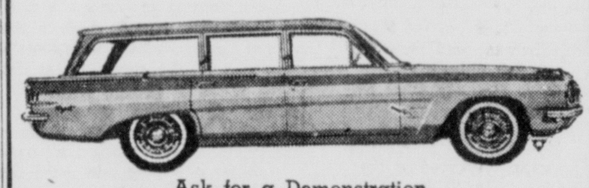

Mr. and Mrs. Donald G. Haag, Charmian, daughter, Tuesday.

CLUB MEETS MONDAY

The York-Adams County 4-H Tractor Club will meet Monday evening at 7:30 o'clock in the Sheets Brothers Equipment Center, near Hanover.

REV. KARNS IS PTA SPEAKER FOR JANUARY

"Teaching Morals" was the theme of the program presented at the January meeting of the Littlestown Jointure Parent-Teacher Association held in the general purpose room of the Rolling Acres Elementary School on Tuesday evening.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, and program chairman for the evening, spoke on the program theme. He stressed the impression that teachers make on children and their need to be constantly alert to the opportunities available to introduce moral and spiritual training required for children into their classrooms. Parents too, were urged to contribute to this need, in the home, when the child first begins to understand, so that right and wrong will become instinctive. A child must be taught that success in spiritual life is more important than just monetary success.

A question and answer session followed the message, with the Rev. George Shultz Jr., pastor of St. Luke's United Church of Christ, as moderator. The Rev. G. Howard Koons, pastor of Christ United Church of Christ, also participated and he concluded the informative session with the quotation "An educated mind without a spiritually developed heart is worse than no education at all."

NEED MORE BOOKS

The opening invocation was given by the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ. Mrs. Clyde W. Crouse entertained with a medley of songs from Broadway shows, accompanied by Mrs. Joselyn Zimmerman.

President Sterling J. Wisotzkey presided for the business and heard reports from Mrs. Clair Bowers, secretary, and Mrs. Elwood Breighner, treasurer. A nominating committee was appointed and includes: Kenneth H. Reinaman, chairman, Richard A. Little Jr., Mrs. Wade H. Brown, Mrs. Paul E. Renner and Ralph R. Ruggles.

John H. Riley, elementary school principal, reported that the two libraries are in operation, at both Rolling Acres and the Maple Avenue schools, with a total of 1,007 books. The American Library Association recommends 10 books for every child which set the total of books recommended at 7,000.

Paul E. King, supervising principal of the Jointure schools, suggested the need for an adult patrol system here and requested that the PTA assume responsibility for this project. A committee consisting of John H. Riley, Mrs. Chester S. Byers and Mrs. Richard D. Thomas, was named to investigate and report back on the possibilities.

USE QUESTION BOX

Frank E. Basehoar, high school principal, reported on the Jabberwock to be sponsored by the PTA on Saturday, January 27, at 7:30 p.m. in the Maple Ave. School auditorium. The entertainment will feature skits by the five civic organizations of the community, with additional acts between the unit presentations. The reserved seat chart is on display at Marvin's Cut-Rate Store, S. Queen St. Reserved seats will be 75 cents; general admission, 50 cents, and children, 35 cents. Flyers will be sent home with the children requesting donations for food for refreshments to be sold at the Jabberwock.

A question box has been placed in the lobby at the school and the questions submitted by patrons were answered by members of the administrative staff. Questions are solicited for each meeting. It was announced that the Adams County Council of Parents and Teachers will meet on Thursday, February 15, at Bermudian High School. Topic for the program will be "Citizenship and Patriotism." The attendance award for the evening went to the First Grade taught by Mrs. Gertrude Knouse. Refreshments were served at the conclusion of business.

The PTA will meet again on Tuesday, February 20, and the program theme will be "Diet and Health." Mrs. Marvin F. Breighner will be program chairman.

"LEARN THIS"

Many are the things to learn . . . as we go through life . . . we acquire instruments . . . to dull trouble's knife . . . some become proficient in . . . matters of finance . . . while others become adept . . . at the games of chance . . . we are taught from babyhood . . . how to read and write . . . those who gather knowledge . . . paint the future bright . . . some must learn the hard way . . . by error and trial . . . for them the road of life is . . . a long and rugged mile . . . others are more fortunate . . . books are their forte . . . they will be prepared to face . . . storms along the way . . . whatever we accomplish . . . as the years roll by . . . one thing we will never learn . . . that is to say goodbye.

"EVERYTHING'S FINE AT 3,715 MPH" IN TEST

EDWARDS AIR FORCE BASE, Calif. (AP) — With his throttle open only three-fourths of the way pilot Neil Armstrong flew the X15 rocket plane 3,715 miles an hour Wednesday—more than five times the speed of sound.

The flight was a test of a new control system for the stub-winged speedster Armstrong took the plane to an altitude of 133,000 feet, or 25 miles.

"Everything worked just fine," Armstrong said later of the new system—designed as the closest approach yet to a space flight autopilot.

The X15 has reached 4,093 miles an hour and 217,000 feet in record seeking flights.

Air friction caused a slight warping of the Sky Dart's stubby wings but Armstrong said he was never in danger. He kept the power on for 97 seconds.

A woman doctor, Dr. Susan Ann Edson, an 1854 graduate of the Cleveland Homeopathic College, tended President James A. Garfield after his assassination.

Littlestown

BREIGHNER IS PRESIDENT OF JR. CHAMBER

Marvin F. Breighner was elected president of the Littlestown Chamber of Commerce at the annual reorganization meeting held Wednesday evening in the engine house. Others elected to office include: Carroll E. Arter, first vice president; J. Arthur Boyd, second vice president; Albert J. Bair, secretary-treasurer; Clarence R. Reck, Carroll E. Arter, Paul M. Bowman and R. J. Stonesifer, directors.

W. Richard Marshman is the retiring president of the Chamber. The retiring directors are Samuel H. Higinbotham, Wilbur E. Mackley, Charles H. Fissel and Warren C. Harner.

Explorer Post 84 will sponsor a WSBA Record Hop in the Maple Ave. School auditorium from 8 to 11 p.m. on Saturday.

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will sponsor the weekly public party on Friday at 8 p.m. in the social room of the FOE Home.

YOUTH TO MEET

Christ Ambassadors Youth Service of Bethel Assembly of God Church, along the Fish and Game Rd., will meet at 7:30 p.m. Friday.

A meeting of the Alloways Homemakers will be held at 8 p.m. on Friday at the home of Mrs. Earl Basehoar, near town.

Prizes will be awarded and refreshments will be available at the public party of St. Aloysius Catholic Church on Saturday, starting at 8 p.m.

Richard Bunty, Las Vegas, Nev., son of Mrs. Edith Bunty, W. King St., has returned home after spending several days in the community.

NEW ECHO ADVISER

Miss Sally Brown, a senior, is editor-in-chief for the 1961-1962 issues of "The Littonian Echo," student publication of the Littlestown High School. The editor staff also includes: Associate editor, Joan Barton; assistant editor, Jill Weikert; sports editor, Donald Jones; assistant sports editor, Fred Snyder; features editor, Connie Grove; assistant features editor, Elaine Bridinger. The business staff is composed of Paul Bowman, business manager; Gloria Bowers, assistant business manager; Richard Hornberger, circulation manager; JoAnn Beamer, assistant circulation manager; reporters are Joann Cookson, Janice King, Linda Knipple, Sharon Long, Richard Maitland and Kay Weikert. Typists are Doris Harrison and Rita Heiser.

The new faculty advisor for the current school year is Miss Nancy Horrell. She replaces Lloyd L. Stavely, who was faculty advisor for the publication from the date of its inception in 1930 until his year. Miss Horrell is new on the faculty, and is a graduate of James Buchanan High School and Grove City College and, in addition to her teaching duties, is also advisor of the Dramatics Club.

Student teachers at the local high school this year number four, all seniors at Gettysburg College. They are Miss Claire Kreutz, from Jew Jersey, assisting H. Dean Stover with geometry and trig; Miss Mary Ann More, from Norristown, assisting Mrs. Louella Baumgardner in the English Department; Miss Frances Ann Hall, from New Jersey, assisting James L. Rhodes with history classes, and Dan Carpenter, also from New Jersey, assisting John D. Bream with health and boys' phys ed classes.

Change Date For Water Hearing

HARRISBURG (AP)—A hearing on a complaint against the Stewartstown Water Company's supply in York County will be heard by the Public Utility Commission on Feb. 6 instead of Jan. 23.

The firm's counsel, Atty. Paul H. Rhoades, asked for the change in dates because he had a prior commitment for Jan. 23.

The borough maintains that water served to 360 customers in the Stewartstown area is unfit to drink.

ABBOTTSTOWN

(Continued From Page 1)

Ickes became postmaster in 1796, and thus is believed to have been the first postmaster named in what is now Adams County but what then was part of York County.

Mrs. Nellie Stambaugh, postmaster since 1941; Wilmer Rogers, of the Abbottstown borough council; Rev. L. J. Karschner of the Lutheran church, Frank Schuhart Jr. of the Catholic church, Gilbert Zeigler of the United Church of Christ, J. Faber Wildasin of the Lions Club, George Wildasin of the fire company, George Wildasin of the fire company, Harry Moul Jr. of the Flaming Knights, George Alwine of the Boy Scouts and John Shultz of the Youth Association comprise the committee arranging the dedication to e held at the fire hall across the street from the new post office.

Attorney W. W. Hafer, Hanover, will be the speaker. The Boy Scouts will raise the flag at the post office.

Mark Owens will speak for the postal department.

UNCOMMON

(Continued From Page 1)

habitable. Like Socrates, the artist believes that 'life without inquiry is not worth living.'

"STRANGE PARADOX"

"And the strangest paradox is that, since man's intellect is what differentiates him from the so-called lower animals, the uncommon man, exercising his intellect, which is the only tool of critical examination, is simply being more acutely human than the rest of humanity."

Mrs. A. W. Butterfield, first vice president and program chairman, introduced Prof. Pickering, who has been a member of the faculty of the college here since 1954.

Mrs. Butterfield also announced that the Pennsylvania Division AAUW project this year is support of better library services. The AAUW Wednesday evening voted to place a book in the county library in the name of Prof. Pickering.

NOMINATING REPORT

Mrs. Raymond F. Sheely, president of the branch, presided.

A report was presented by the nominating committee, Mrs. Robert A. Codori, Mrs. Henry T. Bream and Mrs. J. Kermit Hereter.

Mrs. Harold A. Dunkelberger, first vice president of the Pennsylvania Division of the AAUW, spoke on planned changes of the state group in programming and approval methods and of plans to hold the association convention triennially instead of bienially.

Refreshments were served following the meeting by a committee comprised of Mrs. James B. Myers, Mrs. Harry W. Pfanz and Mrs. S. M. Raffensperger.

Littlestown

YOUTH FROM ICELAND IS CLUB SPEAKER

Einar Sigurbjornsson, Iceland, and Charles W. Weikert, 21 W. King St., were the guest speakers at the weekly dinner meeting of the Littlestown Rotary Club on Tuesday evening at Schottie's Hotel. Einar arrived in the United States in the summer and is spending the year under the International Christian Youth Exchange Program as a guest in the home of Mr. and Mrs. Weikert. He is a native of the capital city of Iceland, Reykjavik, with a population of 70,000, and his father is the Lutheran bishop of that country. Einar presented a general informative talk concerning his country. He is a senior at the local high school and aspires to be a Lutheran minister.

Mr. Weikert explained the International Christian Youth Exchange Program to the Rotarians. The Weikerts' 16-year-old daughter, Jill, is spending the year in Germany as a guest in the home of Mr. and Mrs. Paul Hogenlocker and family, Sindelfingen. The speakers were introduced by Paul E. King, of the international service committee, in charge of arranging the evening's program.

The Rotarians will meet at 6:15 p.m. next Tuesday at Schottie's. The program will be in charge of the vocational service committee, composed of Fred W. King, chairman, Lloyd E. Crouse, Mervin Harner, Charles Rabenstine, Clarence R. Reck, Richard W. Staley and Lloyd L. Stavely.

CHURCHMEN ORGANIZE

An organizational meeting of the United Lutheran Church Men of St. Paul's Lutheran Church was held at the church on Tuesday evening. Charles E. Rabenstine presided. There was election of officers with these results: President, Thomas E. Craig; vice president, William J. Yingling; secretary, Donald B. Kump; treasurer, Arthur E Bair Sr. A colored film, with narration, on the Holy Land was shown and a social hour followed. The ULCM will meet again on Tuesday, February 6, at the church.

Place mats were made by the Cubs of Den 5 at their meeting on Friday at the engine house. Lion, bear and wolf head molds were also made under the supervision of Mrs. Denton Barnhart and Mrs. William Waltz, den mothers, and Robert Altoff, den chief. The Cubs will participate with Pack 84 in the roller skating party at Rainbow Rink, near Taneytown, on Saturday afternoon, leaving at 1:30 p.m. from the Community Center. Den 5 will not meet on Friday and the next session will be held on January 26 from 7 to 8 p.m.

OLD BRIDGE TO BE PRESERVED

The covered bridge that spanned Mud Run in Adams County since the 1890's has been hauled to the farm of George H. Anderson, East Berlin R. 1, where it will be restored and preserved.

Anderson said he will put the wooden bridge on steel piers and begin restoration work on it in the spring.

He decided to preserve the bridge when the state Highways Department announced plans to replace it with a modern concrete bridge.

Anderson became owner of the bridge when he agreed to pay the contractor to remove it to his nearby property on Bermudian Rd., just across the York County line.

It took a contractor five days of pushing and pulling with bulldozers to move the old bridge from the creek to Anderson's farm. It was finally moved in two sections.

The 82-foot-long structure had been floorless since an overweight truck crashed through it several months ago.

LOS ANGELES (AP)—A housewife wearing capri pants was found beaten to death in her apartment Wednesday night in the third such killing in 16 days, police said.

DUQUESNE AND BEARCATS WILL MEET TONIGHT

By JACK CLARY

Associated Press Sports Writer

Duquesne, a team that "didn't belong" according to the preseason experts, gets a chance to "stay" tonight when it tackles third-ranked Cincinnati in one of the week's top college basketball attractions.

Duquesne, with 12 victories and only a loss to Villanova in the Quaker City Holiday Festival last month, is ranked fifth. Cincy is 12-2, after beating Dayton Tuesday night. The Dukes won over Toledo on Monday.

The only ranked team in action Wednesday night was 10th rated Mississippi State, which beat Alabama 67-40.

TARHEELS FIRST

In other action, North Carolina took over first place in the Atlantic Coast Conference with a 66-56 victory over North Carolina State, Virginia Tech won over Richmond 67-54 in a Southern Conference game, Louisville surprised Xavier (Ohio) 85-60, Harvard gained sole possession of fourth place in the Ivy League with a 76-72 victory over Dartmouth, Penn beat St. Joseph's 66-60 for the first time since 1946, and Army ended Williams' unbeaten string at 12 with an easy 72-58 victory.

Alabama went into a first half stall, but Mississippi State showed the Tide how it should be done and gained a 21-5 halftime lead. Both changed tactics in the second half and the Maroon ran away from 'Bama 46-35.

Mrs. Jesse Kahan, 54, was lying face down on the dining room floor when her husband, Samuel, 56, arrived home at 10:40 p.m. from the market he owns.

TWENTY YEARS AGO

Legion To Buy Defense Bonds: Members of the Albert J. Lentz post No. 202 of the American Legion at a regular meeting Monday evening voted to purchase the post's first $100 defense bond and announced that one bond will be bought every other month by the post.

About 45 members of the post attended the meeting which was held in the Legion home on Baltimore street with Commander Joseph Smith presiding.

* * *

Mrs. Rose Murren Is First State Woman Chosen Master Farmer: The first Pennsylvania woman ever to be awarded the title of Master Farmer, an honor sparingly conferred upon the best men farmers of the state, received a medal and citation at a luncheon at noon today in the ballroom of the Penn-Harris hotel at Harrisburg.

Pennsylvania's first woman Master Farmer is an Adams countian, Mrs. Rose Murren, Hanover R. 3, who, since being widowed 20 years ago with a family of nine children, has bought and paid for, managed and made a living from a 140-acre farm in Mt Pleasant township while she reared her family and carried off many county honors with her dairy herd, her ton-litter pigs and her prize-winning corn and potatoes.

* * *

County Paralysis Victim Improves At Warm Springs: Unable three months ago when she was admitted to the Warm Springs Foundation in Georgia to raise herself to a sitting position unassisted, thirteen-year-old Martha Martin, Gettysburg R. 4, is making progress at Warm Springs that is pleasantly surprising her doctors here and at the foundation.

* * *

Need New Jail, County Home Improvements: The need is now "imperative" the January grand jury found Friday afternoon, for "a new jail amply large to take care of all types of cases." Recent damage to the present jail yard wall and present housing conditions for women inmates at the jail make the need for a new prison even more pressing than before, the grand jury reported after completing a quarterly inspection of the county buildings.

* * *

Gasoline Price Increased Here: The price of gasoline at most gasoline stations in Gettysburg and Adams county was increased three-tenths of a cent a gallon today by authority of the U. S. Office of Price Administration. The increase was authorized to become effective Thursday but most of the dealers did not put the increase into force until this morning. Other dealers in the county are said to be contemplating the increase on Monday.

Straight gasoline, at a majority of the stations, sells for nineteen and three-tenths of a cent a gallon. High test gasoline sells for two cents a gallon more.

U. S. Bombers Sink Jap Cruiser And Hit Tanker: Washington — The War Department said today American bombers sank a Japanese cruiser and scored direct hits on a tanker, leaving the latter in flames 100 miles off Jolo in the southerern Philippines.

Three enemy airplanes were shot down as the Japanese renewed their attack on General Douglas MacArthur's forces on Bataan peninsula on the island of Luzon, the department's communique also said.

Today's Talk

TURNING POINTS

There is just a little hair's distance between success and failure. Failure is the result of not having enough courage to leap over the hair's breadth.

When you feel as though all was lost, that is the time when you should determine to lose nothing.

None of us ever feels wholly secure in our success, no matter what it may seem like.

We are beset with turning points. It may be that just one more turn, or just one more ounce of effort may mean your uphill achievement.

Never give up when you feel like giving up.

You are the only individual in this world who is able to make yourself win or fail. You can do what you believe you can do.

When you stand at a turning point, lift your chin just a little higher, set your jaw just a little firmer — and then decide to make the grade!

Depend upon no one.

Be a lifter and not a leaner.

You feed upon the inspiration that you alone germinate. As you inspire others you in turn inspire yourself.

Do the job you set out to do. Never mind who is behind. You look ahead. Your last turning point may be the one to lead you to greatness.

For greatness is that realization which comes to all understanding minds that the job must be finished — somehow!

Tomorrow Mr. Adams will talk on the subject: "If You Know"

Protected, 1962, by The George Matthew Adams Service

Just Folks

"MOVE WE ADJOURN"

When I'm weary of argument wordy
And tired of continuous debate,
When the speaker like some hurdy gurdy,
Which carries on early and late,
Keeps up a monotonous bellow
On lessons I don't want to learn,
'Tis then I give cheers for the fellow
Who rises and moves to adjourn.

There are motions to lay on the table,
There are motions for this and for that,
And I stick just as long as I'm able
And hark to the chatterer's chat.
I stand for the rising thanks motion
For the one who has done a good turn,
But my friend is the chap with the notion
To get up and move to adjourn.

There are some who like papers and speeches
And open discussion of things;
The heights some new orator reaches,
The lesson and message he brings.
But each his own fancy must cling to,
What one chooses others may spurn,
So this simple tribute I sing to
The brother who moves to adjourn!

BURNS TO DEATH

PHILADELPHIA (AP) — A retired city employe was burned to death Wednesday as he sat in a stuffed chair in the living room of his North Philadelphia home. Firemen said Harry Vogel, 80, apparently set the chair afire by accidentally dropping a cigarette.

GUATEMALA (AP) — Guatemala and Britain will open talks in April on Guatemala's claim to British Honduras.

President Miguel Ydigoras Fuentes announced Wednesday he had accepted the British proposal for a meeting of British, Guatemalan and British Honduran officials in Washington or another neutral site.

TANK CAMPS AT BERLIN'S WALL BREAK

By GEORGE BOULTWOOD

BERLIN (AP)—The U.S. Army started pulling its tanks back from the Berlin wall Wednesday and during the night the Soviets removed theirs.

The breakup of the rival tank camps about a mile apart at the Friedrichstrasse crossing point was taken as a symptom of lessening tension in this divided city.

The Americans rushed up tanks to the wall last October during a dispute over Communist insistence that U.S. civilian officials show their credentials to East German guards when entering East Berlin. The Soviet Union matched the move and for more than three months the tanks and their crews were bivouacked within shooting distance of each othere. No shots were ever fired, however.

RETREAT A MILE

The Americans said they were pulling back their armor to Templehof Airport—about a mile and a half from the Berlin wall—to improve disposition of forces in the U.S. sector.

The Soviet tanks quietly slipped out of their bivouac in the ruins of a former royal palace near the Unter den Linden during the night, reliable sources said. It was not known whether they left East Berlin entirely or merely taken up new positions farther inside the city.

In a new demonstration of allied rights to the lifeline autobahn, a company of American troops today set out over the express highway for training in West Germany.

TO VISIT BERLIN

West German Chancellor Konrad Adenauer's office announced he will visit West Berlin in the near future. He is expected to stay only one day on a trip intended to reassert West Germany's political ties with West Berlin.

Four East Germans, including a border guard and a railroad policeman, escaped to the West in the night.

U.S. May Fire

(Continued From Page 1)

the moon and will mark the first landing of a "live" instrument package on the surface.

REDS FIRED SHOTS

The Soviet Union successfully launched two lunar vehicles in 1959. In Sept., Soviet scientists crashed Lunik II on the moon, but it relayed no data after striking. And on Oct. 4 they whirled Lunik III into a gigantic orbit around earth and moon and took the first pictures of the moon's far side.

The Soviet moon pictures were taken from a distance of 37,284 miles. The television camera in Ranger 3 is to operate when the spacecraft reaches within 2,400 miles of the moon and continue photographing down to an altitude of 15 miles. The pictures will be relayed to NASA's jet propulsion laboratory facility at Goldstone, Calif.

At 15 miles, Ranger 3 is to detach a 36-inch sphere. A small reverse rocket will fire to slow the speed of the ball from 6,000 miles per hour to about 80 m.p.h. before it hits the moon.

Inside the capsule is a seismometer and a radio transmitter designed to relay data to earth for 30 to 60 days. The highly sensitive seismometer will measure moonquakes and meteorite hits on the moon.

ATHENS, Greece (AP) — Iakovos, Orthodox archbishop of Athens and primate of all Greece, was enthroned today in Athens Cathedral.

Archbishop Iakovos succeeded Archbishop Theoclitos, who died Jan. 8.

MADRID, Spain (AP)—The noted Spanish poet Francisco Vighi Fernandez, 71, was buried at San Justo cemetery today. He died Wednesday after a five-year illness.

Kennedy

(Continued From Page 1)

budget. Without higher rates (including a 5-cent letter charge) to add to the anticipated big increase in tax collections, Kennedy's envisioned surplus would evaporate—barring major economy moves in other areas.

Many congressional Republicans — and some Democrats — were ready to demand greater economy and a bigger surplus in order to whittle down the record national debt, now nudging the $298 billion ceiling.

Anticipating this, Kennedy said a $463 million surplus would reflect "the best national policy." He said deficit spending might promote inflation while a larger surplus "would risk choking off economic recovery and contributing to a premature downturn."

SURPLUS IS CHANGE

A surplus as small as the one forecast by Kennedy would represent a big change from the indicated budget results for the current fiscal year which ends June 30. Kennedy said the current-year outlook is for spending of $89.1 billion, revenues of $82.1 billion and a deficit of $7 billion.

Defending in advance his proposed spending increases, Kennedy said all new ideas for additional outlays were reviewed in accord with "strict standards of urgency." He said that, in the name of economy, "many desirable new projects and activities are being deferred."

Even the defense program felt the economy ax. The Pentagon was allotted $48.3 billion for military activities and, while this represented a hike of nearly $1.5 billion over current levels, it was well below the combined requests of the separate services.

Incidentally, the military budget was recast this year to lump items according to various missions rather than by separate services. Because of this "unification" move, it was impossible to extract totals for the Army, Navy and Air Force.

$2.9 FOR AEC

In addition to Pentagon spending, $2.9 billion was earmarked for the atomic energy program, $1.4 billion for arms aid and $100 million for other defense-related activities. Thus total defense outlays were budgeted at $52.7 billion, or 57 per cent of all federal spending.

The military billions will provide, among other things, for two more Army divisions (making a total of 16), a start on six more Polaris submarines, additional bombers and fighters and more missiles of all types. At the same time, the total number of men under arms would be slated to drop from 2,825,000 next June 30 to 2,684,000 a year later.

Planned space spending of $2.4 billion in fiscal 1963 would include nearly $1.2 billion for manned space flights, including "some of long duration." The amount earmarked for manned forays would be up $700 million over this year's total.

OTHER INCREASES

Other significant increases were indicated for interest on the national debt (up $400 million to $9.4 billion), health, labor and welfare programs (up $400 to $5.1 billion), and education activities (up $400 million to $1.5 billion). Outlays for natural resource programs would be boosted by $200 million to a record $2.3 billion.

Economies were forecast in such fields as agriculture (if the new farm bill, not yet detailed, is enacted), commerce and transportation (down $400 million to $2.5 billion) and veterans benefits (down $300 million to $5.3 billion).

Most of the legislative proposals mentioned in the budget were 1961 retreads, such as aid to education, health care for the aged and tax incentives for business expansion. However, the message did encompass what Kennedy termed "some new proposals of high priority."

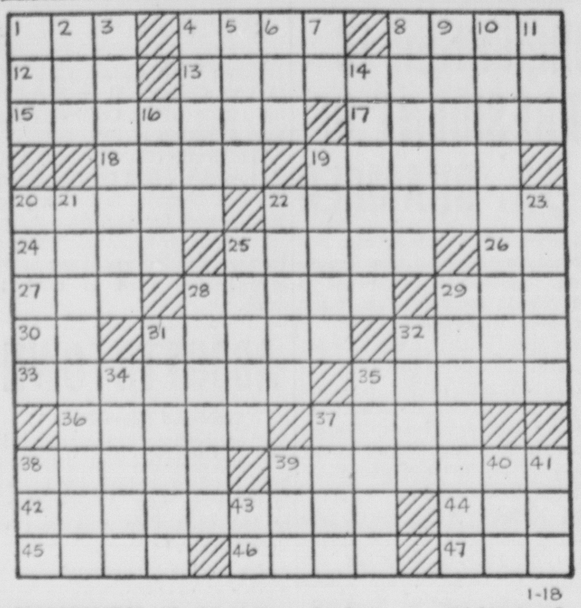

In this connection, he mentioned "improvements in education and scientific research," retraining of the unemployed, a program to give young people greater job opportunities, and aid to mass transit facilities in cities. The first-year cost of the transit plan was estimated at $15 million.

Kennedy's proposal to repeal the 10 per cent federal tax on rail, bus and boat tickets also was new and will be tied in with a special transportation program to be submitted later.

The President also called for the repeal next Jan. 1 of the 10 per cent tax on air fares. However, he would largely offset revenue loss by creating a new 5 per cent tax on air fares and freight charges plus increasing and expanding certain taxes on aviation fuels.

As in the past, the budget called for extension of present corporation and excise tax rates beyond their scheduled June 30 expiration.

Fight For Mayor Of Philadelphia

PHILADELPHIA (AP) — City Controller Alexander Hemphill says he intends to be a candidate when an election is held to pick a successor to Mayor Richardson Dilworth, who is resigning Feb. 12.

Hemphill announced his intentions Wednesday, but said he will not resign immediately.

The city charter requires the resignation of any official seeking election to another office Hemphill, however, said this only has to be done when nominating papers are filed.

Dilworth announced his resignation last Sunday, presumably to seek the Democratic nomination for governor. Council President James H. J. Tate succeeds Dilworth as acting mayor. He has indicated he will seek the Democratic nomination.

TO FREE MAN ON MISTAKEN CONVICTION

HARRISBURG (AP) — Willie Comer, a 21-year-old painter from Harrisburg, will become a free man again Friday after spending the past four-months in jail on a mistaken conviction of robbery.

Comer was handed a 2-4 year sentence at Eastern State Penitentiary in Philadelphia last August after he and two others were found guilty of taking part in a $250 holdup at the C & D Cafe here.

However, local authorities unveiled new evidence this week revealing his innocence

Judge Homer L. Kreider of Dauphin County Court, who imposed the original sentence, said Wednesday night Comer would be released on a writ of error coram nobis, defined as an error in prosecution. Kreider said witnesses wrongly identified Comer.

DEFENDANT CONFESSES

Comer's innocence first came to light last month when one of the other defendants, Dewitte Brown, 25, of Harrisburg, wrote Dauphin County Dist. Atty. Martin H. Lock that Comer had nothing to do with the robbery.

Brown, who was sentencede to a 3-6 year prison term, implicated Harold L. Edwards, 19, also of Harrisburg.

Edwards was brought to trial last week and immediately testified he—and not Comer—was the third man in the holdup. Edwards was acquitted after claiming he was unaware the other two men were planning the robbery.

MARMET, W. Va. (AP)—An elderly grocer, his housekeeper, and her two children perished early today in a fire that burned his four-room frame home to the ground near Emmons.

The victims were Albert Graley, 75; Martha Gilliepie, 32, who made her home with the widower, and her children, Sue, 12, and Tommie Lee, 7.

Veteran Trojan Cagers Oppose Warriors Here Friday In SP Contest

Tall, talented Chambersburg High, best on moving into a tie for first place with Carlisle, comes here Friday evening to meet the Gettysburg High Warriors in a South Penn League engagement.

A victory by the Trojans here will give them and the Herd 3-0 records to set the stage for the first-half title game next Tuesday when they collide at Chambersburg.

The Trojans were preseason favorites to win the SP title this season until Carlisle surprised with its 130 mark to date. However, many believe that Chambersburg will still take the honors.

Coach Lowell Schlicter's outfit has compiled an 8-3 record to date and sports a three-game winning streak.

SEVEN LETTERMEN

Seven Senior lettermen are the nucleus for the Trojan squad. They include Gary Faust 6-1, George Banks 6-3, Jeff Martin 6-5, Paul Mills 6-1, Jack Mull 5-8, Carl Watson 5-11 and Carl Walter 5-10.

Stopping the Trojans would be a very difficult task for the Warriors who have a 1-8 mark to date. However, the Forneymen will go all out in an effort to spring an upset.

At 6:45 the junior varsities will meet.

The Gettysburg Junior High teams, each team with a 2-1 mark, journey to Hanover Friday evening to meet the Falcons in a SP twin bill.

BATTLE FOR LEAD

Top game in the Adams-Franklin League Friday night sends Greencastle to Scotland. Each have 7-0 marks in the Franklin Division.

Other league games include St. Thomas at New Oxford, Littlestown at Quincy, Fairfield at Buchanan and Fannett-Metal at Bermudian.

Delone Catholic clashes with Shamokin at McSherrystown in a Central Penn Catholic League game. The Squires are 2-1 in the league.

Biglerville will be idle on Friday.

BANTAM TITLE TO BE CLEARED

By CARLOS GENEVIVA

SAO PAULO, Brazil (AP)—One of boxing's three disputed titles will be cleared up tonight and Brazilian fans think their Eder Jofre will emerge as the undisputed bantamweight champion in his match with Ireland's John Caldwell.

Jofre, a knockout puncher with 40 victories and three draws in 43 fights, is recognized in South America and by the U.S. National Boxing Association as world champ. Caldwell, 23-year-old boxer who also is unbeaten, holds the European version of the same world title.

There are dual claimants in both the middleweight and light heavy classes with Gene Fullmer and Terry Downes splitting the middle title and Archie Moore and Harold Johnson holding shares of the light heavy crown.

BOXER RETIRED

The bantam dispute arose after Mexico's Joe Becerra retired following a knockout by Eloy Sanchez in a nontitle fight, Aug. 30, 1960. Jofre was recognized after he stopped Sanchez, Nov. 18, 1960. Caldwell gained the European nod by whipping exchamp Alphonse Halimi March 30, 1961, and repeating last Oct 31.

Brazilian fans have made Jofre, 25, a top heavy favorite on the strength of a superior punching power. They think they spotted a chink in the Irishman's defense during his workouts. Jofre has stopped 30 opponents, including the last 10 men he faced. Caldwell has 12 knockouts in his 25-0 record.

The 15-round match is scheduled for 9 p.m. EST.

WESTMINSTER FOURTH

NEW YORK (AP) — Westminster, Pa., College which won 11 games in a row before losing to Pitt, has advanced from seventh to fourth place in the weekly Associated Press small college basketball poll announced today. Prairie View, Tex. (12-1) retained first place.

COBURN SCHOLARSHIP

STRATFORD, Ont. (AP) — A Shakespearean scholarship is being set up in memory of Charles Coburn by the Festival Theater here and the Avondale Playhouse, of Indianapolis, Ind.

The veteran actor died last summer shortly after an engagement at Avondale. The announcement of the award cites Coburn's "exceptional influence on classic drama and unparalleled devotion to the theater."

Two apprentices at Avondale will be chosen each season for a two-week study course at the Shakespeare festival here.

EXILED CUBAN PLANS MINOR LEAGUE TEAM IN FLORIDA

By FRANK ECK
The Associated Press

JACKSONVILLE, Fla. (AP) — When Bobby Maduro went to the bank to seek a loan, the manager asked:

"Do you have any credit?"

"No," replied Maduro, "but I can paint a good picture of Castro."

The picture, of course wouldn't be worth one centavo around here where Maduro, 46, will operate the new Jacksonville Sun franchise in the International League.

The regime of Fidel Castro, Cuba's communistic dictator, has been charged with hundreds of executions and slayings. But in a baseball sense the big thing that Castro killed in Cuba has been the spirit of little boys who once played Little League baseball. There is none now.

The Cuban also confiscated billions, and about 8 million of his take belonged to the Maduro family. It was their entire fortune. And Salomon Maduro, Bobby's father who is 71, is seriously ill in New York.

MORE THINGS THAN MONEY

"I found out there are more important things than money," says Bobby Maduro. "It's having friends. I have no money but I am a millionaire in friends.

"When I was in New York and out of a job recently (Maduro owned the Jersey City franchise in 1961), Walter O'Malley (president of the Low Angeles Dodgers) called me. He put me on the Los Angeles payroll at a very substantial salary."

The figure is $1,000 a month, and it's not a loan. O'Malley always liked Maduro, and in Cuba's good economical years, Maduro recommended players to the Dodgers. One of them, Sandy Amoros, saved the 1955 World Series for Brooklyn.

It is permissible for a minor league team to work with two big league clubs, if one is in the American League and the other in the National. So don't be surprised if the Dodgers, in their drive to regain the pennant, send a few players to this new International League city for seasoning.

Maduro was one of the men who once made Little League baseball a wondrous thing in Cuba. The kids, in order to compete, had to have passing marks in school and a letter from home substantiating their good behavior.

LOST $6 MILLION

"What little I had I lost in Jersey City," says Maduro. "Fortunately, I found out in time it was better to have friends than to have money. I'm general manager of the Jacksonville team and I've made Sam Wolfson (once president of the Sally League) the team president. He has no money in the club but he helped me settle in Jacksonville.

"My dad lost close to $6 million, including a sugar plantation, the largest insurance company in Cuba and a $150,000 home. I lost close to $2 million, a small cattle business, a bus line, controlling interest in the ball park (Gran Stadium) and my $150,000 home."

Maduro has sent a number of Cubans to the majors, the most recent ones being Chico Cardenas, Elio Chacon and Tony Gonzales. He worked for years with Gabe Paul and the Cincinnati Reds. Now that Paul is Cleveland's general manager, Maduro's Jax team has a working agreement with the Indians. And Ben Geraghty, who managed winners at Louisville and Jacksonville when in the Milwaukee chain, has been whisked away from the Braves to manage the Jax Suns.

FINISHED LAST

In 1961, Jacksonville finished last in the Class A Sally League. That franchise has been shifted to Savannah. With Jacksonville graduating to the international League, baseball interest has been renewed here to such an extent that $100,000 in tickets were sold before the late November minor league meetings began in Tampa.

Jersey City was sixth in the IL in 1961, but with Cleveland aid, the financial backing of Walter O'Malley and the knowhow of Sam Wolfson and Bobby Maduro, this city figures to have a baseball about face.

JESSEE STILL WINS

HARTFORD, Conn. (AP) — When Trinity College defeated Colby 23-16 this season, it was the 130th football victory for coach Dan Jessee since fielding his Bantam eleven 29 years ago.

During that period, Trinity has lost only 53 and tied six under Jessee who holds the nation's longest unbroken head-coaching tenure at one college.

Detroit Gunning For Fourth Place

By THE ASSOCIATED PRESS

The Detroit Red Wings, benefiting from a New York nosedive, will be gunning for fourth place in the National Hockey League tonight when they visit Boston and the lowly Bruins.

A Detroit victory would vault the Wings into sole possession of the last playoff spot, and a tie would give them a share of it. Their match is the only one scheduled in the league.

The Red Wings, idle Wednesday night, remained just one point back of the Rangers, who lost their sixth straight and eighth in nine starts, 4-2, to Toronto.

Montreal retaining its two-point hold on first place with a 7-3 rout of Chicago.

DELONE FACES RUGGED 1962 SPORTS CARD

Announcement was made today of the 1962 baseball schedule and three 1962 football schedules for Delone Catholic High School, McSherrystown.

The schedules follow:

BASEBALL

March 29, Bermudian Springs, away; April 4, Spring Grove, home; 6, Kennard-Dale, away; 13, Westminster, pending; 16, Hanover, home; 17, Francis Scott Key, home; 26, Gettysburg, away; 30, York Catholic, away; May 4, Westminster, pending; 7, Hanover, away; 11, York Catholic, home; 14, Gettysburg, home; 17, Bermudian Springs, home; 23, Francis Scott Key, away.

VARSITY FOOTBALL

September 7, Hanover, away; 14, Lebanon Catholic, home; 21, Chambersburg, away; 28, Lancaster Catholic, away; October 5, Carlisle, home; 12, St. Francis, home; 19, York Catholic, away; 26, McDevitt, home; November 9, Dematha, at Hyattsville, Md.

JAYVEE FOOTBALL

September 20, McDevitt, home; 26, Chambersburg, home; October 1, Biglerville, away; 11, Bermudian Springs, away; 18, Carlisle, away; 29, Scotland, home; November 5, Hanover, home; 8, Westminster, away.

FRESHMEN FOOTBALL

September 20, Faust, at Chambersburg; 26, York Catholic, away; October 4, Chambersburg Central, home; 10, Edison, home; 17, McDevitt, away; 25, Carlisle, home; November 1, Scotland, away.

MOUNT HOSTS RIDER FRIDAY

Mt. St. Mary's College (10-2) will go after its fifth straight basketball victory Friday evening when it meets Rider College of Trenton, N.J., at Emmitsburg. Game time is 8 o'clock.

Friday's game marks the sixth clash between the Mountaineers and Broncs with Rider holding a 3-2 edge in the series. Last year the Mount won easily 94-64.

Following the clash with Rider, Coach Jim Phelan and his squad will go to Philadelphia Saturday for their big test with St. Joseph's (7-5) which will be the first game of a doubleheader in the Palestra and will start at 7:30 o'clock.

Dick Saylor, 6-9 Sophomore, may be able to see part-time duty for the Mount. He has been out of action due to a leg ailment.

Eisenberger Is Archery Leader

Larry Eisenberger led the men of the York and Adams Archers for the third week when the weekly indoor shoot was held during the week at the York and Adams County Game and Fish Association farm near Abbottstown. Emma Jamison topped the women. Thirty-three archers participated.

The results:

Instinctive Men: XA — Kermit Bechtel 684, Dan Shank 657, Harold Hoke 650, Harold Cool 511; XB — Pat Heffran 613, Charles Haner 603, Clair Jamison 582, Sterling Mummert 544; XC—Wilmer Hankey 492, F. Hughes 475; GD—Robert Forsythe 424; Ralph Wentz 391, Kenneth Ness 350, Walter Raver 311, John Feeser 301, John Durham 132, Calvin Yohe 117, C. E. Michael incomplete.

Instinctive Women: XC—Emma Jamison 468, Estella Shank 321; XD—Effie Eisenberger 380, Marie Hankey 262, Mary Ness 81.

Free Style Men: XAA—Larry Eisenberger 742, George Miller 716, John Snyder 713, William Harner 649; XA—Jim Kane 634, Charles Doll Jr. 574; XB — Joe Clingan 551; XD—Lon Latshaw 442, Eugene Bankert 393.

Junior Boy—Tom Zigler 480.

Baseball Talk In Snow

Minnesota Twins manager Sam Mele, right, and club president Calvin Griffith stand on steps of Metropolitan Stadium dugout and look over the snow-covered field in St. Paul-Minneapolis. Mele came to town to complete plans for coming season. Twins start spring training in less than a month in Florida. (AP Wirephoto)

NCAA CHANGES SEVERAL RULES ON GRIDIRON

MIAMI BEACH, Fla. (AP)—The rules of college football got a minor touchup but no major alterations this year from the NCAA rules committee, which keyed its efforts toward curbing injuries.

The committee left unchanged the existing substitution rule after considering coaches' requests for permission to use as many as three "wild card" subs.

Fritz Crisler, former Michigan coach who served as acting chairman, said he believed most coaches would find the committee's actions acceptable.

"The small colleges favor one rule, the universities like another," Crisler said. "I think, however, the majority do not want free, unlimited, unrestricted substitution."

ADJOURNED MEETING

The committee adjourned its three-day annual meeting after holding a special session Wednesday night to consider the substitution rule.

One other action came out of the night session, however—a decision to request stricter enforcement of a rule against piling on a tackled player.

The committee left unchanged the regulations governing player equipment. It said that before changes are authorized, a thorough assessment should be made of numerous player-injury surveys now under way or completed.

Crisler said the chairman of the NCAA injury committee, Ernie McCoy of Penn State, will be asked to survey all studies on football injuries, including one done by the Army, one by Cornell and Michigan and others.

More rigid enforcement was asked of rules against clipping, and words or signals that would rattle a team preparing to put the ball in play.

PENALTY REDUCED

The penalty for illegal shift was reduced from 15 to 5 yards to make it equal to the illegal motion penalty.

A team kicking the ball will be authorized to touch it within the opponents' 10-yard line and make it dead. Previously, such action was ruled a touchback and the ball was brought out to the 20.

The committee boosted from 5 to 15 yards the penalty for violating a rule that a forward pass or place kick held by an opponent cannot be kicked.

The committee retained the college rule that a visiting team has to change jerseys if need be to contrast with the home team, but decreed that in high school football the home team must make the change. Formerly the change was obligatory on visiting teams of high schools as well as colleges.

Expect Big Crowd For LaSalle Game

One of the highlights of the local collegiate basketball season will be the clash between Middle Atlantic Conference power, LaSalle and Gettysburg, Saturday night in the Bullets' new physical education building.

A capacity crowd is expected to jam the new gym for the single game starting at 8 p.m. Henry T. Bream, Gettysburg athletic director, stated there has been a big demand for tickets but there are many choice seats still available for the clash.

The contest will pit two of the conference's top scores. Ron Warner, Gettysburg ace, is averaging 24.0 points per game while Bob McAteer, LaSalle, is clipping along at a 22.7 per game pace. The Bullets are 7-3 on the season and 2-1 in MAC play. LaSalle has an 8-3 season mark and is 2-0 in conference competition.

Scotland Downs Fairfield Girls

The Fairfield High School girls' basketball team dropped a 54-32 decision to Scotland at Fairfield on Wednesday.

Blank led the winners with 39 points while Willett tallied 20 for the losers.

Scotland	G	F	P
Blank	18	3- 4	39
Spittler	4	1- 4	9
Jones	2	0- 2	4
Hinkle	1	0- 5	2
Totals	25	4-15	54
Fairfield	**G**	**F**	**P**
Gembe	1	4- 7	6
Sites	2	2- 3	6
Willett	8	4- 9	20
Totals	11	10-19	32

Nonscorers: Scotland — Pope, Delaney, Twaddle; Fairfield—Deardorff, Ruth, Herring.

Score by periods:

Scotland	16	20	14	4—54
Fairfield	6	6	9	11—32

STROUSE TOPS FROSH CAGERS

George Strouse, Norwich, Conn., former Norwich Free Academy cocaptain and all-conference player, is dominating the scoring on the Gettysburg College freshman basketball team following the first 10 games of the season.

Strouse has rammed through 228 tallies for a 22.8 average, far ahead of runner-up Charles Gault, Mechanicsburg, who has scored 79 points. Strouse has landed 98 of his 206 field attempts for 48 per cent and 32 of 45 foul tries for 71 percent. Strouse, who stands 5'11", is also second in rebounding with 62 grabs for a 6.2 average.

TOP REBOUNDER

Roger Ecker, 6'3" former Gettysburg High School athlete, is leading rebounder with 90 for a 9.0 average. Ecker is the team's third top point producer with 68 tallies.

The Gettysburg yearlings are on the short end of a 4-6 record during the first half of the season. The four wins have been over F&M, Dickinson, Bucknell and Hershey Jr. College. The six setbacks came at the hands of York Jr. College, Albright, Navy Plebes, Bucknell, Lehigh and Lebanon Valley.

The frosh will be idle until January 31 due to mid-year examinations.

Jerry West Scores 63 Points In Game

By THE ASSOCIATED PRESS

Jerry West's sensational scoring Wednesday night, topped by only two men in the history of the National Basketball Association, stole the thunder from the usual NBA leaders, the Boston Celtics and Wilt Chamberlain.

The 6-foot-3 Los Angeles backcourt star, an NBA sophomore from West Virginia, scored 63 points in the Lakers' 129-121 victory over the New York Knickerbockers.

Only Chamberlain and Elgin Baylor, West's Los Angeles teammae now in the Army, have betteren the mark. Baylor had a high of 71, and Chamberlain, Philadelphia's giant scoring machine, has 73 in regulation time and 78 in triple overtime.

West's previous high was 47.

In the other games, Boston took a 126-116 come-from-behind victory over Detroit and Philadelphia took St. Louis 136-130 in overtime in a doubleheader in Detroit.

GROAT SIGNS

PITTSBURGH (AP)—Shortstop Dick Groat is signed for his ninth season with the Pittsburgh Pirates.

The former Duke University basketball star returned his 1962 contract Wednesday.

Groat led the National League in batting with a .325 average in 1960 when the Pirates won the World Series but slipped to .275 last year.

In Italy the industrial force is concentrated in the Milan-Genoa-Turin triangle.

SEEK FOOTBALL FRANCHISE IN HARRISBURG

HARRISBURG (AP) — A syndicate of Harrisburg sports enthusiasts filed a formal application today for a franchise in the infant United Professional Football League.

Bob Spitler, spokesman for the syndicate, also assured league officials his group had the necessary $50,000 capital on hand to field a team for the 1962 season.

A press luncheon is scheduled here next Wednesday, at which time league President George Gareff of Columbus, Ohio, probably will announce a decision on the Harrisburg application.

Should Harrisburg be accepted, it would become the eighth club in the Triple A circuit. Spitler said negotiations already are underway for use of the giant stadium in nearby Hershey.

USE HERSHEY STADIUM

He quoted Hershey officials as saying they would be willing to discuss use of the 16,000-seat stadium, providing suitable scheduling can be worked out.

Spitler refused to name any of the other backers in the syndicate, but it was reported they all are prominent Harrisburg area businessmen.

The seven cities already in the league include Indianapolis; Akron, Ohio; Cleveland; Columbus, Ohio; Grand Rapids, Mich.; Louisville and Chicago. All but Chicago played last fall.

Practically all the teams are stocked with players cut from National and American Football League teams who farm out their talent for further seasoning.

SEE FOOTBALL AS TOP SPORT

By BEN OLAN
Associated Press Sports Writer

NEW YORK (AP) — Baseball Commissioner Ford Frick insisten today he is not alarmed over the rapid rise of professional football, but urged major league clubowners and the rules committee to do something about "pepping up the game.'

"What baseball needs is few delays and home runs and more snappy plays and stolen bases," Frick said. "Not enough is being done in this respect."

His comments were prompted by the results of an Associated Press poll. In the balloting by 215 sportswriters and broadcasters, 109 voted "yes" to the question "will professional football in 10 or 20 years replace baseball as our national pastime?" there were 106 dissenters.

ALREADY IS TOP

In addition, 25 voters insisted that pro football already has knocked baseball out of the box as America's No 1 sport while another 15 predicted the grid game will take over in fewer than 10 years.

"I'm not alarmed that pro football is going to take baseball's place," Frick said. "We did have a slight decrease in major league attendance (5.6 per cent) last season. But don't forget that 30 million people watched professional baseball games and that the game is being played in more high schools and colleges than ever before."

Female Track Star 10 Pounds Heavier

LOS ANGELES (AP) — Ten pounds heavier and fighting a head cold, Wilma Rudolph Ward, Olympic triple gold medal winner, is training here for Saturday night's invitational indoor track meet in the Sports Arena.

She flew in Wednesday night from her home in Nashville. Accompanying her were her Tennessee A&I teammate, Jean Holmes; Coach Ed Temple and broad jumper Ralph Boston.

Wilma and Miss Holmes are entered in the 60-yard dash.

"I plan to win," said Wilma, a recent bride. She admitted that she gained weight during the winter on the banquet circuit.

BARONS IN 1ST PLACE IN AHL

By THE ASSOCIATED PRESS

The Cleveland Barons have gained a share of first place in the Western Division of the American Hockey League, but they had to survive a fight of near-epic proportions to do it.

The Barons moved from third to a tie for first in the jammed-up west on the strength of an 8-3 verdict over Pittsburgh Wednesday night in a game which produced 4 hours and 28 minutes in penalties.

Most of the penalties were produced in a brawl late in the third period. It started when John Ferguson of the Barons and Gary Collins of the Hornets were sent to the penalty box on roughing charges.

FIGHTING IN BOX

Before play resumed, Ferguson and Collins started fighting in the penalty box. Players on the ice joined in the scrap and were soon joined by their mates on the bench. It was finally quelled by the officials and three policemen.

Freddy Glover had three goals and Wayne Larkin two in Cleveland's swift attack that forced Pittsburgh goalie Roy Edwards to make 57 saves.

The victory pulled Cleveland past Buffalo and into a tie with Rochester, both idle Wednesday night. Buffalo trails the leaders by a single point.

Eastern leader Springfield clipped Hershey 2-1. The victory gave the Indians a 12-point lead. Their biggest margin of the season. No other game was scheduled

Bill McCreary's 13th goal of the seaesc was the winner for the Indians. Pete Conacher scored for Hershey and Kep Douglas for Springfield.

WARNER KEEPS EDGE IN CAGE STATISTICS

Ron Warner the 5'10" sparkplug from York, continues to dominate the Gettysburg College basketball statistics following the first 10 ball games of the season.

Warner has rolled up 240 points for a 24.0 average per game. He has dunked 96 of 182 field shots for 53 per cent and ripped the cords for 48 of 62 foul attempts for 77 per cent. Warner is also the team's leading rebounder with 77 grabs for a 7.7 average.

Bob Parker, the 5'9" field general from Yeadon, is running a close second in the scoring department. Parker has tallied 172 points for a 17.2 average. He has connected on 77 of 170 field attempts and 18 of 30 free throw tries. Warner and Parker have recorded a combined total of 412 of the Bullet's 670 points.

Bruce Simpson, Sunbury, has registered the second highest rebound total with 70 for a 7.0 average and Roger Gaeckler, Glen Rock, is third with 55 or a 5.5 average.

Warner and Parker are both nearing another milestone in their careers. Warner has rammed through a career total of 1,463 points and needs 37 more to reach his 1,500 total. Parker has rolled up 975 tallies and needs only 25 more to become the fourth player in the history of the college to hit the 1,000 point mark.

Both cagers will get their chancec to reach the figures Saturday night when the Bullets play host to a powerful LaSalle outfit. Gettysburg will then tangle with Rutgers in the new field house on January 27.

Bob Hulton's Orange and Blue cagers have rolled up a 7-2 record prior to the midyear exams.

JETS' FUTURE IS DISCUSSED

By THE ASSOCIATED PRESS

The American Basketball League still awaits word on the future of the Los Angeles Jets.

A meeting between Jet officials and ABL officials was scheduled to continue today. A spokesman said there is "a good possibility" that the Jets will remain in the league.

The meeting was called to revamp the schedule in an attempt to help the club financially.

Two of the Jets' home games, scheduled Friday and Sunday with Hawaii, have been postponed. And in Cleveland, a spokesman for the Pipers said a doubleheader scheduled for Youngstown, Ohio, tonight, has been canceled.

New York was scheduled against Pittsburgh and Los Angeles against Cleveland in that one.

In games Wednesday night, Pittsburgh whipped Cleveland 107-97 and Chicago toppled New York 111-95 in a doubleheader at Cleveland, and San Francisco took Hawaii 109-92.

Glenn Hall Gets Car; Loses Game

CHICAGO (AP) — It was goalie Glenn Hall night in Chicago Stadium Wednesday night — and again it wasn't.

The 30-year-old Hall made his 500th consecutive appearance in the nets for the Chicago Black Hawks in a National Hockey League game.

But it just wasn't Hall's night. The Montreal Canadiens won 7-3, registering the most goals Hall has permitted an opponent on home ice this season.

It was rather embarrassing for Hall. Just before the game the Hawks management had a new black, sporty auto driven onto the ice and the keys were presented to the surprised goalie.

Mrs. Rose Murren Is First State Woman Chosen Master Farmer: The first Pennsylvania woman ever to be awarded the title of Master Farmer, an honor sparingly conferred upon the best men farmers of the state, received a medal and citation at a luncheon at noon today in the ballroom of the Penn-Harris hotel at Harrisburg.

Pennsylvania's first woman Master Farmer is an Adams countian, Mrs. Rose Murren, Hanover R. 3, who, since being widowed 20 years ago with a family of nine children, has bought and paid for, managed and made a living from a 140-acre farm in Mt. Pleasant township while she reared her family and carried off many county honors with her dairy herd, her ton-litter pigs and her prize-winning corn and potatoes.

County Paralysis Victim Improves At Warm Springs: Unable three months ago when she was admitted to the Warm Springs Foundation in Georgia to raise herself to a sitting position unassisted, thirteen-year-old Martha Martin, Gettysburg R. 4, is making progress at Warm Springs that is pleasantly surprising her doctors here and at the foundation.

* * *

Need New Jail, County Home Improvements: The need is now "imperative" the January grand jury found Friday afternoon, for "a new jail amply large to take care of all types of cases." Recent damage to the present jail yard wall and present housing conditions for women inmates at the jail make the need for a new prison even more pressing than before, the grand jury reported after completing a quarterly inspection of the county buildings.

* * *

Gasoline Price Increased Here: The price of gasoline at most gasoline stations in Gettysburg and Adams county was increased three-tenths of a cent a gallon today by authority of the U. S. Office of Price Administration. The increase was authorized to become effective Thursday but most of the dealers did not put the increase into force until this morning. Other dealers in the county are said to be contemplating the increase on Monday.

Straight gasoline, at a majority of the stations, sells for nineteen and three-tenths of a cent a gallon. High test gasoline sells for two cents a gallon more.

U. S. Bombers Sink Jap Cruiser And Hit Tanker: Washington — The War Department said today American bombers sank a Japanese cruiser and scored direct hits on a tanker, leaving the latter in flames 100 miles off Jolo in the southerern Philippines.

Three enemy airplanes were shot down as the Japanese renewed their attack on General Douglas MacArthur's forces on Bataan peninsula on the island of Luzon, the department's communique also said.

Today's Talk

TURNING POINTS

There is just a little hair's distance between success and failure. Failure is the result of not having enough courage to leap over the hair's breadth.

When you feel as though all was lost, that is the time when you should determine to lose nothing.

None of us ever feels wholly secure in our success, no matter what it may seem like.

We are beset with turning points. It may be that just one more turn, or just one more ounce of effort may mean your uphill achievement.

Never give up when you feel like giving up.

You are the only individual in this world who is able to make yourself win or fail. You can do what you believe you can do.

When you stand at a turning point, lift your chin just a little higher, set your jaw just a little firmer — and then decide to make the grade!

Depend upon no one.

Be a lifter and not a leaner.

You feed upon the inspiration that you alone germinate. As you inspire others you in turn inspire yourself.

Do the job you set out to do. Never mind who is behind. You look ahead. Your last turning point may be the one to lead you to greatness.

For greatness is that realization which comes to all understanding minds that the job must be finished — somehow!

Tomorrow Mr. Adams will talk on the subject: "If You Know"

Just Folks

"MOVE WE ADJOURN"

When I'm weary of argument wordy
And tired of continuous debate,
When the speaker like some hurdy gurdy,
Which carries on early and late,
Keeps up a monotonous bellow
On lessons I don't want to learn,
'Tis then I give cheers for the fellow
Who rises and moves to adjourn.

There are motions to lay on the table,
There are motions for this and for that,
And I stick just as long as I'm able
And hark to the chatterer's chat.
I stand for the rising thanks motion
For the one who has done a good turn,
But my friend is the chap with the notion
To get up and move to adjourn.

There are some who like papers and speeches
And open discussion of things;
The heights some new orator reaches,
The lesson and message he brings.
But each his own fancy must cling to,
What one chooses others may spurn,
So this simple tribute I sing to
The brother who moves to adjourn!

BURNS TO DEATH

PHILADELPHIA (AP) — A retired city employe was burned to death Wednesday as he sat in a stuffed chair in the living room of his North Philadelphia home. Firemen said Harry Vogel, 80, apparently set the chair afire by accidentally dropping a cigarette.

GUATEMALA (AP) — Guatemala and Britain will open talks in April on Guatemala's claim to British Honduras.

President Miguel Ydigoras Fuentes announced Wednesday he had accepted the British proposal for a meeting of British, Guatemalan and British Honduran officials in Washington or another neutral site.

TANK CAMPS AT BERLIN'S WALL BREAK

By GEORGE BOULTWOOD

BERLIN (AP)—The U.S. Army started pulling its tanks back from the Berlin wall Wednesday and during the night the Soviets removed theirs.

The breakup of the rival tank camps about a mile apart at the Friedrichstrasse crossing point was taken as a symptom of lessening tension in this divided city.

The Americans rushed up tanks to the wall last October during a dispute over Communist insistence that U.S. civilian officials show their credentials to East German guards when entering East Berlin. The Soviet Union matched the move and for more than three months the tanks and their crews were bivouacked within shooting distance of each othere. No shots were ever fired, however.

RETREAT A MILE

The Americans said they were pulling back their armor to Templehof Airport—about a mile and a half from the Berlin wall—to improve disposition of forces in the U.S. sector.

The Soviet tanks quietly slipped out of their bivouac in the ruins of a former royal palace near the Unter den Linden during the night, reliable sources said. It was not known whether they left East Berlin entirely or merely taken up new positions farther inside the city.

In a new demonstration of allied rights to the lifeline autobahn, a company of American troops today set out over the express highway for training in West Germany.

TO VISIT BERLIN

West German Chancellor Konrad Adenauer's office announced he will visit West Berlin in the near future. He is expected to stay only one day on a trip intended to reassert West Germany's political ties with West Berlin.

Four East Germans, including a border guard and a railroad policeman, escaped to the West in the night.

U.S. May Fire

(Continued From Page 1)

the moon and will mark the first landing of a "live" instrument package on the surface.

REDS FIRED SHOTS

The Soviet Union successfully launched two lunar vehicles in 1959. In Sept., Soviet scientists crashed Lunik II on the moon, but it relayed no data after striking. And on Oct. 4 they whirled Lunik III into a gigantic orbit around earth and moon and took the first pictures of the moon's far side.

The Soviet moon pictures were taken from a distance of 37,284 miles. The television camera in Ranger 3 is to operate when the spacecraft reaches within 2,400 miles of the moon and continue photographing down to an altitude of 15 miles. The pictures will be relayed to NASA's jet propulsion laboratory facility at Goldstone, Calif.

At 15 miles, Ranger 3 is to detach a 36-inch sphere. A small reverse rocket will fire to slow the speed of the ball from 6,000 miles per hour to about 80 m.p.h. before it hits the moon.

Inside the capsule is a seismometer and a radio transmitter designed to relay data to earth for 30 to 60 days. The highly sensitive seismometer will measure moonquakes and meteorite hits on the moon.

ATHENS, Greece (AP) — Iakovos, Orthodox archbishop of Athens and primate of all Greece, was enthroned today in Athens Cathedral.

Archbishop Iakovos succeeded Archbishop Theoclitos, who died Jan. 8.

MADRID, Spain (AP)—The noted Spanish poet Francisco Vighi Fernandez, 71, was buried at San Justo cemetery today. He died Wednesday after a five-year illness.

Kennedy

(Continued From Page 1)

budget. Without higher rates (including a 5-cent letter charge) to add to the anticipated big increase in tax collections, Kennedy's envisioned surplus would evaporate—barring major economy moves in other areas.

Many congressional Republicans — and some Democrats — were ready to demand greater economy and a bigger surplus in order to whittle down the record national debt, now nudging the $298 billion ceiling.

Anticipating this, Kennedy said a $463 million surplus would reflect "the best national policy." He said deficit spending might promote inflation while a larger surplus "would risk choking off economic recovery and contributing to a premature downturn."

SURPLUS IS CHANGE

A surplus as small as the one forecast by Kennedy would represent a big change from the indicated budget results for the current fiscal year which ends June 30. Kennedy said the current-year outlook is for spending of $89.1 billion, revenues of $92.1 billion and a deficit of $7 billion.

Defending in advance his proposed spending increases, Kennedy said all new ideas for additional outlays were reviewed in accord with "strict standards of urgency." He said that, in the name of economy, "many desirable new projects and activities are being deferred."

Even the defense program felt the economy ax. The Pentagon was allotted $48.3 billion for military activities and, while this represented a hike of nearly $1.5 billion over current levels, it was well below the combined requests of the separate services.

Incidentally, the military budget was recast this year to lump items according to various missions rather than by separate services. Because of this "unification" move, it was impossible to extract totals for the Army, Navy and Air Force.

$2.9 FOR AEC

In addition to Pentagon spending, $2.9 billion was earmarked for the atomic energy program, $1.4 billion for arms aid and $100 million for other defense-related activities. Thus total defense outlays were budgeted at $52.7 billion, or 57 per cent of all federal spending.

The military billions will provide, among other things, for two more Army divisions (making a total of 16), a start on six more Polaris submarines, additional bombers and fighters and more missiles of all types. At the same time, the total number of men under arms would be slated to drop from 2,825,000 next June 30 to 2,684,000 a year later.

Planned space spending of $2.4 billion in fiscal 1963 would include nearly $1.2 billion for manned space flights, including "some of long duration." The amount earmarked for manned forays would be up $700 million over this year's total.

OTHER INCREASES

Other significant increases were indicated for interest on the national debt (up $400 million to $9.4 billion), health, labor and welfare programs (up $400 to $5.1 billion), and education activities (up $400 million to $1.5 billion). Outlays for natural resource programs would be boosted by $200 million to a record $2.3 billion.

Economies were forecast in such fields as agriculture (if the new farm bill, not yet detailed, is enacted), commerce and transportation (down $400 million to $2.5 billion) and veterans benefits (down $300 million to $5.3 billion).

Most of the legislative proposals mentioned in the budget were 1961 retreads, such as aid to education, health care for the aged and tax incentives for business expansion. However, the message did encompass what Kennedy termed "some new proposals of high priority."

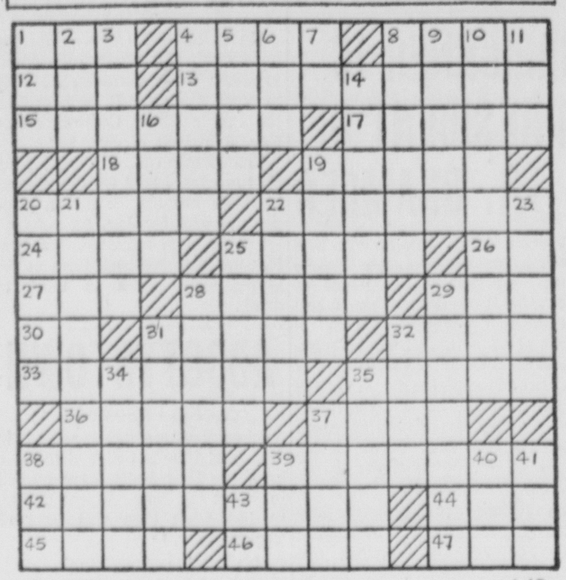

In this connection, he mentioned "improvements in education and scientific research," retraining of the unemployed, a program to give young people greater job opportunities, and aid to mass transit facilities in cities. The first-year cost of the transit plan was estimated at $15 million.

Kennedy's proposal to repeal the 10 per cent federal tax on rail, bus and boat tickets also was new and will be tied in with a special transportation program to be submitted later.

The President also called for the repeal next Jan. 1 of the 10 per cent tax on air fares. However, he would largely offset revenue loss by creating a new 5 per cent tax on air fares and freight charges plus increasing and expanding certain taxes on aviation fuels.

As in the past, the budget called for extension of present corporation and excise tax rates beyond their scheduled June 30 expiration.

Fight For Mayor Of Philadelphia

PHILADELPHIA (AP) — City Controller Alexander Hemphill says he intends to be a candidate when an election is held to pick a successor to Mayor Richardson Dilworth, who is resigning Feb. 12.

Hemphill announced his intentions Wednesday, but said he will not resign immediately.

The city charter requires the resignation of any official seeking election to another office Hemphill, however, said this only has to be done when nominating papers are filed.

Dilworth announced his resignation last Sunday, presumably to seek the Democratic nomination for governor. Council President James H. J. Tate succeeds Dilworth as acting mayor. He has indicated he will seek the Democratic nomination.

TO FREE MAN ON MISTAKEN CONVICTION

HARRISBURG (AP) — Willie Comer, a 21-year-old painter from Harrisburg, will become a free man again Friday after spending the past four-months in jail on a mistaken conviction of robbery.

Comer was handed a 2-4 year sentence at Eastern State Penitentiary in Philadelphia last August after he and two others were found guilty of taking part in a $250 holdup at the C & D Cafe here.

However, local authorities unveiled new evidence this week revealing his innocence.

Judge Homer L. Kreider of Dauphin County Court, who imposed the original sentence, said Wednesday night Comer would be released on a writ of error coram nobis, defined as an error in prosecution. Kreider said witnesses wrongly identified Comer.

DEFENDANT CONFESSES

Comer's innocence first came to light last month when one of the other defendants, Dewitte Brown, 25, of Harrisburg, wrote Dauphin County Dist. Atty. Martin H. Lock that Comer had nothing to do with the robbery.

Brown, who was sentencede to a 3-6 year prison term, implicated Harold L. Edwards, 19, also of Harrisburg.

Edwards was brought to trial last week and immediately testified he—and not Comer—was the third man in the holdup. Edwards was acquitted after claiming he was unaware the other two men were planning the robbery.

MARMET, W. Va. (AP)—An elderly grocer, his housekeeper, and her two children perished early today in a fire that burned his four-room frame home to the ground near Emmons.

The victims were Albert Graley, 75; Martha Gilliepie, 32, who made her home with the widower, and her children, Sue, 12, and Tommie Lee, 7.

Veteran Trojan Cagers Oppose Warriors Here Friday In SP Contest

Tall, talented Chambersburg High, bent on moving into a tie for first place with Carlisle, comes here Friday evening to meet the Gettysburg High Warriors in a South Penn League engagement.

A victory by the Trojans here will give them and the Herd 3-0 records to set the stage for the first-half title game next Tuesday when they collide at Chambersburg.

The Trojans were preseason favorites to win the SP title this season until Carlisle surprised with its 13-0 mark to date. However, many believe that Chambersburg will still take the honors.

Coach Lowell Schlicter's outfit has compiled an 8-3 record to date and sports a three-game winning streak.

SEVEN LETTERMEN

Seven Senior lettermen are the nucleus for the Trojan squad. They include Gary Faust 6-1, George Hanks 6-3, Jeff Martin 6-5, Paul Mills 6-1, Jack Mull 5-8, Carl Watson 5-11 and Carl Walter 5-10.

Stopping the Trojans would be a very difficult task for the Warriors who have a 1-8 mark to date. However, the Forneymen will go all out in an effort to spring an upset.

At 6:45 the junior varsities will meet.

The Gettysburg Junior High teams, each team with a 2-1 mark, journey to Hanover Friday evening to meet the Falcons in a SP twin bill.

BATTLE FOR LEAD

Top game in the Adams-Franklin League Friday night sends Greencastle to Scotland. Each have 7-0 marks in the Franklin Division.

Other league games include St. Thomas at New Oxford, Littlestown at Quincy, Fairfield at Buchanan and Fannett-Metal at Bermudian.

Delone Catholic clashes with Shamokin at McSherrystown in a Central Penn Catholic League game. The Squires are 2-1 in the league.

Biglerville will be idle on Friday.

BANTAM TITLE TO BE CLEARED

By CARLOS GENEVIVA

SAO PAULO, Brazil (AP)—One of boxing's three disputed titles will be cleared up tonight and Brazilian fans think their Eder Jofre will emerge as the undisputed bantamweight champion in his match with Ireland's John Caldwell.

Jofre, a knockout puncher with 40 victories and three draws in 43 fights, is recognized in South America and by the U.S. National Boxing Association as world champ. Caldwell, 23-year-old boxer who also is unbeaten, holds the European version of the same world title.

There are dual claimants in both the middleweight and light heavy classes with Gene Fullmer and Terry Downes splitting the middle title and Archie Moore and Harold Johnson holding shares of the light heavy crown.

BOXER RETIRED

The bantam dispute arose after Mexico's Joe Becerra retired following a knockout by Eloy Sanchez in a nontitle fight, Aug. 30, 1960. Jofre was recognized after he stopped Sanchez, Nov. 18, 1960. Caldwell gained the European nod by whipping exchamp Alphonse Halimi March 30, 1961, and repeating last Oct 31.

Brazilian fans have made Jofre, 25, a top heavy favorite on the strength of a superior punching power. They think they spotted a chink in the Irishman's defense during his workouts. Jofre has stopped 30 opponents, including the last 10 men he faced. Caldwell has 12 knockouts in his 25-0 record.

The 15-round match is scheduled for 9 p.m. EST.

WESTMINSTER FOURTH

NEW YORK (AP) — Westminster, Pa., College which won 11 games in a row before losing to Pitt, has advanced from seventh to fourth place in the weekly Associated Press small college basketball poll announced today. Prairie View, Tex. (12-1) retained first place.

COBURN SCHOLARSHIP

STRATFORD, Ont. (AP) — A Shakespearean scholarship is being set up in memory of Charles Coburn by the Festival Theater here and the Avondale Playhouse, of Indianapolis, Ind.

The veteran actor died last summer shortly after an engagement at Avondale. The announcement of the award cites Coburn's "exceptional influence on classic drama and unparalleled devotion to the theater."

Two apprentices at Avondale will be chosen each season for a two-week study course at the Shakespeare festival here.

EXILED CUBAN PLANS MINOR LEAGUE TEAM IN FLORIDA

By FRANK ECK
The Associated Press

JACKSONVILLE, Fla. (AP) — When Bobby Maduro went to the bank to seek a loan, the manager asked:

"Do you have any credit?"

"No," replied Maduro, "but I can paint a good picture of Castro."

The picture, of course wouldn't be worth one centavo around here where Maduro, 46, will operate the new Jacksonville Sun franchise in the International League.

The regime of Fidel Castro, Cuba's communistic dictator, has been charged with hundreds of executions and slayings. But in a baseball sense the big thing that Castro killed in Cuba has been the spirit of little boys who once played Little League baseball. There is none now.

The Cuban also confiscated billions, and about 8 million of his take belonged to the Maduro family. It was their entire fortune. And Salomon Maduro, Bobby's father who is 71, is seriously ill in New York.

MORE THINGS THAN MONEY

"I found out there are more important things than money," says Bobby Maduro. "It's having friends. I have no money but I am a millionaire in friends.

"When I was in New York and out of a job recently (Maduro owned the Jersey City franchise in 1961), Walter O'Malley (president of the Low Angeles Dodgers) called me. He put me on the Los Angeles payroll at a very substantial salary."

The figure is $1,000 a month, and it's not a loan. O'Malley always liked Maduro, and in Cuba's good economical years, Maduro recommended players to the Dodgers. One of them, Sandy Amoros, saved the 1955 World Series for Brooklyn.

It is permissible for a minor league team to work with two big league clubs, if one is in the American League and the other in the National. So don't be surprised if the Dodgers, in their drive to regain the pennant, send a few players to this new International League city for seasoning.

Maduro was one of the men who once made Little League baseball a wondrous thing in Cuba. The kids, in order to compete, had to have passing marks in school and a letter from home substantiating their good behavior.

LOST $6 MILLION

"What little I had I lost in Jersey City," says Maduro. "Fortunately, I found out in time it was better to have friends than to have money. I'm general manager of the Jacksonville team and I've made Sam Wolfson (once president of the Sally League) the team president. He has no money in the club but he helped me settle in Jacksonville.

"My dad lost close to $6 million, including a sugar plantation, the largest insurance company in Cuba and a $150,000 home. I lost close to $2 million, a small cattle business, a bus line, controlling interest in the ball park (Gran Stadium) and my $150,000 home."

Maduro has sent a number of Cubans to the majors, the most recent ones being Chico Cardenas, Elio Chacon and Tony Gonzales. He worked for years with Gabe Paul and the Cincinnati Reds. Now that Paul is Cleveland's general manager, Maduro's Jax team has a working agreement with the Indians. And Ben Geraghty, who managed winners at Louisville and Jacksonville when in the Milwaukee chain, has been whisked away from the Braves to manage the Jax Suns.

FINISHED LAST

In 1961, Jacksonville finished last in the Class A Sally League. That franchise has been shifted to Savannah. With Jacksonville graduating to the international League, baseball interest has been renewed here to such an extent that $100,000 in tickets were sold before the late November minor league meetings began in Tampa.

Jersey City was sixth in the IL in 1961, but with Cleveland aid, the financial backing of Walter O'Malley and the knowhow of Sam Wolfson and Bobby Maduro, this city figures to have a baseball about face.

JESSEE STILL WINS

HARTFORD, Conn. (AP) — When Trinity College defeated Colby 23-16 this season, it was the 130th football victory for coach Dan Jessee since fielding his Bantam eleven 29 years ago.

During that period, Trinity has lost only 53 and tied six under Jessee who holds the nation's longest unbroken head-coaching tenure at one college.

Detroit Gunning For Fourth Place

By THE ASSOCIATED PRESS

The Detroit Red Wings, benefiting from a New York nosedive, will be gunning for fourth place in the National Hockey League tonight when they visit Boston and the lowly Bruins.

A Detroit victory would vault the Wings into sole possession of the last playoff spot, and a tie would give them a share of it. Their match is the only one scheduled in the league.

The Red Wings, idle Wednesday night, remained just one point back of the Rangers, who lost their sixth straight and eighth in nine starts, 4-2, to Toronto.

Montreal retaining its two-point hold on first place with a 7-3 rout of Chicago.

DELONE FACES RUGGED 1962 SPORTS CARD

Announcement was made today of the 1962 baseball schedule and three 1962 football schedules for Delone Catholic High School, McSherrystown.

The schedules follow:

BASEBALL

March 29, Bermudian Springs, away; April 4, Spring Grove, home; 6, Kennard-Dale, away; 13, Westminster, pending; 16, Hanover, home; 17, Francis Scott Key, home; 26, Gettysburg, away; 30, York Catholic, away; May 4, Westminster, pending; 7, Hanover, away; 11, York Catholic, home; 14, Gettysburg, home; 17, Bermudian Springs, home; 23, Francis Scott Key, away.

VARSITY FOOTBALL

September 7, Hanover, away; 14, Lebanon Catholic, home; 21, Chambersburg, away; 28, Lancaster Catholic, away; October 5, Carlisle, home; 12, St. Francis, home; 19, York Catholic, away; 26, McDevitt, home; November 9, Dematha, at Hyattsville, Md.

JAYVEE FOOTBALL

September 20, McDevitt, home; 26, Chambersburg, home; October 1, Biglerville, away; 11, Bermudian Springs, away; 18, Carlisle, away; 29, Scotland, home; November 5, Hanover, home; 8, Westminster, away.

FRESHMEN FOOTBALL

September 20, Faust, at Chambersburg; 26, York Catholic, away; October 4, Chambersburg Central, home; 10, Edison, home; 17, McDevitt, away; 25, Carlisle, home; November 1, Scotland, away.

MOUNT HOSTS RIDER FRIDAY

Mt. St. Mary's College (10-2) will go after its fifth straight basketball victory Friday evening when it meets Rider College of Trenton, N.J., at Emmitsburg. Game time is 8 o'clock.

Friday's game marks the sixth clash between the Mountaineers and Broncs with Rider holding a 3-2 edge in the series. Last year the Mount won easily 94-64.

Following the clash with Rider, Coach Jim Phelan and his squad will go to Philadelphia Saturday for their big test with St. Joseph's (7-5) which will be the first game of a doubleheader in the Palestra and will start at 7:30 o'clock.

Dick Saylor, 6-9 Sophomore, may be able to see part-time duty for the Mount. He has been out of action due to a leg ailment.

Eisenberger Is Archery Leader

Larry Eisenberger led the men of the York and Adams Archers for the third week when the weekly indoor shoot was held during the week at the York and Adams County Game and Fish Association farm near Abbottstown. Emma Jamison topped the women. Thirty-three archers participated.

The results:

Instinctive Men: XA — Kermit Bechtel 684, Dan Shank 657, Harold Hoke 650, Harold Cool 511; XB — Pat Heffran 613, Charles Haner 603, Clair Jamison 582, Sterling Mummert 544; XC—Wilmer Hankey 492, F. Hughes 475; GD—Robert Forsythe 424, Ralph Wentz 391, Kenneth Ness 350, Walter Raver 311, John Feeser 301, John Durham 132, Calvin Yohe 117, C. E. Michael incomplete.

Instinctive Women: XC—Emma Jamison 468, Estella Shank 321; XD—Effie Eisenberger 380, Marie Hankey 262, Mary Ness 81.

Free Style Men: XAA—Larry Eisenberger 742, George Miller 716, John Snyder 713, William Harner 649; XA—Jim Kane 634, Charles Doll Jr. 574; XB — Joe Clingan 551; XD—Lon Latshaw 442, Eugene Bankert 393.

Junior Boy—Tom Zigler 480.

Baseball Talk In Snow

Minnesota Twins manager Sam Mele, right, and club president Calvin Griffith stand on steps of Metropolitan Stadium dugout and look over the snow-covered field in St. Paul-Minneapolis. Mele came to town to complete plans for coming season. Twins start spring training in less than a month in Florida. (AP Wirephoto)

NCAA CHANGES SEVERAL RULES ON GRIDIRON

MIAMI BEACH, Fla. (AP)—The rules of college football got a minor touchup but no major alterations this year from the NCAA rules committee, which keyed its efforts toward curbing injuries.

The committee left unchanged the existing substitution rule after considering coaches' requests for permission to use as many as three "wild card" subs.

Fritz Crisler, former Michigan coach who served as acting chairman, said he believed most coaches would find the committee's actions acceptable.

"The small colleges favor one rule, the universities like another," Crisler said. "I think, however, the majority do not want free, unlimited, unrestricted substitution."

ADJOURNED MEETING

The committee adjourned its three-day annual meeting after holding a special session Wednesday night to consider the substitution rule.

One other action came out of the night session, however—a decision to request stricter enforcement of a rule against piling on a tackled player.

The committee left unchanged the regulations governing player equipment. It said that before changes are authorized, a thorough assessment should be made of numerous player-injury surveys now under way or completed.

Crisler said the chairman of the NCAA injury committee, Ernie McCoy of Penn State, will be asked to survey all studies on football injuries, including one done by the Army, one by Cornell and Michigan and others.

More rigid enforcement was asked of rules against clipping, and words or signals that would rattle a team preparing to put the ball in play.

PENALTY REDUCED

The penalty for illegal shift was reduced from 15 to 5 yards to make it equal to the illegal motion penalty.

A team kicking the ball will be authorized to touch it within the opponents' 10-yard line and make it dead. Previously, such action was ruled a touchback and the ball was brought out to the 20.

The committee boosted from 5 to 15 yards the penalty for violating a rule that a forward pass or place kick held by an opponent cannot be kicked.

The committee retained the college rule that a visiting team has to change jerseys if need be to contrast with the home team, but decreed that in high school football the home team must make the change. Formerly the change was obligatory on visiting teams of high schools as well as colleges.

Expect Big Crowd For LaSalle Game

One of the highlights of the local collegiate basketball season will be the clash between Middle Atlantic Conference power, LaSalle and Gettysburg, Saturday night in the Bullets' new physical education building.

A capacity crowd is expected to jam the new gym for the single game starting at 8 p.m. Henry T. Bream, Gettysburg athletic director, stated there has been a big demand for tickets but there are many choice seats still available for the clash.

The contest will pit two of the conference's top scores. Ron Warner, Gettysburg ace, is averaging 24.0 points per game while Bob McAteer, LaSalle, is clipping along at a 22.7 per game pace. The Bullets are 7-3 on the season and 2-1 in MAC play. LaSalle has an 8-3 season mark and is 2-0 in conference competition.

Scotland Downs Fairfield Girls

The Fairfield High School girls' basketball team dropped a 54-32 decision to Scotland at Fairfield on Wednesday.

Blank led the winners with 39 points while Willett tallied 20 for the losers.

Scotland	G	F	P
Blank	18	3- 4	39
Spittler	4	1- 4	9
Jones	2	0- 2	4

Fairfield	6	6	9	11—32

STROUSE TOPS FROSH CAGERS

George Strouse, Norwich, Conn., former Norwich Free Academy co-captain and all-conference player, is dominating the scoring on the Gettysburg College freshman basketball team following the first 10 games of the season.

Strouse has rammed through 228 tallies for a 22.8 average, far ahead of runner-up Charles Gault, Mechanicsburg, who has scored 79 points. Strouse has landed 98 of his 206 field attempts for 48 per cent and 32 of 45 foul tries for 71 percent. Strouse, who stands 5'11", is also second in rebounding with 62 grabs for a 6.2 average.

TOP REBOUNDER

Roger Ecker, 6'3" former Gettysburg High School athlete, is leading rebounder with 90 for a 9.0 average. Ecker is the team's third top point producer with 68 tallies.

The Gettysburg yearlings are on the short end of a 4-6 record during the first half of the season. The four wins have been over F&M, Dickinson, Bucknell and Hershey Jr. College. The six setbacks came at the hands of York Jr. College, Albright, Navy Plebes, Bucknell, Lehigh and Lebanon Valley.

The frosh will be idle until January 31 due to mid-year examinations.

Jerry West Scores 63 Points In Game

By THE ASSOCIATED PRESS

Jerry West's sensational scoring Wednesday night, topped by only two men in the history of the National Basketball Association, stole the thunder from the usual NBA leaders, the Boston Celtics and Wilt Chamberlain.

The 6-foot-3 Los Angeles backcourt star, an NBA sophomore from West Virginia, scored 63 points in the Lakers' 129-121 victory over the New York Knickerbockers.

Only Chamberlain and Elgin Baylor, West's Los Angeles teammae now in the Army, have beteren the mark. Baylor had a high of 71, and Chamberlain, Philadelphia's giant scoring machine, has 73 in regulation time and 78 in triple overtime.

West's previous high was 47.

In the other games, Boston took a 126-116 come-from-behind victory over Detroit and Philadelphia took St. Louis 136-130 in overtime in a doubleheader in Detroit.

GROAT SIGNS

PITTSBURGH (AP)—Shortstop Dick Groat is signed for his ninth season with the Pittsburgh Pirates.

The former Duke University basketball star returned his 1962 contract Wednesday.

Groat led the National League in batting with a .325 average in 1960 when the Pirates won the World Series but slipped to .275 last year.

In Italy the industrial force is concentrated in the Milan-Genoa-Turin triangle.

SEEK FOOTBALL FRANCHISE IN HARRISBURG

HARRISBURG (AP) — A syndicate of Harrisburg sports enthusiasts filed a formal application today for a franchise in the infant United Professional Football League.

Bob Spitler, spokesman for the syndicate, also assured league officials his group had the necessary $50,000 capital on hand to field a team for the 1962 season.

A press luncheon is scheduled here next Wednesday, at which time league President George Gareff of Columbus, Ohio, probably will announce a decision on the Harrisburg application.

Should Harrisburg be accepted, it would become the eighth club in the Triple A circuit. Spitler said negotiations already are underway for use of the giant stadium in nearby Hershey.

USE HERSHEY STADIUM

He quoted Hershey officials as saying they would be willing to discuss use of the 16,000-seat stadium, providing suitable scheduling can be worked out.

Spitler refused to name any of the other backers in the syndicate, but it was reported they all are prominent Harrisburg area businessmen.

The seven cities already in the league include Indianapolis; Akron, Ohio; Cleveland; Columbus, Ohio; Grand Rapids, Mich.; Louisville and Chicago. All but Chicago played last fall.

Practically all the teams are stocked with players cut from National and American Football League teams who farm out their talent for further seasoning.

SEE FOOTBALL AS TOP SPORT

By BEN OLAN
Associated Press Sports Writer

NEW YORK (AP) — Baseball Commissioner Ford Frick insisten on today he is not alarmed over the rapid rise of professional football, but urged major league clubowners and the rules committee to do something about "pepping up the game.'

"What baseball needs is few delays and home runs and more snappy plays and stolen bases," Frick said. "Not enough is being done in this respect."

His comments were prompted by the results of an Associated Press poll. In the balloting by 215 sportswriters and broadcasters, 109 voted "yes" to the question "will professional football in 10 or 20 years replace baseball as our national pastime?" there were 106 dissenters.

ALREADY IS TOP

In addition, 25 voters insisted that pro football already has knocked baseball out of the box as America's No 1 sport while another 15 predicted the grid game will take over in fewer than 10 years.

"I'm not alarmed that pro football is going to take baseball's place," Frick said. "We did have a slight decrease in major league attendance (5.6 per cent) last season. But don't forget that 30 million people watched professional baseball games and that the game is being played in more high schools and colleges than ever before."

Female Track Star 10 Pounds Heavier

LOS ANGELES (AP) — Ten pounds heavier and fighting a head cold, Wilma Rudolph Ward, Olympic triple gold medal winner, is training here for Saturday night's invitational indoor track meet in the Sports Arena.

She flew in Wednesday night from her home in Nashville. Accompanying her were her Tennessee A&I teammate, Jean Holmes; Coach Ed Temple and broad jumper Ralph Boston.

Wilma and Miss Holmes are entered in the 60-yard dash.

"I plan to win," said Wilma, a recent bride. She admitted that she gained weight during the winter on the banquet circuit.

BARONS IN 1ST PLACE IN AHL

By THE ASSOCIATED PRESS

The Cleveland Barons have gained a share of first place in the Western Division of the American Hockey League, but they had to survive a fight of near-epic proportions to do it.

The Barons moved from third to a tie for first in the jammed-up west on the strength of an 8-3 verdict over Pittsburgh Wednesday night in a game which produced 4 hours and 28 minutes in penalties.

Most of the penalties were produced in a brawl late in the third period. It started when John Ferguson of the Barons and Gary Collins of the Hornets were sent to the penalty box on roughing charges.

FIGHTING IN BOX

Before play resumed, Ferguson and Collins started fighting in the penalty box. Players on the ice joined in the scrap and were soon joined by their mates on the bench. It was finally quelled by the officials and three policemen.

Freddy Glover had three goals and Wayne Larkin two in Cleveland's swift attack that forced Pittsburgh goalie Roy Edwards to make 57 saves.

The victory pulled Cleveland past Buffalo and into a tie with Rochester, both idle Wednesday night. Buffalo trails the leaders by a single point.

Eastern leader Springfield clipped Hershey 2-1. The victory gave the Indians a 12-point lead. Their biggest margin of the season. No other game was scheduled.

Bill McCreary's 13th goal of the seaesc was the winner for the Indians. Pete Conacher scored for Hershey and Kep Douglas for Springfield.

WARNER KEEPS EDGE IN CAGE STATISTICS

Ron Warner the 5'10" sparkplug from York, continues to dominate the Gettysburg College basketball statistics following the first 10 ball games of the season.

Warner has rolled up 240 points for a 24.0 average per game. He has dunked 96 of 182 field shots for 53 per cent and ripped the cords for 48 of 62 foul attempts for 77 per cent. Warner is also the team's leading rebounder with 77 grabs for a 7.7 average.

Bob Parker, the 5'9" field general from Yeadon, is running a close second in the scoring department. Parker has tallied 172 points for a 17.2 average. He has connected on 77 of 170 field attempts and 18 of 30 free throw tries. Warner and Parker have recorded a combined total of 412 of the Bullet's 670 points.

Bruce Simpson, Sunbury, has registered the second highest rebound total with 70 for a 7.0 average and Roger Gaeckler, Glen Rock, is third with 55 or a 5.5 average.

Warner and Parker are both nearing another milestone in their careers. Warner has rammed through a career total of 1,463 points and needs 37 more to reach his 1,500 total. Parker has rolled up 975 tallies and needs only 25 more to become the fourth player in the history of the college to hit the 1,000 point mark.

Both cagers will get their chancee to reach the figures Saturday night when the Bullets play host to a powerful LaSalle outfit. Gettysburg will then tangle with Rutgers in the new field house on January 27.

Bob Hulton's Orange and Blue cagers have rolled up a 7-2 record prior to the midyear exams.

JETS' FUTURE IS DISCUSSED

By THE ASSOCIATED PRESS

The American Basketball League still awaits word on the future of the Los Angeles Jets.

A meeting between Jet officials and ABL officials was scheduled to continue today. A spokesman said there is "a good possibility" that the Jets will remain in the league.

The meeting was called to revamp the schedule in an attempt to help the club financially.

Two of the Jets' home games, scheduled Friday and Sunday with Hawaii, have been postponed. And in Cleveland, a spokesman for the Pipers said a doubleheader scheduled for Youngstown, Ohio, tonight, has been canceled.

New York was scheduled against Pittsburgh and Los Angeles against Cleveland in that one.

In games Wednesday night, Pittsburgh whipped Cleveland 107-97 and Chicago toppled New York 111-95 in a doubleheader at Cleveland, and San Francisco took Hawaii 109-92.

Glenn Hall Gets Car; Loses Game

CHICAGO (AP) — It was goalie Glenn Hall night in Chicago Stadium Wednesday night — and again it wasn't.

The 30-year-old Hall made his 500th consecutive appearance in the nets for the Chicago Black Hawks in a National Hockey League game.

But it just wasn't Hall's night. The Montreal Canadiens won 7-3, registering the most goals Hall has permitted an opponent on home ice this season.

It was rather embarrassing for Hall. Just before the game the Hawks management had a new black, sporty auto driven onto the ice and the keys were presented to the surprised goalie.

TO QUESTION BONUSES PAID FOR SCHOOLS

HARRISBURG (AP) — Pennsylvania lawmakers examining Gov. Lawrence's proposed billion dollar budget for 1962-63 had a $20 million puzzler on their hands today.

The question involves the amount of bonuses paid school districts for complying with certain reorganization programs adopted by the state over the past half a century. It cropped up Wednesday during testimony from state education officials.

What everyone wants to know is: Will the state continue to pay these bonuses when the compulsory reorganization law adopted last year goes into effect in July, 1965?

There's no answer right now, representatives of the State Department of Public Instruction testified. They claimed it will be up to a future legislature to decide the issue.

As of now the state is paying two bonuses—one to school districts and the other for closing schoolhouses. The latter dates back to 1911.

ENCOURAGE BUILDING

The merger-jointure bonus currently costs the state about $16.5 million a fiscal year. Gov. Lawrence has recommended $17.3 million for this purpose in the 1962-63 budget.

The closed school bonus—$200 per school building—originally was designed to encourage the elimination of one-room school houses.

D.P.I Superintendent Charles H. Boehm advised the committees that there are only 118 left.

It was brought out, however, that any school building closed—one-room or multi-rooms—is eligible for the $200.

The department concluded its discussion on its $487.4 million budget and the committees wound up their week's schedule of hearings with the Department of Public Welfare. The hearings will resume Monday.

BUDGET HAS $55 MILLION IN IT FOR PA.

By JOHN KCENIG JR.
Associated Press Special Service

WASHINGTON (AP) — Appropriation of $24.8 million for continuing construction of the Allegheny River reservoir at Kinzua, Pa., was recommended today in President Kennedy's budget for the year starting July 1.

The project's appropriation for the current year was $15 million.

The requested Kinzua appropriation brought total funds recommended for projects in and bordering on Pennsylvania to upwards of $55 million.

CUT DELAWARE SUM

The increase in the total occurred despite a sharp reduction in funds proposed for continuing the Delaware River dredging project. In the current year, this project received $12 million. Kennedy's new figure for the channel deepening for the coming year is $4.5 million.

The reduction reflects progress being made on the project, which consists of deepening the Delaware channel to 40 feet between Philadelphia and a point just below Treneton, N.J., and to 35 feet at Trenton.

The project is scheduled to be 89.5 per cent completed by June 30, 1963. After that only $7.8 million additional will have to be appropriated to finish the $76 million deepening.

40 PER CENT COMPLETE

The budget also includes $750,000 for improvement of the Delaware River channel between Philadelphia and the Atlantic. Another $1,484,000 would be needed to complete this project.

The Kinzua flood control dam would be 40 per cent complete with expenditure of the budget allocation for the coming fiscal year.

Another $67.6 million will be needed in future years to meet the estimated total cost of $114 million.

The proposed north branch Susquehanna River Dam, Curwensville, Pa., on which planning was completed recently, would get $5 million for construction under the budget recommendations. This would bring the $21.1 million project to 32 per cent of completion.

CONTINUING PROJECTS

Other continuing Pennsylvania projects for which sizable allocations were recommended include the Maxwell locks and dam, $7,800,000, and the Shenango River reservoir, $7,600,000.

These appropriations would bring the Maxwell project to nearly two-thirds completion and Shenango to near half completion. The Maxwell total cost is expected to be $32.4 million and Shenango $30.6 million.

A sum of $1,220,000 is recommended for deepening Erie Harbor, which would nearly complete that project, along with $385,000 proposed for rehabilitation of Erie Harbor. Also recommended is $186,000 for Presque Isle peninsula.

OTHER RECOMMENDATIONS

A flood control project on the Connoquenessing Creek at Butler, Pa., would receive $700,000.

Other budget recommendations for construction include:

Bethlehem, $1.3 million; dam 4, Mongahela River, $500,000) Ridgway, $241,000; and Turtle Creek, $1,300,000.

Planning: Blanchard Reservoir, $350,000; Latrobe, $75,000; Tioga-Hammond, $100,000.

Surveys: Sandy Lick Creek, DuBois, $5,000; Sawmill Run, Pittsburgh, $35,000; Susquehanna River Basin, $300,000.

New Weapon May Destroy All Of Earth

By FRANK CAREY

WASHINGTON (AP) — The grim concept of an asteroid bomb —a continent-shattering weapon produced by diverting a tiny planet from its orbit so it would strike the earth—was introduced today by a space scientist.

Dandridge M. Cole of General Electric's missile and space vehicle department said such a cataclysmic weapon might be developed sometime after 1970.

The theory involves using a Nova-class rocket to carry a crew of men or remotely controlled devices to one of the "close-approach" asteroids whose orbits sometimes carry them between the earth and the planet Mars.

KICKOUT OF ORBIT

The idea would be to explode a number of hydrogen bombs on the surface of the asteroid in such a way that the tiny planet would be kicked out of its orbit and pushed toward the earth—striking with the force of several million megaton-type H-bombs.

In a report prepared for the eighth annual meeting of the American Astronautical Society, Cole said:

"This unusual weapon system shares with the biological weapons the possibility for masquerading as a natural catastrophe. The attacker could hope to escape blame and retribution froom surviving retaliation forces."

He said that "while such an irreverent meddling with cosmic forces may seem highly implausible or even impossible on superficial examination," such a system should be feasible with rockets expected to be available in the post-1970 era.

U.N. SECRETARY SEEKS TO FREE GUINEA ISSUE

By TOM HOGE

UNITED NATIONS, N.Y. (AP) —Acting Secretary-General U Thant pressed a peacemaking effort today to bring The Netherlands and Indonesia together for negotiations to settle their dispute over control of West New Guinea.

Thant cabled identical appeals to Indonesian President Sukarno and Dutch Premier Jan de Quay to accept his services as go-between. He asked both to hold off from any drastic action in retaliation for Monday's naval clash off the coast of New Guinea.

ATTACK JAN. 15

"I earnestly appeal to your excellenecy and your government," Thant's cables said, "to refrain from any precipitate action following the clash of naval vessels which took place on 14 January. (The attack actually occurred on Jan. 15). I would also request that your permanent representative in New York be instructed to discuss with me the possibilities of a peaceful settlement of the whole question in conformity with the purposes and principles of the charter of the United Nations."

Later Thant talked with Dutch Ambassador C. W. A. Schurmann and Indonesian Ambassador Sukardjo Wirjopranoto. Informants said he notified them formally of his cables to their governments.

Sukardjo told newsmen that Indonesia was "flexible." He added, however, that his government favors negotiations only if the Dutch government commits itself in advance to transfer administrative control of the disputed territory to Indonesia.

IS OPTIMISTIC

An informed source said he expected the Dutch reaction to Thant's overture to be favorable.

De Quay cabled Thant Tuesday that his cabinet had expressed readiness as early as Jan. 2 to negotiate with Indonesia "under your auspices and without any preconditions."

A dispatch from Jakarta said Sukarno's cabinet was pinning its last hope of avoiding war on the U.N. chief. The cabinet was said to feel that Thant alone could manage to bring Indonesia and The Netherlands to a conference table — something the United States and other big powers have been unable to accomplish.

In ancient times Bizerte, Tunisia, then known as Hippo Zarytus, waged continuous war with Carthage. Both cities fell before Roman legions in the 2nd Centure B.C. and were absorbed into the Roman Empire.

Now-
Ford frees you forever
from the expense and bother
of frequent car servicing.
Twice-a-year maintenance is here-
and only the cars from Ford
have it!

1 2 0 0 0 Y

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; some every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

When you own a '62 Galaxie or Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change, or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing engine coolant-antifreeze. Brakes adjust themselves.

Why buy a service headache when Ford is ready with the cure? See your Ford Dealer—and see how close Ford has come to the fill-it-and-forget-it car!

PRESIDENT OF AUTO FIRM IS UNDER ARREST

SOUTH BEND, Ind. (AP) — Sherwood H. Egbert, president of Studebaker-Packard Corp., accused by a striker of offering to fight in front of the company's plant, was arrested on a disorderly conduct charge Thursday night.

The executive, 41, made no comment on his arrest, but a company spokesman denied that a challenge was issued.

Egbert was released on $50 bond with a hearing scheduled today in City Court.

STRIKE CLOSED PLANT

The Studebaker-Packard plant has been shut down by a United Auto Workers strike since Jan. 2.

Gloyd Richards, 40, a truck driver who has been employed by the auto manufacturing firm 21 years, swore out the affidavit against Egbert, and prosecutor Patrick Brennan of St. Joseph County signed it.

CALLED "EXAGGERATED"

Richards alleged in the affidavit that Egbert challenged him to physical violence at the picket line in front of the plant. Richards said he was not on picket duty at the time but was taking pictures. He said he had served as a picket last week.

Witnesses said about 25 pickets were walking back and forth in front of the plant's main gate when a car carrving Egbert and other executives was stopped as they tried to leave. Egbert got out of the car at that time.

C. M. MacMillan, Studebaker-Packard vice president for industrial relations, who was present, denied that Egbert challenged anybody. He said the incident was "highly exaggerated."

The Temple of Diana at Ephesus, 35 miles from Izmir, Turkey, was one of the seven wonders of the world.

PRESIDENTIAL INSPECTION— Nationalist China President Chiang Kai Shek, center, and his wife inspect artillery equipment in Formosa.

3 HONORED BY CARNEGIE FUND FOR HEROISM

PITTSBURGH (AP) — Three Pennsylvanians, one of them a 13-year-old boy, were honored for heroism Wednesday by the Carnegie Hero Fund Commission.

Bronze medals and $500 cash awards went to William A. Miller, 13, of Easton for saving his 2-year-old brother from drowning, and to Albert F. Wadosky, 42, of Clairton and John R. Polcha, 51, of Port Vue for risking their lives in an attempt to save a fellow worker in a steel mill explosion.

The Miller boy saved his brother, David, last June 26. The boys were riding in a motor boat on the Delaware River with their father when the craft hit a submerged rock and capsized in deep water 115 feet from the river bank.

AT GREAT RISKS

William and his father clung to the boat, but David had vanished. Then William spotted him, floating beneath the surface some distance away.

William swam over and towed the boy back to the boat, where they remained until rescued.

The steel mill accident occurred last Aug. 31. The explosion at a nearby Dravosburg steel mill knocked Donald C. Elliott, 40, into a 10-foot pit surrounded by fire.

Wadosky ran to the pit and jumped to a roller carriage track about three feet from the bottom. Polcha came to his aid and together they lifted Elliott, who was badly burned, out of the pit. Despite immediate hospital care, Elliott died five days later.

The three cited here were among 38 persons in the United States and Canada granted awards by the Carnegie Commission.

TOKYO (AP) — The Japanese Postal Ministry today announced plans to lay an ocean telephone cable linking Tokyo with Formosa, Hong Kong, the Philippines, South Viet Nam, Bangkok and Singapore.

"DREAM TRAIN" ON SUBWAY IS BIG NIGHTMARE

NEW YORK (AP)—The subway "dream" train—red carpet, draperies, flowers, and all—almost turned out to be a nightmare.

In a publicity stunt by the Junior Chamber of Commerce, three "dream" cars were hooked into a regular six-car subway train Wednesday on a round trip between Times Square and South Ferry.

But there were too many invited guests and the select passengers ended up in sardine fashion just like the usual rush-hour.

CHAMPAGNE, GIRLS

If you could raise your elbow to drink, there was champagne passed around by beautiful maidens, and a bar car to boot—if you could get near it.

The idea was to emphasize that people ought to keep the subway cars as clean as their living rooms.

Ordinary citizens, riding the six regular cars, did not seem impressed. Observed one: "Give me service, don't give me flowers and champagne."

CASEY TALKS ABOUT HIS JOB

MANCHESTER, N.H. (AP) — Casey Stengel has indicated that his job as manager of the newly organized New York Mets may not last too long.

The former Yankee manager also issued a warning that ball players picked up by the Mets won't be around long if they don't produce.

The 71-year-old manager spoke to 2,100 Wednesday night at the 14th annual Manchester Union Leader baseball dinner. He met a barrage of questions about the chances of his new National League entry.

"We've got nine starters," Stengel said, "and I plan to tell them that, if this is their last chance at playing regularly, they'd better step on the gas and really give their best."

TRAIN RAMS CARS

PHILADELPHIA (AP) — The Pennsylvania Railroad's Media local rammed a stalled station wagon in suburban Upper Darby Wednesday, injuring an expectant mother and her 5-year-old son. Mrs. Mary Maloney, 34, and her son, Michael, were treated for cuts and bruises at a hospital. A month ago the same train killed two pedestrians at the same crossing.

2 AMERICANS ARE MISSING NEAR VOLCANO

QUITO, Ecuador (AP)—Patrols were looking today for two men reported missing on the slopes of an active volcano in Ecuador. One of the men is the brother of an Ellwood City, Pa., woman.

The government said Wednesday that Frank Rocco, whose address was listed as North St. Petersburg, Fla., and Edward Robert Kaupp of Santa Barbara, Calif., were believed lost in heavy brush on the side of the 15,690-foot Sangay volcano.

The pair started on a photographic expedition a week ago. Officials theorized that the men might have been attracted by legends of buried treasure left by Aborigines in the area.

When Rocco and Kaupp reached the foot of the volcano, they told their four expert guides they planned to reach the crater and that they would return to the base the next day. However, the men were not there when the guides came back.

In Ellwood City, Mrs. Delores Carmacino, 31, Rocco's sister, said that Frank, 32, and another brother, Raymond, 30, wrote her last Dec. 23 that they found gold in a river in the jungles of Ecuador. The letter said in part: ". . . Ray is still in Tena, a small village in the jungles which we used as our base of operations for our expedition. . . . I'm in the process of getting a mining concession. . . . We found a big river that's loaded with gold in the jungle. Once I get the concession it is ours. I've got to raise some money to buy mining machinery. . . ."

The volcano is within the Andes range of Cordillera Oriental in Chimborazo Province

---

NEW YORK (AP)—A Brooklyn grand jury has decided there was no ground to indict anyone in connection with a reported offer of a $60,000 bribe involving the choice of the Democratic miority leader of the State Assembly.

The probe resulted from a statement by City Councilman Joseph T Sharkey that a builder offered him $60,000 to help get the minority leadership for Assemblyman Stanley Steingut of Brooklyn in 1958.

Steingut, who did not get the post, is still an assemblyman. He has denied knowledge of any bribe offer, and he charges a "political smear."

OFFER NEW LOW COST MEDICAL AID FOR AGED

CHICAGO (AP)—A new low-cost medical and surgical insurance plan for the aged has been announced by Blue Shield, a nationwide insurance program, and the American Medical Association.

The plan, announced Wednesday, would provide benefits for all persons over 65 for as low as $3 a month. It must be approved and worked out by the 69 Blue Shield affiliates and local and county medical groups.

The AMA said it is recommending that all state medical societies cooperate fully with their local Blue Shield affiliates to put the plan into operation as soon as possible.

FAVORABLE REACTION

First reaction from a few officials of medical groups was generally in favor of the program. Most officials withheld comment pending a study of the details.

The proposal, with one agreed upon less than two weeks ago by the American Hospital Association and the Blue Cross Association, completes organized medicine's answer to President Kennedy's plan to place health care for the aged under Social Security.

The AHA and Blue Cross agreed on a private hospitalization plan for retired persons over 65—to cost $10 to $12 per person a month—under which the federal government would be asked to pay the premiums for all those unable to do so.

ABILITY TO PAY

The principle of ability to pay, with the most assistance to the needy, is involved in both plans.

Blue Cross is a hospitalization insurance plan while Blue Shield covers specified medical services.

John W. Castellucci, executive vice president of the National Association of Blue Shield Plans, said the Blue Shield program will pay the full cost of medical-surgical services for a single person over 65 with an annual income of $2,500 or less and for a husband and wife with combined income of $4,000 or less.

He said enrollees with income above these limits could be subject to an additional charge at the discretion of the individual physician.

CHARGE IS CHEAPER

The cheaper monthly charge for Blue Shield is made possible, a plan spokesman said, by the willingness of physicians to lower their fees for the aged. This already is being done in several Blue Shield plans covering the aged, he said.

Castellucci said the plan would provide payments for anesthesia, radiation treatments, X-ray examinations and laboratory tests and pathology services, in addition to surgery, whether performed in a hospital or licensed nursing home.

The extent of coverage for doctors' visits in a hospital or nursing home has not been decided, Castellucci said, but the program expects to provide no fewer than 30 visits and maybe as many as 70.

Mitch Hits Modern Day College Student

ROCHESTER, N. Y. (AP) — Music man Mitch Miller, an alumni-elected trustee of his alma mater, the University of Rochester, is concerned about the attitude of some college students today.

"Perhaps depression parents are at faulty for taking the initiative from kids, for overprotecting them and showering them with material things we never had," Miller said in a talk at the university.

He wondered whether too many college students weren't going along just for the ride, enjoying the fun, glamor and stamp of respectability. He pointed out that too often the serious student is looked upon as an oddball, whereas the dilettante should be the one considered out of step.

DALLAS (AP) — John Quincy MacDonald, 89, a retired Army colonel and former vice president of the National Munitions Corp. of New York, died Wednesday.

INVESTIGATE COUNSEL FOR MILK CONTROL

HARRISBURG (AP) — Marvin D. Weintraub, chief counsel of the Pennsylvania Milk Control Commission, is under investigation by the State Justice Department today and reportedly may be asked to resign.

The probe was confirmed Wednesday by Atty. Gen David H. Stahl. Another high administration source, who declined to be identified, reported Weintraub would be asked to resign from his $10,000-a-year post or be fired.

The governor's office declined to confirm or deny the report.

The heated controversy centers on three checks amounting to some $450 paid to Weintraub by a western Pennsylvania milk dealer, the administration source revealed.

The checks allegedly were for legal services performed by Weintraub.

BACKED BY GREEN

A Philadelphian, Weintraub became counsel for the milk commission Oct. 19, 1958, with the backing of U.S. Rep. William J. Green, Philadelphia's Democratic chairman.

Stahl said the Justice Department investigation got underway last summer after the Revenue Department's Corporations Bureau audited accounts of the Farmers Delight Dairy of Leechburg in Armstrong County.

Farmers Delight already faces a milk commission hearing Jan. 30 on charges of selling milk at prices below commission - established retail minimums.

Stahl said commission records shower commission milk utilization fluctuated widely during 1961.

Utilization is the key to what a dealer must pay to producers for the milk he buys from them. The farmer's check depends on the percentage of milk that goes into the various uses. The milk commission in turn audits these use records.

According to commission records on the Dairy Delight firm, the use of Class I milk (drinking type) dropped from 52 per cent in January to as low as 32 per cent in June. Meanwhile, audits for June and July were discovered missing from the milk commission's file, the attorney general noted.

USAGE JUMPED

Following the start of the probe, the firm's Class I usage jumped to 73 per cent in August and 81 per cent in October, he added.

Stahl said the state's three milk commissioners are not involved in the probe. Gov. Lawrence added his vote of confidence at his weekly news conference, claiming he did not contemplate any changes in the commission and adding: "I think they are three honorable men."

The commissioners are Chairman Simon K. Uhl of Somerset, John A. Smith of Dickinson in Cumberland County and G. Emerson Work, former Fayette County commissioner

---

PARIS (AP)—The French government announced Wednesday night that it planned new measures to crack dow on right-wig Frech extremists fighting President Charles de Gaulle's Algerian policy. The terrorists replied with more bombs.

Eighteen plastic bombs went off in Paris and its suburbs during the night after the French Cabinet met to deal with the violent outbreaks sweeping Algeria and France.

A Cabinet spokesman said that the government would take the offensive against the right-wing Secret Army Organization—particularly in Algeria—but he gave no details.

CUNEO, Italy (AP)—This north Italian town of 3,000 people has nearly finished an up-to-date jail complete with reception rooms, central heating and modern plumbing in every cell. But it lacks one thing—enough convicts.

The jail has quarters for 400, but Cuneo's old jail has only 20 prisoners ready to move into the new one.

CHICAGO (AP) — Ralph B. Weaver, 62, passenger traffic manager of the Gulf, Mobile & Ohio Railroad since 1947, died Wednesday, apparently of a heart attack in his office in Union Station.

How to add years to your life

100

100 years ago the average American could expect to live about 40 years. Today—about 70. Modern sanitation, diet, drugs and medical practice have added 30 years to our life span. And note that 70 is *average*. Many die sooner. Many live longer. You *up* your chances of being a "longer" if you eat properly and get proper medical care. This means periodic check-ups by your physician. As pharmacists we are pleased to help by supplying the drugs your doctor prescribes—drugs unknown a century ago. We're so conscious of the effectiveness of modern medicine that we're shooting for a life span of 100 years.

How about you?

SAYS MEETING TO BOOMERANG

HAVANA (AP)—Fidel Castro says the Punta del Este, Uruguay, conference to open next Monday is a boomerang already turning against the United States.

Havana papers published today remarks the prime minister made to a group of visiting newsmn Tuesday about the inter-American foreign ministers meeting in Uruguay, where Cuba will be the No. 1 topic.

"The imperialists," Castro said, "will find themselves in a difficult position."

"Imperialism wants to set a precedent that no state and no people can change their social regime," he said. "This is something antihistorical, something absurd."

Reviewing the early stage of his uprising against President Fulgencio Batista, Castro said American and Cuban business companies gave money for the revolution only because "if they did not pay taxes for the rebel army no one could guarantee their plantations or industries would remain untouched."

A nationalization program was instituted after Castro ousted Batista.

ADVERTISE IN THE TIMES

NEW YORK (AP) — James Mathis, a Texas pianist in his middle 20s, received critical acclaim for his New York debut at Carnegie Hall Wednesday night.

Pianist Van Cliburn, a fellow Texan, attended the recital and made a brief welcoming speech from the stage. Mathis recently won the National Federation of Music Clubs Award established by Cliburn in memory of Theodore E. Steinway.

RUSSIA CALLS "GRASSROOTS" CONFERENCE

LONDON (AP)—Moscow radio reported a big conference of grass - roots Communist party leaders is under way in the Soviet capital to hear reports from the 22nd party congress held last year.

The broadcast said the gathering, which opened Wednesday, is being attended by officials of party central committees of the various Soviet republics, district party chiefs and district propaganda chiefs.

No advance inkling of the big huddle had leaked out, and there was immediate speculation in London that it might have been prompted by a continuing struggle between Premier Khrushchev and a hard core of Stalinists who feel that he is following too soft a line with the West.

HEAR REPORTS

The Moscow broadcast said the delegates heard reports on the tasks of party organizations for further improvement and perfection of organizational party work, implementation of the decisions of the 22nd congress concerning work with cadres and the public's participation in party work.

The broadcast added that the reports were being debated and the conference was continuing its work today.

The conference opening coincided with a new attack on former Foreign Minister V. M. Molotov, who had returned to Moscow Nov. 12 to fight a move to expel him from the Communist party after Khrushchev denounced him once again at the 22nd party congress.

The Soviet government announced Jan. 8 that Molotov would return to his post as Soviet delegate to the International Atomic Energy Agency in Vienna, indicating that he had successfully defended himself from expulsion from the party. But Pravda, the Soviet Communist party paper, denounced him anew Wednesday for waging "dogmatic and stubborn" opposition to Khrushchev's policy of peaceful coexistence with the capitalist nations.

"Dirtiest Town" In Pa. Wants Help

MEADVILLE, Pa. (AP)—The president of the Ambridge Borough Council wants the state to help clean up air pollution in his area.

President Florre J. Aquino called Ambridge "the dirtiest community in western Pennsylvania" and said citizens there and in other towns of southern Beaver County can catch dust, soot, and "black sugar" with their hands.

He testified Wednesday night at a public hearing on proposed regulations to control air pollution caused by incinerators and boilers. It was held by Victor H. Sussman, director of the State Health Department's division of air pollution and control.

USE TOY GUNS TO GET $10,000

PITTSBURGH (AP) — Police searched today for two masked men who used toy guns and a shopping bag in holding up a bank in Pittsburgh's Oakland section.

The men escaped Wednesday with an estimated $10,000.

Five employes were in the Union National Bank branch office when the pair entered just before closing time. One man covered three employes with a rifle while his accomplice, holding a pistol, forced the other two to put money from their cash drawers into a shopping bag.

Then the two men fled, yanking off the stockings they had used as masks. They were seen later entering an old car parked several blocks from the bank. Police found a discarded toy rifle and toy pistol which were identified by bank employes as the weapons used in the holdup.

William Good, manager of the bank, said the exact amount taken was not determined immediately but estimated it would be about $10,000.

PROBE MAZE OF TUNNELS FOR 2 LOST BOYS

CLEARFIELD, Pa. (AP)—Rescue workers probed, one by one, a maze of tunnels today in hopes that one of them might lead to two boys believed trapped by a rock fall in an abandoned clay mine some 15 miles south of Clearfield.

Sheriff James B. Reese of Clearfield County and State Mine Inspector Perry B. Gaddis led rescuers in searching the underground labyrinth opened Wednesday by a bulldozer.

The boys, Larry Husted, 10, of West Decatur and Wesley Lowe, 13, of Morgan Run have been missing since they entered the mine last Sunday.

MAY BE ALIVE

Burnt matches, bits of clothing and a bloodhound's yelping strengthened the belief that the boys were trapped behind the rock fall or buried under it.

One mining expert said there was a good chance the boys were alive if they were not killed by the rock fall.

Temperatures inside the mine were estimated at 45 to 50 degrees despite near-zero temperature outside and water seeping into the mine would be pure enough for drinking, he said.

STUDY OLD MAPS

Meanwhile, a special drill-rig 40 feet high, carved a hole 36 inches in dameter—large enough for a man—some 35 feet into the ground Wednesday night, but failed to connect with the tunnel where the boys were thought to be trapped.

Representatives of the companies which operated the clay mine 22 years ago studied the old maps, seeking a more exact location of the tunnel.

MOVIE STEERS FASHIONS TO CLEOPATRA

By LOUISE HICKMAN
Associated Press Fashion Writer

FLORENCE, Italy (AP)—Italian fashion showings for spring and summer today entered their last day with capes and a Cleopatra influence definitely established as parts of the new season's look.

Capes were shown in Rome, and at the historic Pitti Palace here Wednesday. Simonetta, Fabiani and Mingolini-Gugenheim gave them a big play. Only De Luca ignored them.

Mingolini-Gugenheim and De Luca also featured versions of high Nefertiti hats, named for the stiff crown worn by Queen Nefertiti in ancient Egypt.

MOVIE INFLUENCE

The Elizabeth Taylor movie "Cleopatra," now being filmed in Rome, obviously influenced the shows here. Houses have shown Egyptian makeup, Egyptian hairdos and Egyptian hats throughout the Florence collections.

The Mingolini-Gugenheim collection evolved from cocoon to butterfly design, largely through the use of capes. Cocoon capes and coats wrapped the models for street wear, and folded butterfly-wing capes enfolded them by night.

Many evening dresses had side juttings, or one-shoulder capes, or back-jutting rippling godet skirts.

The Mingolini-Gugenheim suits had short cutaway or bolero jackets and narrow skirts with a single front fold. Under the jackets were crisp silk blouses with butterfly bows or jabots.

Essentially, the Mingolini-Gugenheim models made up a customers' collection with lots of appeal for individual private clients but much too lush to be a pacesetter for mass-produced fashions.

The seated figure of Lincoln at the Lincoln Memorial in Washington is 19 feet high. It was carved from Georgia marble by the late Daniel Chester French. The statue is comprised of 28 blocks, fitted so perfectly they seem to be a single piece of stone.

Receives Suspended Sentence

Charles Van Doren and his wife leave Special Sessions Court in New York after he received a suspended sentence. The big-winning contestant on a TV show pleaded guilty to second degree perjury, admitting that he lied in testimony before a grand jury. (AP Wirephoto)

Churches In 50 Countries Unite In Mutual Prayers For Unity Of All Believers

By GEORGE W. CORNELL
Associated Press Religion Writer

NEW YORK (AP)—Protestants, Roman Catholics and Orthodox Christians joined today in a mutual prayer—for the unity of all believers.

An eight-day period, Jan. 18 to 25, was set for the concentrated devotions on the matter, in homes, meetings and special church services.

All three branches of the faith are participating, both in this country and abroad.

MORE EXTENSIVE

"The observance is more extensive than ever before," said the Rev. Titus Cranny, of the Graymoor Friars, Garrison, N.Y., assistant director of a church unity apostolate.

Faith and order departments both of the National Council of Churches in the United States and the World Council of Churches also are sponsoring the week.

They reported that churches in about 50 countries—Methodist, Lutheran, Anglican, Presbyterian, Eastern Orthodox, Congregationalist, Old Catholic and others—are taking part.

Among Roman Catholics, the week is sponsored worldwide by the Association Unite Chretienne, of Lyons, France. In this country, the Graymoors also are promoting their annual "Chair of Unity Octave."

Special emphasis is being put on participation by the laity.

Taneytown

TANEYTOWN —Officers were installed at the recent meeting of the Taneytown Volunteer Fire Co, Auxiliary. A covered dish supper was served before the business session.

Those installed by Mrs. Pat Kreitzer, of Manchester, were: President, Pauline Vaughn; vice president, Grace Rodgers; corresponding secretary, Louise Riffle; financial secretary, Virginia Fink; treasurer, Bessie Dougherty; trustee, Helen Overholtzer; historian, Ruth Baumgardner; color bearers, Emma Reifsnider and Ethel Harmon, and chaplain, Mollie Crouse.

Entertainment included a duet by Mr. and Mrs. David Reifsnider; a violin solo by Susan Jennings and a solo by Mrs. Utermahlon.

Guests were county auxiliary officers and their guests. A new member introduced was Mrs. Russell Eckard.

The next meeting will be held February 8.

AGREE TO JOB PROTECTION

NEW YORK (AP) — The New York Central and Pennsylvania railroads say they would welcome a later opportunity to discuss job protection with the Transport Workers Union.

TWU President Michael J. Quill said Monday the union would resist a proposed merger of the two roads unless there was "ironclad" protection of job security, seniority and retirement rights.

In a telegram to Quill Wednesday, A. E. Pearlman, Central president, and A. J. Greenough, Pennsylvania president, said there would be more than enough time for "orderly consideration" of the TWU demand.

GIANT MONOPOLY

Meanwhile, in Washington, Sen. Estes Kefauver, D-Tenn., chairman of the Senate Antitrust and Moopoly Subcommittee, said the proposed merger would be "a giant step toward railroad monopoly in the United States."

In a Senate speech, Kefauver urged that the interstate Commerce Commission defer decision on it and other major rail mergers "until a national merger policy and program with proper safeguards can be developed and put into effect."

Stabs Wife 40 Times With An Axe Pick

PHILADELPHIA (AP) — Alfred Timmons, 59, is being held on an open charge of homicide today accused of fatally stabbing his wife 40 times with an ice pick.

Police, summoned Wednesday by neighbors who became alarmed at the couple's loud quarreling, found Timmons' wife, Helen, 57, lying in a pool of blood in the dining room of their two story row home.

Police said Timmons boasted to them: "She browbeat me for 30 years. I tried to kill her and I'm glad she's dead."

Sgt. Richard McClelland said Timmons had been under a psychiatrist's care since retiring last year from the Atlantic Refining Co.

Patient Jumps Out Window To Suicide

MONT ALTO, Pa. (AP)—Franklin County Coroner John P. Manges ruled today that the death of an inmate at Samuel G. Dixon State Hospital here was a suicide.

Manges identified the victim as Stanley Rushinski, 55, Ashley, a tubercular patient who had been listed in critical condition. Rushinski jumped from a fourth floor window at the hospital Wednesday. He died of multiple fractures.

LANCASTER, Pa. (AP) — (USDA)—Cattle 100; good low choice slaughter steers 25.00, good feeder steers 23.50-24.55. Calves, hogs and sheep, not enough on sale to establish a market.

The U. S. Navy's Deep Underwater Nuclear Counting device can detect one atom of radium in a billion billion molecules of water.

BUDGET IN BRIEF

WASHINGTON (AP) — The fiscal 1963 budget calls for:

Surplus: A slim $463 million, replacing this year's $7 billion deficit.

Spending: $92.5 billion, up about $3.5 billion from this year. But receipts go up nearly $11 billion, to $93 billion.

Taxes: An 8 per cent tax credit to industry for new investment. Plug tax loopholes to offset the loss. Eliminate 10 per cent passenger tax on trains and buses next Jan. 1, but add aviation fuel taxes to compensate.

Postage: A boost in mail rates to raise $592 million.

Debt: A $10 billion hike in the "temporary" ceiling on borrowing to $308 billion, to accommodate a record debt load.

A million earthquakes shake our planet every year.

UN SAYS CONGO MUST CONTROL ROWDY TROOPS

LEOPOLDVILLE, the Congo (AP)—The United Nations says it is up to the Congo central government to bring under control rampaging Congolese troops who massacred 18 or 19 white Roman Catholic missionaries in the North Katanga town of Kongolo.

A spokesman said the U.N. has no troops anywhere near the area being terrorized by troops who reportedly were sent there by pro-Communist Antoine Gizenga in his recent bid for power.

The U.N., said the spokesman, is relying on Premier Cyrille Adoula's government to "investigate the reports (of the massacre) and restore its authority." In New York, the U.N. said Acting Secretary-General U Thant "feels certain that responsible Congolese authorities will exert every effort to ensure that those who are guilty of such an outrage will be quickly found and severely punished."

SEEMS INCAPABLE

However, the Congo government appeared incapable of establishing control in Kongolo or the rest of North Katanga. The central government also has no troops in the area. Kongolo was garrisoned by troops of Katanga President Moise Tshombe, but these withdrew when the Gizengist troops invaded from neighboring Kivu Province.

Fears rose for the safety of an estimated 20 missionaries still at their posts around Kongolo, which is the seat of the Catholic vicar apostolic in North Katanga 160 miles northwest of Albertville.

With Gizenga under virtual house arrest in Stanleyville, the tróops appeared completely out of control and taking orders from no one.

The idea of using satellites for communication was suggested by Arthur C. Clarke, a British science writer, as early as 1945.

4 Regional Offices Planned For Parks

HARRISBURG (AP)—The State Forests and Waters Department is planning to set up four regional offices to facilitate administration of Pennsylvania's state parks and recreational areas.

"Each of the regional offices will be staffed with experienced personnel who will administer the state parks in the four respective regions of the Commonwealth," department Secretary Maurice K. Goddard explained Wednesday.

The headquarters will be located at Sizerville State Park near Emporium, Muddy Creek State Park in Butler County, Shawnee State Park near Schellsburg in Bedford County and Tohickon State Park in northern Bucks County.

SAYS CONGO'S CRISIS MAY BE NEAR FINISH

WASHINGTON (AP)—Secretary of State Dean Rusk told senators today that if Katanga's Moise Tshombe keeps his agreements, Congo's political crisis "may be moving toward an end."

If the political settlement to which secessionist Tshombe agreed with Premier Cyrille Adoula of the Congo central government is carried out, Rusk said, the United Nations can turn from military efforts "to the peaceful task of restoring the economy of one of the wealthiest countries in Africa."

Rusk was the first witness at hearings by the Senate African Affairs subcommittee on U.S. Congo policy. He testified behind closed doors but a copy of his prepared statement to the subcommittee was made available to newsmen later by Chairman Albert Gore, D-Tenn.

WAS RIGHT CHOICE

Rusk told the group, which is an arm of the Senate Foreign Relations Committee, that in backing U.N. intervention "it seems obvious now that this was the right choice."

"The alternative to United Nations intervention would have been violence and chaos and a ready-made opportunity for Soviet exploitations — which the United States would have been compelled to counter," Rusk asserted.

"There was no alternative to limited intervention on the part of the United Nations if a direct confrontation of the great powers in the heart of Africa was to be avoided. Thus the United States strongly supported United Nations' action in the Congo. Looking back, gentlemen, it seems obvious now that this was the right choice."

Rusk delivered his testimony in a 29-minute executive session before hurrying off to the White House to a meeting of the National Security Council.

The group agreed unanimously Wednesday to start the hearings in executive session "because of the delicate nature of negotiations and developments in the Congo just now."

PICKET PLANES WATCH CUBANS

WASHINGTON (AP)—The Air Force said today that a detachment of long-range radar picket planes is operating along a patrol track roughly between Miami and Key West, "improving radar coverage to the southeast."

There was no elaboration on this reference, but it could mean that through radar the RC121 planes are keeping an eye on movement of aircraft and ships in waters approaching Communist Cuba.

The Air Force announced in November that it would activate the 966th Airborne Early Warning and Control Squadron, to be stationed at McCoy Air Force Base, near Orlando, Fla.

At present, a small detachment of men and planes from the 551st early warning wing at Otis Air Force Base, Mass., is flying the patrol.

The Air Force said that when fully operational, the squadron will have eight planes and about 650 men. The unit will be brought to full strength during this year, a spokesman said.

Since the end of World War II Dallas has constructed more office buildings than any other United States city except New York.

Name Secretary To Pardon Board

HARRISBURG (AP)—Atty. Michael T. Morris of Hummelstown R. 2, took over today as new secretary of the Pennsylvania Pardons Board, succeeding the late Frank R. Hean.

Morris, a graduate of Holy Cross College and the Dickinson Law School, was named to the $7,055-a-year post Wednesday. He is a member of the Dauphin County Bar Association and has been practicing law in the Harrisburg area for the past nine years.

The largest ant colonies are estimated to number a million or so inhabitants. The whole population would weigh about as much as a man.

Public Invited To Ten-Day Grand Reopening Of Kennie's Market

EXTERIOR OF KENNIE'S MARKET

INTERIOR OF KENNIE'S SHOWING FROZEN FOOD SECTOR AT RIGHT

ANOTHER INTERIOR VIEW OF KENNIE'S MARKET

Kennie's Market Holds Grand Opening Of Local Store; Has More Parking

(Continued From Page 1)

of Cleveland; Swift and Co., Harrisburg; Armour of Reading; Goetz, Esskay and Corkhill, all of Baltimore; Englehorn of Newark, N. J.; Hollingers of Bowmansdale and the Meadow Valley Abattoir.

NEW MEAT ROOM

The meat room accommodates seven full-time employes, including two meat cutters, two weighers and three wrappers. A new feature in the enlarged portion is the meat cutting trough which keeps the meat at even temperatures from the time it is taken out of the refrigerator until it is placed in the bins for the public. The capable and experienced meat cutter is James Plank. Included in the meat accommodations are two holding rooms, one for bologna and luncheon meats and the other for red meats. An extra attraction is the hugh glass window where customers may watch the meats being cut and prepared for sale.

The store has been remodeled to conveniently accommodate more customers, and to expedite the checkout services so there is little waiting in line at the cash registers.

Two new modernized checkout registers bring the total to four and each one is staffed by two employes, one to work the register and the other for bagging. Space at the register area is larger, giving the customer an added convenience. A feature of Kennie's is the carry-out service which permits an employe to devote his full time to carry groceries to patron's vehicles. Foust has also added many grocery carts to accommodate the increase in shoppers. Along with this are the much wider aisles that will permit two cards to pass side-by-side in a single aisle.

Mrs. Kenneth Foust is shown at the window where checks are cashed and empty bottles are returned for credit.

CARRY MORE ITEMS

The store is decked with larger and more shelves that now carry several hundreds new items of merchandise that the market was unable to handle before. The new produce display, triple-deck case which is 24 feet long and maintains the same temperature at all times, is the first of its kind in the east. It was designed after much study by Hill, Inc., of Trenton, N. J., and is reputed to be the most modern idea in produce merchandising.

The 24-foot addition to the 20-foot frozen foods display case makes for easy accessibility to all frozen products. All frozen foods are now departmentalized into one section for easy shopping convenience.

A new convenience for customers is the check-cashing and bottle return window located to the right of the front entrance. The accommodation will decrease the usual delay which resulted at the cash register for persons having checks cashed or the return of empty bottles.

The mystic green and sunshine yellow paint coupled with the fluorescent lighting and indirect heated floor all combine to provide modern convenience and comfort to the many customers through the first three years of business, Foust noted.

NEW STAMP MACHINE

Other interesting points of the modernized structure are the dial stamp machine which counts and produces the correct King Korn stamps in a matter of seconds. This is the only machine of its type in Gettysburg and nearby areas, Foust said.

Magic mirrors have been installed throughout the store. Mirrors are placed so that the entire store is in full view of any part of the store.

Throughout the 10-day opening there will be demontrations by representatives of various suppliers including: Esskay meats, Corkhill, Englehorn, Pet milk, Carnation milk, Luzianne coffee, Kraft foods and Nabisco.

The four principal figures in Kennie's Market are shown at an informal conference below. They are Mrs. Kenneth Foust, Mrs. Paul Hoover, Paul Hoover and G. Kenneth "Kennie" Foust.

STARTED IN 1943

Foust is president; his brother-in-law, Paul K. Hoover is vice president; Mrs. Hoover, secretary, and Mrs. Foust, treasurer.

Walter Plank is the store manager and James Dillman and John Pyle are in charge of the produce departments.

Foust started in the grocery business in 1943 in Chambersburg; was associated with three stores there, then one in Harrisburg and came to Gettysburg in 1958. He had two years training with Swift and Co. in the beef department at Ft. Worth, Tex. Hoover and his wife operated Foust's Chambersburg store, bought it in 1946 and came to Gettysburg in 1960. They were made officers of the corporation the first of this year.

Let Kids Make Their Own Peanut Butter Cookies

PEANUT BUTTER COOKIES are fun to make and eat.

By CECILY BROWNSTONE
Associated Press Food Editor

Kids love to use cooking equipment, and we're all for it. Why not have as much fun as possible during first kitchen adventures?

In our own kitchen, we've found that boys as well as girls enjoy using the electric mixer and blender, and they're mad about wielding a "gun" that "shoots out" cookies with a pattern.

One useful thing about such a cookie device is that it's impossible to waste dough. Any dough that doesn't come out perfectly can be scooped up from the cookie sheet and be packed back into the press again.

These peanut butter cookies make great after-school snacks. But one word of advice to prevent disappointment. If your youngster wants the cookies to have definite shape, tell them to choose the discs with the largest holes to use in the cookie device.

Children vary in their ability to use cooking equipment, but a preteener can usually manage a cookie device well.

PEANUT BUTTER CRINKLES

¾ cup sifted flour
1 teaspoon baking soda
¼ teaspoon salt
¼ cup shortening
½ cup peanut butter
½ cup firmly packed light brown sugar
½ cup granulated sugar
1 teaspoon vanilla
1 egg

Sift together the flour, baking soda and salt. Cream shortening and peanut butter with brown sugar, granulated sugar and vanilla. Beat in the egg. Stir in sifted ingredients. Chill about 10 minutes. Pack the dough (one-half at a time) into a cookie-shaping device, using desired disc, and press out cookies 2 inches apart on greased cookie sheet. Bake in a moderate (375 degrees) oven 8 minutes or until lightly browned. Makes 5 to 6 dozen medium-thick cookies.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — One of the most awful things about the federal budget—and it is awful if you're not good at arithmetic—is that it will monopolize Washington conversation for quite a while.

In two plump volumes President Kennedy at noon today unfolded for Congress the national budget, his estimate on the cost of running the government another year.

One of the most delightful things about Kennedy's budget, in a gruesome kind of way, is that it is supposed to be more simplified and streamlined than any budget of the past.

The only one likely to think so is the superintendent of a digit factory. Nobody could enjoy this budget, or any other budget, except an accountant. Having to read it is like being sentenced to frustration.

NEAR PEAK BUDGET

Many people in government, thousands, have been putting this estimate together since last summer.

The all-time peak for budget spending in any one year — $98,416,000,000 — was reached in 1945. That was the big, climactic year of World War II.

Kennedy's budget is expected to be around $92.5 billion, the highest of any peacetime year. It is for the fiscal year beginning next July 1 and ending June 30, 1963.

If this seems like a shocker, it needn't be. The cost of running the government has been going up. In the fiscal year ending next June 30 spending will probably top $89 billion.

IKE BUDGET DIPPED

The budget trend under President Dwight D. Eisenhower was up, too, although it dipped a couple of times. It has been that way ever since President Harry S. Truman's time when, after a post-war low point of $32,955,000,000 in 1948, there was an almost steady march up.

In the various departments and agencies of government, beginning last summer, officials began estimating their next fiscal year cost. Department heads went over the figures. They are supposed to cut where they can.

When all that is done, the figures go to the Budget Bureau, which not only is supposed to reduce dollars to pennies but insist that department heads justify every dime they say they need.

HAVE TO CUT IT

After that the President and his advisers go over the estimates. The final, finished bundle, covering everything from pencils to missiles, is what Kennedy hands Congress.

Then the fun begins. Some members of Congress have regular reflex actions every year when the budget arrives. This time, before he ever saw it, Rep. Clarence Cannon, D-Mo., announced as he has in the past: "We will have to cut it."

Cannon is chairman of the House Appropriations Committee which will divide itself up into a lot of subcommittees and then for months hold hearings to quiz government officials on why they need so much.

Taneytown

MRS. FLORA LEISTER

TANEYTOWN — Sunday dinner guests at the home of Mr. and Mrs. Wilford Smith, Antrim St., were Mr. and Mrs. William Six and son, Jay, Frederick; Mr. and Mrs. Newton Six and daughter, Donna, Middleburg, and Mr. and Mrs. Paul Hahn and sons, Ted and Philip, Thurmont, celebrating the 85th birthday of Mrs. Newton Six Sr.

Mrs. David Smith, York, spent the past week with her son and daughter-in-law, Atty. and Mrs. Donald Smith, and Martin Daniel, Keysville Rd.

The Sacrament of Baptism was administered to the following: Jeffrey Scott Banks, Martha Pauline Bollinger and Donna Christine Smith in the Trinity Lutheran Church by the pastor, the Rev. Howard W. Miller, at the Sunday morning worship service.

Mr. and Mrs. Nelson Tracey and daughter, Susan, Wheaton, spent the weekend with Mr. Tracey's parents, Mr. and Mrs. Thomas Tracey, York St.

Mrs. Robert McCallum, Silver Spring, spent the weekend with her parents, Mr. and Mrs. Wilbur Arvin, Feeser Rd.

The Misses Elizabeth and Mildred Sherwood, Baltimore, were weekend guests of the Misses Pauline and Clara K. Brining, E. Baltimore St.

Mr. and Mrs. John Grimes and family, Woodsboro, spent the weekend with Mrs. Grimes' brother and sister-in-law, Mr. and Mrs. Glenn Reifsnider, Keymar Rd.

The Graceful Workers Class of the Grace United Church of Christ will meet tonight at 8 o'clock at the home of Mrs. Elvin Study, Frederick St.

Miss Mary Wilhide, a student nurse at Frederick Memorial Hospital, spent the weekend with her parents, Mr. and Mrs. Albert Wilhide, Keysville Rd.

Dr. and Mrs. George Baumgardner and son, James Robert, Baltimore, spent the weekend with Dr. Baumgardner's parents, Mr. and Mrs. James C. Baumgardner, York St.

The Junior Chamber of Commerce will be guests at the morning worship at 9:45 Sunday in the Presbyterian Church.

Mr. and Mrs. Jerry Hoskins and family moved Monday from Philadelphia to Orlando, Fla., where Mr. Hoskins has accepted a position with the Martin Marietta Corp. The Hoskins family spent the weekend with Mrs. Hoskins' parents, Mr. and Mrs. Raymond Baumgardner, W. Baltimore St., who will accompany them and spend the winter in Florida.

Mr. and Mrs. Russell Durboraw, Gettysburg, were recent guests of Mr. and Mrs. Clyde Wilhide, Keysville Rd.

Wallace Reindollar, Reindollar Bros. and Co., left Monday for Philadelphia to attend the Penna. and Atlantic Seaboard Hardware Convention at the Sheraton Hotel. While there, he and two other representatives from Retail Hardware Stores will receive special plaques for 50 years' membership in the association.

FEAR APPROACH HIT

GREENVILLE, Pa. (AP) — People can't be drawn into the churches by a "lasso of fear," the Rev. Quentin P. Garman of San Diego Calif., told a meeting of United Lutheran mission pastors here. "People have to be loved into the Kingdom — they can't be coerced or forced."

ADVERTISE IN THE TIMES

Compares Hebrew Music To Spirituals

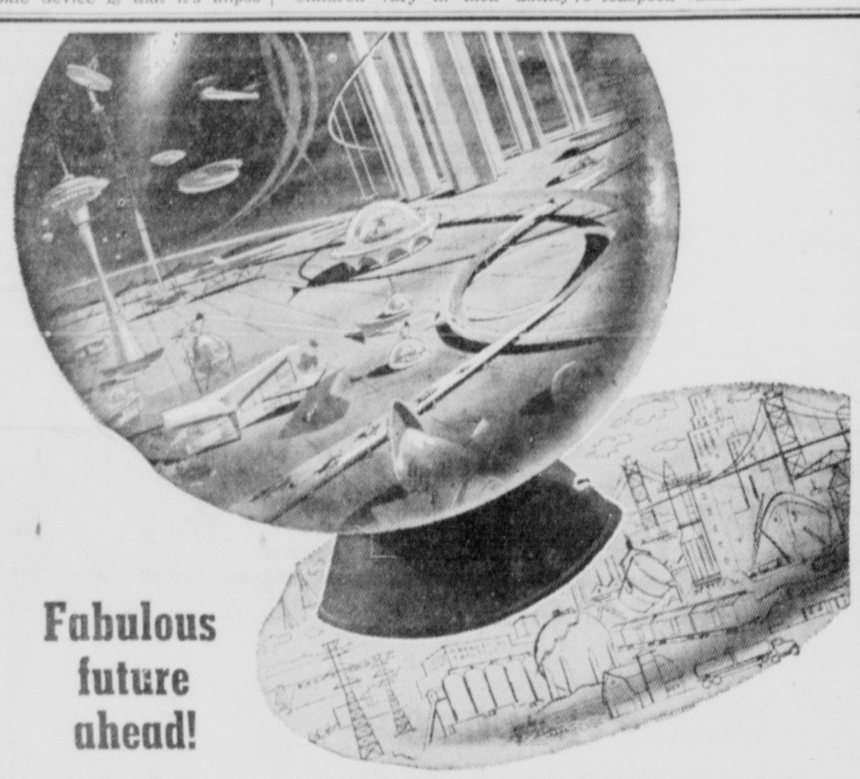

ENGLEWOOD, N. J. (AP) — "The Negro spiritual's melody is closely akin to, and in some cases takes on definite characteristics of the traditional Jewish melodies," says William Farley Smith.

That Smith should have an interest in both types of music is understandable. He is a Negro Baptist who serve as organist for Congregation B'nai Yeshurun here.

Smith recently made his debut as a composer of Hebrew liturgical music at Paterson's Barnert Memorial Temple by playing his composition, "America and Israel," during a Sabbath service.

Smith never learned the Hebrew language, but explained:

"By playing the services week after week, I became accustomed to the tone of Hebrew and its varying pronunciations. I was consequently able to set the prosody of the transliterated language to music."

Fabulous future ahead!

You can look forward to a future in which the accelerated progress of science and industry will create a world of unprecedented opportunity for achievement, enjoyment and self-fulfillment!

Greeks Have A Fascinating Cruisine

By CECILY BROWNSTONE
Associated Press Food Editor

Some of the most fascinating cooking goes on in families of Greek origin.

One of the best known of these dishes — probably because it's often found in restaurants throughout the country — is Greek Salad. Its chief ingredients are tomatoes, onions or scallions, green peppers, anchovies and black olives; sometimes cucumbers and salad greens are also added. The dressing consists of olive oil, lemon juice or wine vinegar, salt and pepper; that's all.

Knowing cooks say that the trick in making the salad is to cut up the ingredients instead of slicing them. When we make this salad we are careful to divest the tomatoes of their seeds and juice — but this may not be traditional! We also hasten to say that there are a number of versions of Greek Salad, so don't be surprised if you see varying recipes for it in cook books.

Mint is used in interesting ways in Greek cuisine. For example, it may flavor meat balls, snap beans or artichokes. Fresh mint is preferred, but we've seen dried mint substituted when the fresh isn't available.

Cinnamon is another favorite flavor. It's sometimes added to a chicken stewed in a tomato gravy.

Currants and nuts used alone or in combination are favored by Greek cooks. Together the dried fruit and nuts may go into a rice stuffing for baked tomatoes or a pastry.

The following recipe is a strictly American version of the famous Greek pastry called Baklava. By the way, we like this dessert reheated in the oven because it became slightly crusty in the process.

CRUNCHY FILBERTS go into this dessert inspired by Greek cuisine.

ERSATZ BAKLAVA

2 cups flour
½ teaspoon salt
¾ cup light brown sugar
½ cup butter
2 eggs (separated)
1 cup chopped filberts
1 teaspoon nutmeg
½ cup honey
2 tablespoons hot water

Stir together the flour, salt and ½ cup of the brown sugar; cut in the butter until combined. Add the egg yolks; cut in with a pastry blender to make a smooth but pebbly mixture. Add unbeaten egg whites; stir until a dough forms. Divide dough into sixths. Roll out one portion at a time between two sheets of waxed paper to make a thin layer to fit the bottom of a baking pan (8 by 8 by 2 inches); chill; peel off waxed paper. If dough sticks, chill again before removing paper. Fit one layer of rolled dough into baking pan. Mix filberts, remaining ¼ cup brown sugar, and nutmeg; sprinkle a few tablespoons of this filling over the dough. Roll out and fit second layer of dough over filling; sprinkle with nut mixture; continue until all the pastry and filling are used, having top layer the nut mixture. Mix honey with hot water; pour a few tablespoons of mixture over top; bake in a moderate (350 degrees) oven 35 to 40 minutes. Serve warm with remaining honey mixture.

DRUG HEARING IS SCHEDULED JANUARY 29

HARRISBURG (AP)—The Pennsylvania Pharmacy Board will resume hearings Jan. 29 on the heated controversy over a license application from the Bazaar of Nations in Delaware County.

The board scheduled the new hearing Tuesday after a day-long session of testimony marked by fiery exchanges between two board members and a state senator acting as counsel for Bazaar of Nations.

The senator, Benjamin R. Donolow, D-Philadelphia, touched off the fireworks almost as soon as the hearing got underway, then threatened to call for a state police investigation of the board.

WITHDRAWS THREAT

Atty. Gen. David Stahl apparently managed to smooth things over however, because by the afternoon session, Donolow withdrew his threat.

But it wasn't long before tempers exploded for a second time.

Donolow accused a member of the Pharmacy Board of selling drugs to the state.

"If you mean me, say so," shot Sol Turnoff, board secretary.

Before the senator could reply, he was accused of attempting to influence Dominick Manganello, another board member, in the Senate chamber.

Donolow denied Manganello's charges, put on his hat and coat and declared he would not leave Capitol Hill until "this cloud" has been lifted.

"APPROVED LICENSE"

He also charged the board with approving the license for Bazaar, but never mailing it and withdrawing it at a later date. Bazaar was licensed when the board approved it, regardless of whether it was mailed or not, the senator argued.

Board counsel Morris Dean disagreed, claiming the license was never effective and that Bazaar must bear the burden of proving its fitness for a new license.

Donolow then told Dean he had no power on the board and to stop "dominating" board members.

Dean answered he would not be "intimidated by a senator."

At one point, Board Chairman Daniel Snyder of Philadelphia angrily told Donolow that "the board was not on trial."

"NEITHER LAW NOR FACT"

"We've heard neither law nor fact from Sen. Donolow," said Dean, "just table pounding."

Edward J. Lynch Jr., of Clinton Heights, was the first of several witnesses.

He told the board he was sent by the Delaware County Pharmaceutical Association to purchase drugs at the Bazaar that may be sold only with a prescription. He said he was able to make the purchase without a prescription.

The board contends that Bazaar had operated without a license, that it dispensed dangerous drugs without a prescription, illegally used the title pharmacy and advertised drugs in newspapers.

It claims it sent two cease and desist orders to Bazaar, but that as late as last November it was still selling drugs.

East Berlin

MRS. JANE MILLER
Phone 2566
Phone 259-2566

EAST BERLIN—A surprise party was held recently at the home of Mr. and Mrs. Glenn Boyer, near East Berlin, in honor of the 21st birthday of their son, Stanley. Present were: David and Linwood Bosserman, Jerry King, George Weigle Jr., Carl Myers, Ronald Shank, Ray Shank, Philip Lehman, Harold Emig, Gerald Nell, James Boyer, Wilbur Slothour, Keith Stewart and William Nell, Evelyn Miller, Nancy Boyer, Nancy and Virginia Weaver, Diane and Elva Valentine, Fay and Mary Weigle, Gladys Boyer, Bertha Hull, Linda Weigle, Janet Weigle, Donna Weigle, Larry Schildt, David, Ray, Carol and Lillian Nell, Sharon Baugher, Mrs. Lora Weaver, Mrs. Vernon Nell, Mr. and Mrs. William Boyer, Mr. and Mrs. Wayne Nell and daughter, Mr. and Mrs. George Weigle Sr., Mr. and Mrs. Ralph Schildt, Mr. and Mrs. Jack Kump, Mr. and Mrs. Dwight Leatherman, Mr. and Mrs. William Bosserman Jr., Mr. and Mrs. Kenneth Baugher, Mr. and Mrs. Ernest Nell and Mr. and Mrs. Glenn Boyer.

Mrs. James Bryson, sons, James and Gordon, and daughter, Jessica, Honolulu, are visiting Mrs. Bryson's mother, Mrs. Ada Glatfelter, W. King St.

George Moul, Abbottstown St., is a patient in the Hanover Hospital after suffering a heart attack Saturday.

A public card party will be held Friday evening at 8 o'clock in the fire hall.

A party was held Sunday afternoon at the home of Mr. and Mrs. Ernest Adam, W. King St., in honor of the eighth birthday of their daughter, Diane. Games were played and refreshments were served to Judy Eisenhart, Doris Anderman, Stanley Swartz, Richard Bass, Dale Myers, Nancy and Vicki Adam.

Mr. and Mrs. Glenn Walk, Carlisle, were recent visitors of Mr. and Mrs. Franklin Kunkel, W. King St.

Mr. and Mrs. Carroll Volland, W. King St., returned home recently after spending 10 days in Florida. While there, they visited Mrs. Volland's brother-in-law and sister, Mr. and Mrs. Rufus Delano, Clermont, and Mr. and Mrs. Lloyd Heiner at Fort Pierce. The Heiners are former East Berlin residents.

Mr. and Mrs. Merle Shetter and family, Pittsburgh, visited over the weekend with Mr. Shetter's parents, Mr. and Mrs. George Shetter, W. King St.

KANSAS CITY, Kan. (AP)—A passenger train sliced through a big grain truck so deftly Tuesday the driver of the truck and his helper hardly felt it.

Gene Wilson, 29, a trucker from Sterling, Colo., said there was a sudden drag after his tractor crossed the tracks. He and Cliff Radcliff, 30, got out to investigate and found a Missouri Pacific train standing between the front half of the grain trailer and the rear half.

News Briefs

HELSINKI, Finland (AP) — President Urho Kekkonen today looked forward to a new six-year term as chief executive of Finland after solidly beating Communist and Social Democrat candidates at the polls.

Kekkonen, who has had a ticklish time keeping Finland neutral in the face of recent Soviet pressure, was assured of victory when his electors polled 45 per cent of the popular vote in this week's election. The electors will meet later to name him president officially.

BRISTOL, England (AP)—Stan Evans said modestly today that as far as he knows he is the first person ever to milk one of the world's shortest-tempered beasts—a rhinoceros.

Evans, 30, a keeper at the city zoo, is milking two-ton Stephanie, a recent mother, in the interests of science.

The milk is being analyzed with a view to concocting a substitute food for baby rhinos whose mothers are killed by poachers in Africa. If the experiment succeeds, it may save the increasingly rare black rhino from extinction.

OKLAHOMA CITY, Okla. (AP) —Was T. J. Bailey harassing the ducks on Lake Overholser or was it the other way around?

It took a justice of the peace court jury just 45 seconds to decide after hearing this testimony Tuesday:

Clay Boyd, state game and wildlife officer, and Ace Marrs, a municipal lake patrolman, said they saw Bailey drive his motor boat recklessly into a flock of ducks.

Bailey said the ducks were chasing him.

CONAKRY, Guinea (AP)—Guinea and Cuba have signed an agreement for $500,000 worth of trade in 1962. Products to be exchanged were not announced.

WEATHERFORD, Tex. (AP)—James C. Wright Sr., 71, Weatherford business man and father of Rep. James C. Wright Jr., D-Tex., died Tuesday night.

He had been bedfast since Oct. 31 when he fell and broke a hip.

POLITIC DECISION

DAWSON SPRINGS, Ky. (AP) — Lt. Gov. Wilson Wyatt noticed the sky was about to drench his audience at an outdoor gathering. He made a quick decision that showed one reason he's successful Bluegrass State politician.

"Ihave just decided to cut my one hour speech to two minutes," he said. "I'll give the speech to the local newspaper and you can read it there."

METERED MATRIMONY

KANKAKEE, Ill. (AP) — Matrimony oft times is taken lightly, but spoliceman Virgil Jordan thinks one woman has carried it too far.

Jordan, a parking meter officer, reported that a meter he was repairing had a woman's wedding band in the coin slot in lieu of a coin.

Economical Spanish Hash

By CECILY BROWNSTONE
Associated Press Food Editor

When you want to make a little meat go a long way, we think you'll thoroughly enjoy this recipe from Spanish cuisine. It's a vegetable hash that gets cozy with one pork chop.

This dish has another persuasive feature. Once the vegetables are prepared, it can be cooked quickly in a skillet. If you have an electrical skillet, you'll find it's perfect for cooking and serving this hash. But a regular rangetop deep skillet will also do well.

This Pisto Manchego, to give the dish its Spanish name, looks wonderful. Its combination of colors — the white of the onion, the scarlet of the pimientos, the green or yellow of the unpared squash, the brown of the meat — make a bright patchwork against the tomato sauce. Then for a final flourish, strips of "pancake egg" are scattered over the top to add their brightness as well as substance and flavor.

We enjoyed this dish for lunch. To accompany it, you need only crusty rolls and good butter. If you offer the Pisto Manchego at an evening meal, you'll want to add a hearty dessert. A pear cobbler made with fresh or canned pears, with baking powder biscuit dough or pie pastry, would be delicious. Or if your family has been hankering after old-fashioned apple dumplings baked in a sweet rich sauce, this may be time to serve them.

PISTO MANCHEGO

1 large pork chop
4 tablespoons olive oil
3 medium onions (cut in thin strips)
1 pound zucchini or summer-type yellow squash
1 can (4 ounces) pimientos (drained and diced)
1 can (8 ounces) tomato sauce
Salt and pepper
Pancake Egg

Cut away fat and bone from meat; dice fine. In a large skillet cook pork lightly in 2 tablespoons of the olive oil; push to one side. Add remaining 2 tablespoons olive oil and onion; cook very slowly until softened but not browned. With a slotted spoon, remove pork and onion. Add squash to skillet; cook until tender-crisp, stirring occasionally. Return pork and onion to skillet; add pimiento, tomato sauce, salt and pepper. Simmer 15 to 20 minutes. Top with Pancake Egg. Serve at once. Makes 4 to 6 servings.

Pancake Egg: Beat 6 eggs just until yokes and whites are combined. Heat 1 tablespoon olive oil in a 10-inch skillet; add eggs. Cook gently without stirring until firm; covering toward end of cooking to dry top. Eggs on bottom of skillet should not brown. Turn out and cut in squares or rectangles to use as topping for vegetable hash.

A Lovelier You

By MARY SUE MILLER

CHASING THE BLUES AWAY. Along about now, most winter wardrobes strike a blue note. Clothes somehow begin to look

dreary and make a woman feel dreary. But there is no reason to succumb. Brightening the scene takes only a few white touches.

Accessories in white, stark white and cream, are on the fashion upbeat. These are a few ways to make the most of it at this season:

● Add starchy white collars and cuffs to a dark suit or wool day dress. That's what top designers are doing in their new collections. And the look, after so long an absence, is fresh as springtime itself.

● If you have been wearing dark gloves, switch to white. Choose a creamy white for wear with a bright costume, a snowy white for dark and neutral clothes.

● Break out your pearl jewelry. Pearls and white enamels are back on the bandwagon.

● Try the perkiness of a chalky shantung tie-belt, long enough to wrap and bow. The tack lifts monotone casuals right out of the doldrums.

● For dark coats there's a tonic in textured leather handbags, the color of French vanilla; also in a printed scarf with vanilla polka dots on a pure white ground.

● A new chapeau, of course, would give any costume — any woman—new verve. Make yours a sleek white beret by day, a "cream puff" by night. And you'll be the verviest!

An outlay for these or like accessories will prove of more than momentary value. They have a long run ahead, from now through summer.

HIP REDUCING ROUTINES

You can diet until you become feather-light and still be hip-heavy. Reduction in the hipline is assured only by exercise. For a set of quick and effective ones, send for my leaflet, HIP REDUCING ROUTINES. Write me: A Lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a stamped, self-addressed envelope and five cents in coin to cover handling.

©1962, Field Enterprises, Inc.

Abbottstown

MRS. DELLA BUTT

ABBOTTSTOWN — John Hench, a member of Trinity Church near Loysville and a student at the Lancaster Theological Seminary, was guest minister at the Sunday morning service at Emmanuel Reformed Church.

Tuesday evening, the church hosted a Synodical Town and Country Church Conference. The United Church of Christ was represented by Deacon Richard Alwine and Rev. John Martin.

The Everready Class of the Sunday School met Wednesday evening at the home of Mrs. Lester Spangler with Mrs. Naomi Beckley as co-hostess.

A congregational meeting will be held on January 24 at 6:30 o'clock with a covered dish supper and business meeting.

The Luther League of St. John's Lutheran Church observed its anniversary with a covered dish supper Sunday evening. The parents of the leaguers were invited and a program was presented by the leaguers Sharon Roomsburg sang a solo.

St. John's Church will be represented at the annual meeting of the Adams County Council of Churches on January 25 by Grace M. Smith Betty Hoff, Wilmer Gross, Norvell Pausch and B. B. Smith.

In the church school hour next Sunday at 9:15 a.m., the film strip "Reaching Out In South America" will be shown to present the foreign missions emphasis in keeping the Epiphany season.

Boy Scout Troop 127 spent the weekend at Camp Eunice where they built a 20-foot bridge seven feet wide. They also constructed deer and bird feeding stations and will keep them supplied with food the remainder of the winter.

Starting February 1, meetings will be held each Tuesday instead of Wednesday, from 7 to 9 o'clock. This schedule will continue during the Lenten season.

A Red Cross first aid class will be sponsored by the troop if enough adults and teen-agers show sufficient interest. Those interested are asked to notify Troop Leader Harman or Rev. Lester Karschner.

Mrs. Ida Sanders is ill at her home, and her great-grandson, Toby Sanders, is a patient at the Hanover Hospital.

Mrs. Mary Williams, Jersey Shore, was a guest of her sister, Mrs. Charles Chubb, over the weekend.

Mr. and Mrs. Paul Garrett, Dover, visited Mrs. Helen Haines Sunday.

York Springs

YORK SPRINGS — The Latimore WCTU will meet Monday night at 7:30 o'clock at the home of Mrs. Calvin Leer.

The York Springs Homemakers will meet tonight at 7:30 o'clock at the home of Mrs. William Lehman. The topic will be "How Colors Affect Each Other."

Rev. A. T. Kaupp, pastor of the Barrens Church, recently submitted to major surgery in the Carlisle Hospital. Mr. and Mrs. Paul Bubb visited him on Sunday.

Mr. and Mrs. Paul Lehman and daughter have moved into their newly-constructed home. Mr. and Mrs. Donald Lehman and family have moved into the house vacated by the former's parents.

CONSHOHOCKEN, Pa. (AP) — A 38-year-old payroll clerk was killed accidentally Wednesday when she fell down a flight of steps at the John Wood Co., a heating equipment manufacturing firm. The clerk, Emma Lightfoot, West Conshohocken, had been with the company 20 years.

SENTENCED TO LIFE; MAN DIES

PHILADELPHIA (AP) - A 78-year-old man sentenced to life imprisonment for the kidnap-murder of a 13-month-old boy in 1920 has died in prison, it was disclosed Wednesday night.

Warden Alfred T. Rundle of the Eastern State Correctional Institution said August P. Pascal died Monday of "cardiac deficiency". Rundle said Pascal had been in failing health and confined to the hospital ward for the last 18 months.

Pascal served 38 years of his life sentence for the kidnap-murder of Blakely Coughlin near Norristown and was paroled in 1957. But he was arrested in Florida as a vagrant the following year and returned to Eastern State.

Police captured Pascal on Aug. 2, 1920, one month after the kidnaping. He was accused of collecting $12,000 ransom.

Police said Pascal at first denied the kidnaping but later confessed. He was quoted by officers at the time as saying the child smothered against his overcoat when he was coming down a ladder from the Coughlin house. Police said Pascal told them he threw the boy's body into the Schuylkill River. The body never was found.

OFFER CARSON PAAR'S JOB ON NBC NETWORK

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—Johnny Carson, nimble-witted master of ceremonies of the daytime show, "Who Do You Trust?" opened his program the other day by announcing sarcastically: "This is ABC, the network with a heart." Carson, quite frankly, is disenchanted with the network. He has been offered the job of Jack Paar's replacement when Paar leaves his NBC show at the end of March. But Carson's contract for the ABC audience participation show runs to the end of next September, and, at this writing, ABC is refusing to release him.

The Iowa-born comedian, 36, yearns for the NBC job.

MAY HOLD JOB

"I know it would be very difficult for anybody to follow Paar," he said. "But I think that show is just about the last outpost of television where a free exchange of views and conversation and where spontaneous comedy is possible."

Meanwhile, NBC is reported to be considering holding the permanent job open for Carson until October by using him frequently as host, hiring other personalities to hold the fort for a week or two at a time and also re-running some "Best of Paar" tapes.

There's a very good chance Lucille Ball may be back on CBS next season starring in a new comedy series. That would be very nice for the viewers, good for CBS and, perhaps, best of all for Desilu, the production company "I Love Lucy" built (and of which Lucille remains a vice president despite her divorce from Desi Arnaz.) Desilu has been running into hard luck selling new series recently although its vast studio facilities are in great demand by other producers.

TO GET EDIE'S OKAY

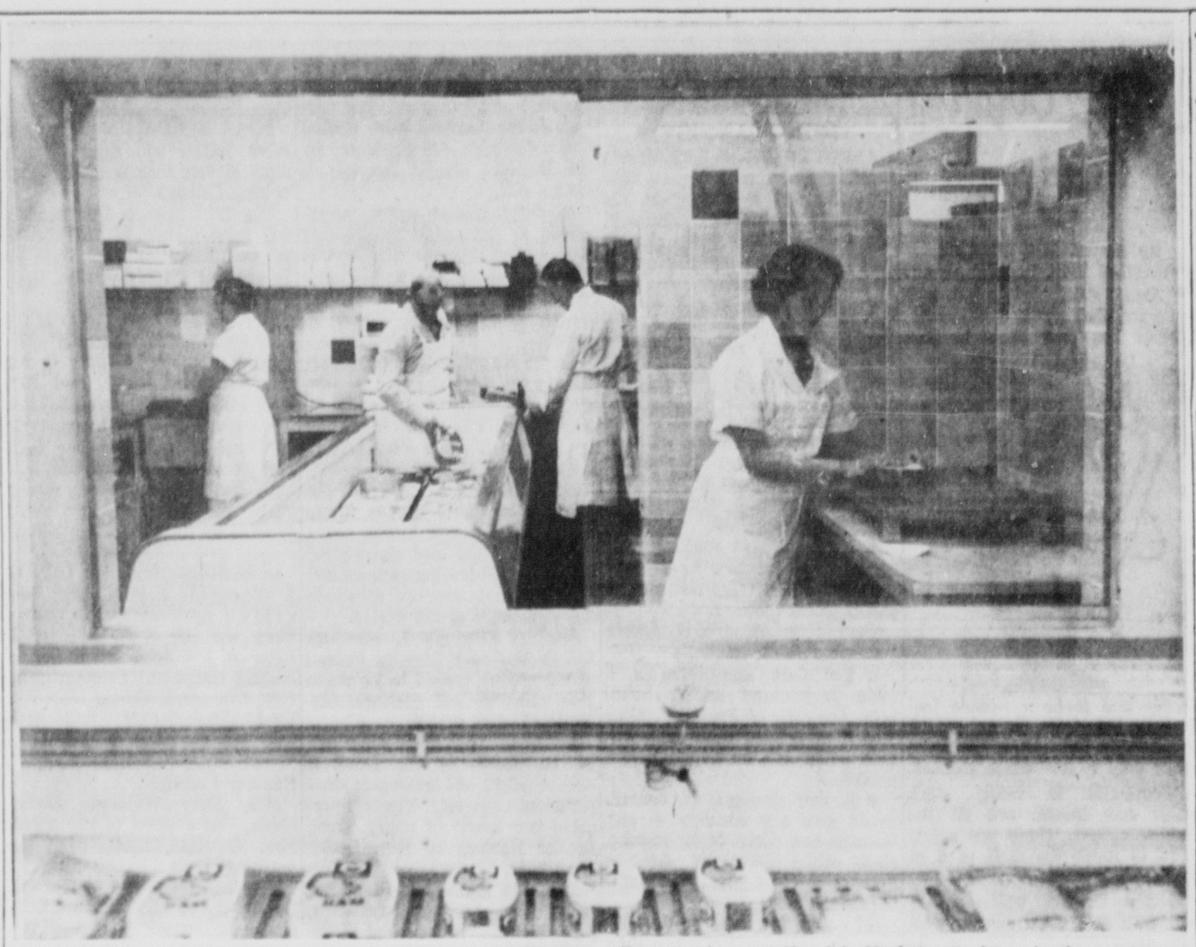

ABC and the cigar sponsor expect to go ahead with the Ernie Kovacs special Tuesday night, but only after approval from the comedian's widow, Edie Adams. The half-hour show will eliminate all commercials.

It is expected that Miss Adams will give her approval for the program taped Dec. 2, because most of Kovacs' friends feel sure he would have wanted the show to go on as scheduled.

Recommended tonight: "The World of Jimmy Doolittle," NBC, 8:30-9:30, Eastern Standard Time, —another in a series of biographical specials; "CBS Reports," 10-11 — "The Fat American," about our national weight problem.

FOUR FROM CANTON

CANTON, Ohio (AP) — This city, long a producer of fine athletes, has contributed fullback George Saimes, quarterback Dick Proebstle, halfback Wayne Fontes and center Jim Bridges to Michigan State's 1961 varsity.

Four employes at Kennie's Market are shown in the meat room where meat is cut and packaged for retail sale. In the photo, from the left, are Mrs. Frances Miller, Paul Hoover, James Plank and Miss Mary Miller.

GRAIN-ORE BARTER PLAN IS PRAISED

HAZLETON, Pa. (AP)—A vice president of the Beryllium Corp. says a $8.7 million trade of U.S. surplus agricultural projects for ore for heat-resistant beryllium to be processed at the firm's plant here "will definitely help stabilize employment" in this labor surplus area.

L. S. Boland, executive vice president of the Beryllium Corp., also indicated Wednesday night that some 75 of the 300 employes at the nuclear division plant here who were furloughed in recent months would be called back to work in the near future.

"This barter agreement will definitely help stabilize employment over the next two years," said Boland.

Company officials declined however, to say at this time whether the processing of the huge amount of ore would result in additional employment.

Rep Daniel J. Flood, D-Pa., earlier said in Washington he had been advised of the barter agreement which he was credited with helping arrange.

Under its terms the United States will ship surplus wheat, feed grains, tobacco, non-fat dry milk and butter to Israel, West Germany, Japan, Great Britain, Hong Kong and Austrial government officials in Washington reported.

Beryl ore will be obtained from free nations in Latin America and Africa. To complete the three-sided swap, the nations receiving the U.S. goods will ship to the ore-supplying countries goods which are needed there.

Beryllium, which resists heat up to 1500 degrees fahrenheit, is used in missiles, space capsules and atomic reactors.

CAMDEN, N. J. (AP)—So confident was Peter W. Salmen Jr., manager of Crimson King Farm, that his dad's Crimson Satan would win the $301,365 Garden State stakes that two days before the race he ordered a case of champagne for those working in the press box here.

PASSES UP BIG TEN

COLUMBUS, Ohio (AP) — Jack Nicklaus, National Amateur golf champion from Ohio State, plans to pass up the Big Ten's 43rd annual championship next May.

The defending champion will also miss the NCAA tournament to practice for the Masters.

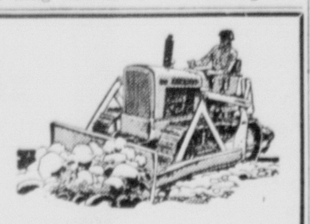

NEW YORK (AP) — Members of the New York Baseball Writers' Association have re-elected Dick Young chairman of their chapter for 1962. Sid Gray and Til Ferdenzi were re-elected vice chairman and secretary-treasurer, respectively.

Swiss Cheese Hits The Spot

By CECILY BROWNSTONE
Associated Press Food Editor

Such delightful things to do with Swiss Cheese! Do you usually use cheddar cheese in a souffle? Change about! Try Swiss for an interesting flavor turnabout.

A chef's salad simply isn't the real thing without Swiss cheese But one must: The cheese must be cut in matchlike strips. Don't ask us why. All we know is that this way it tastes best.

Use the cheese for grilled sandwiches, adding ham if you like. You can make these in a skillet, adding plenty of butter and toasting the sandwiches until golden brown. We think these are particularly good made with a robust whole-wheat bread. Company coming for lunch? Serve these sandwiches with mango chutney spooned into tiny lettuce cups; add a tossed green salad dressed with olive oil and wine vinegar, salt and freshly ground pepper.

Some cooks we know dote on adding cubes of Swiss cheese to a Waldorf salad — you know the old-time combination of celery, apple, mayonnaise and sometimes nuts.

SWISS CHEESE SOUFFLE

⅓ cup butter
⅓ cup flour
1½ teaspoons salt
½ teaspoon paprika
⅛ teaspoon pepper
1½ cups milk
1 teaspoon Worcestershire sauce
½ pound finely grated Swiss cheese (about 2 cups)
6 eggs (separated)

Melt butter in a saucepan over low heat; stir in flour, salt, paprika and pepper. Add milk; cook and stir constantly until thickened. Remove from heat. Add Worcestershire and gradually the cheese, stirring virously until melted. Cook slightly. Beat egg yolks until thick and pale colored; fold thoroughly into cheese mixture. Beat egg whites until they hold soft peaks; fold gently but thoroughly into cheese mixture Pour into an ungreased 2-quart souffle dish or similar casserole. Set in pan of hot water. Bake in moderate (350 degrees) oven about 1 hour or until a silver knife inserted in center comes out clean. Makes six servings.

BUSINESS FOR HIMSELF

CHARLESTON, W. Va. (AP) — Jobless and the father of 16 children, Theodore E. Lovejoy, 45, was near the top of the list for aid under an emergency public works program set up to combat unemployment in West Virginia.

But officials took another look at Lovejoy's status when they found he had apparently launched his own recovery program.

Federal authorities have charged him with possession of a copper still and 150 gallons of raw material for making moonshine whisky

U.S. PLANNING CRACKDOWN ON ISLAND NATION

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The United States is reported planning political sanctions and probably an economic crackdown against the Dominican Republic if the new government there proves to be a military dictatorship.

Officials said the Kennedy administration, with a policy of promoting democracy throughout Latin America, is determined to oppose a revival of strongman rule at Santo Domingo.

The major step under consideration is denial of recognition to the junta formed Tuesday upon the ouster of President Joaquin Balaguer.

State Department officials said the seven-man junta appeared to be comple[illegible] under the power of an air force general, Pedro Rodriguez Echavarria, 37.

Other steps may include economic sanctions, among them denial to the Dominican Republic of U.S. sugar purchases in the first six [illegible]nths of this year amounting to $45 million.

Officials reported Wednesday night that the United States already has postponed steps toward restoration of normal trade with the Dom[illegible]ican Republic and has stalled policy decisions on a new U.S. aid program which had been designed to bolster progress toward democratic rule.

HOPE FOR CHANGES

Suspended action in these fields of aid and trade could readily be hardened into more permanent anti-Echavarria policies if, in the U.S. government's view, the fears of a developing military dictatorship are borne out.

Washington officials obviously hope, however, that the unusually speedy reaction from here, embodied in a strong statement of disapproval issued by the State Department Wednesday, would result in changes in the political situation at Santo Domingo.

The United States restored full diplomatic relations with the Caribbean island nation only 12 days ago. U.S. aid experts were dispatched to survey the possibilities of assistance and development of an aid program was undertaken.

The Kennedy administration, as one official put it, was anxious to demonstrate its support for democratic elements in the country. It is now no less anxious to demonstrate, this official said, its determined opposition to a revival of military rule.

Indians Use Holly Plant For Nerves

FORT MYERS, Fla. (A) — The Seminole Indians of Florida call the dieffenbachia the "mother-in-law plant."

"When a tea made from the plant is slipped to Mama it will deaden the nerves in her tongue and silence her scolding for four or five hours," says Dr. James L. Orr, nationally known botanist

Dieffenbachia, a common ornamental found in many Florida home gardens, is one of three native plants which provide tranquilizers to the Indians.

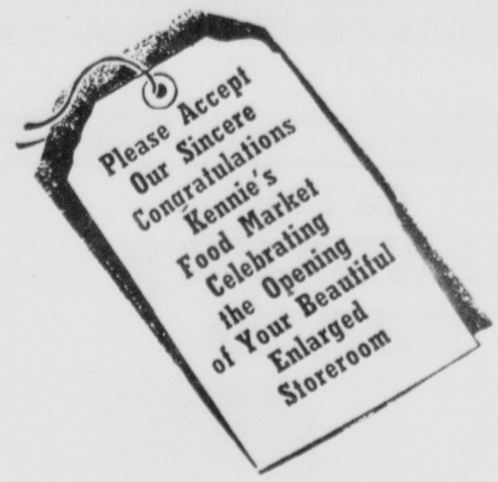

Seeds of the wild-growing coontie, or Zamia, plant are narcotic and long have been the ingredient of a soothing tea brewed by the Seminoles.

The Florida holly, a bona fide member of the true holly family which grows wild in the Everglades, also yields a powerful drug.

"In the early stages it is a stimulate and is used by the Seminoles to arouse enthusiasm in their dances," Orr says. "That is what they used to reach such ferocious fighting pitches in their wars with the whites.

"After a number of hours and with repeated dosages it becomes a deadener, producing to an extreme degree the effects of a tranquilizer.

Public School Subsidy Bill Aired At Meeting

By FRED WALTERS

HARRISBURG (AP)—The legislative budget hearing returned to the controversial public school subsidy today.

The Department of Public Instruction was called before the joint House and Senate Appropriations Committees to discuss the remainder of the $487.4 million spending for education in Gov. Lawrence's $1 billion general fund budget for 1962-63.

The department, which began its testimony Monday, yielded its place Tuesday to permit the committees to take up Lawrence's $41.1 million request for the state-aided universities.

OVERRATE OPPOSITION

It produced the first public airing of the proposed new aid program for Temple University, an airing that indicated the opposition to the program was overrated

Temple has agreed to give the state a measure of control over its administration in return for a 74 per cent increase in its 1962-63 appropriation over the 1961-62 amount.

The university further has agreed to cut its tuition for Pennsylvania residents by $100 and to admit 900 more students next September.

8-HOUR HEARING

For eight hours the four major state-aided universities— Temple, the Universities of Pennsylvania and Pittsburgh and the Pennsylvania State University—appeared in order before the committees.

Each in turn was questioned about its reaction to the Temple plan.

Only Penn State President Eric A. Walker seemed to have any reservations.

At the end of the session, House Minority Leader Albert W. Johnson commented to the committee members:

"I'm not objecting to the $4 million (requested state appropriation) for them (Temple). I think probably it's a great thing."

Johnson had been considered among the opponents to the plan.

TEMPLE CARRIES DAY

Every legislator interviewed after the session agreed that the day had been carried by Temple and its adherents.

The governor's budget office was part of the Temple support.

Penn State was the center of the attack.

A note of mystery was injected into the proceedings in the form of a letter to House Committee Chairman J. Dean Polen It raised certain pertinent questions about Penn State's overhead costs in relation to similar universities in other states.

Walker was unable to answer them and had to plead for time to study the questions.

AUTHOR IS SECRET

Polen declined to identify the author of the letter. Some of its questions were supplemented by research material prepared in the Department of Public Instruction.

The budget office also had figures prepared to show how much additional money ($3.6 million) the state gives to Penn State in the form of building construction and teacher pension and social security payments, money that Walker did not include in his own summary of his budget.

However, when legislators asked how much money the state pays for buildings at other state-aided institutions, including Temple, budget secretary David R. Baldwin wasn't immediately prepared to give them.

Penn State sympathizers at the hearing remarked later that it appeared the committee hearing machinery had been geared to work for Temple

The crux of the issue is not whether Temple should get a bigger increase in state aid than the others but whether such an increase is proper at this time, when the governor has recommended only a modest increase in total state spending for higher education.

The Penn State people feel that these things should have a certain priority and that their institution is due the greater commitment from the state government.

Walker told the committee he had asked for $24 million from Baldwin's office. Only a $20 million appropriation is included in the governor's budget.

TEMPLE GETS MOST

Temple would get $4.2 million; Penn, $3.7 million, and Pitt, $3.1 million. At present, Temple ranks fourth among the so-called big four in the amount of state aid.

Dr. Edward H. Litchfield, chancellor at Pitt, said he thought the new program for Temple was fine for Temple but declined to commit himself on whether it would be a good thing for Pitt. At the same time, he said he would like to discuss it with the state.

It has been reported that Pitt expects to follow Temple's lead in the near future.

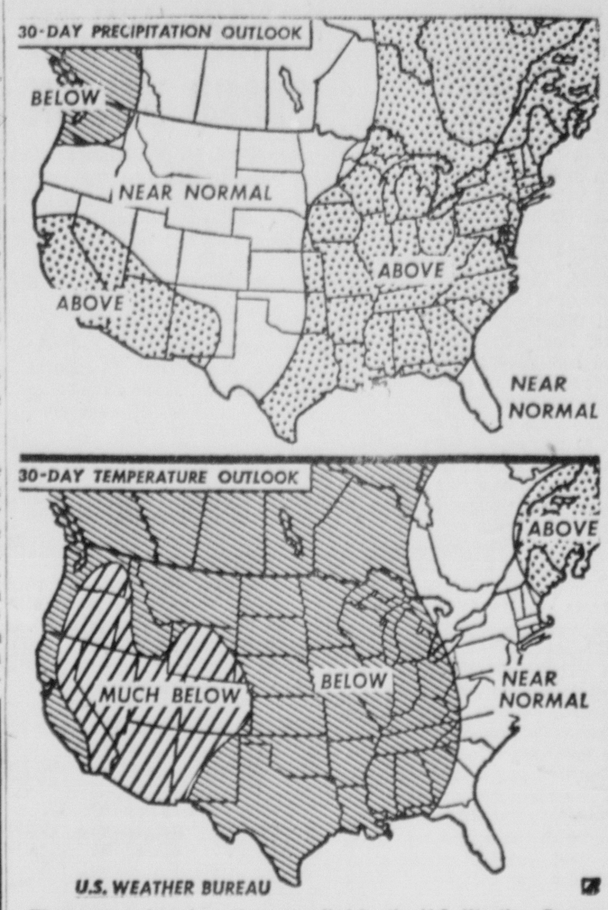

Dr. Gaylord P. Harnwell, Penn president, offered no objections to the plan.

Walker's comment was:

"I don't know. This state is in pretty bad shape, education-wise. We've got to do a lot for education in the next few years The most important need of this state, education-wise, is a plan. If this change in Temple's status fits into the plan, then I'm for it."

At the same time, Walker said he understood that the universities were to maintain the status quo in state aid until a master plan for higher education is completed by the Department of Public Instruction.

Thirty-Day Weather Forecast Map

These maps, based on those supplied by the U.S. Weather Bureau, show the anticipated precipitation and temperatures in the country for the next 30 days. (AP Wirephoto Map)

FAD SWEEPS COLLEGE

MEADVILLE, Pa. (AP) — Remember the college craze of crowding into a telephone booth?

Students at Allegheny College have come up with a new fad — jamming into a broom closet.

Some 58 of them jammed into a closet at Baldwin Hall the other day and added a St. Bernard dog for good measure.

Want to break that record? Just find a closet nine feet long, six feet wide and eight feet high, 58 people — and two St. Bernards.

NEW YORK (AP) — New understudy for Anna Maria Alberghetti in "Carnival" is Wendy Waring.

She succeeds Anita Gillette, who won loud cheers from producer David Merrick while filling in recently when Miss Alberghetti was ill. Miss Gillette has a lead role of her own in the musical "The Gay Life."

DOUBT VALUE OF C-D MEASURES

Two of York County's commissioners questioned the effectiveness of civil defense measures in the county and the nation after the board Monday threw out all bids for the purchase and installation of a warning system for the Greater York area.

Commissioner Emory Kilgore referred to inconclusive reports he had read about the after-effects of a nuclear attack and said he thought he would rather not be around. He suggested that money set aside for fallout shelters might be better spent on promoting peace. The idea seems to be growing, commented Harry C. Busser, commission president. "But only in this country," observed Solicitor Lewis P. Sterling.

All three commissioners, Edward J. Fitzgerald included, voted for rejecting the bids upon recommendation of the Civil Defense Advisory Council, in order to revise plans and obtain a system at lower cost. However, Kilgore stated there was also some doubt cast on the worth of a warning system by the federal government, and until the outcome of research is known he thought "we should mark time."

Highlights Of President Kennedy's 1963 Budget

By THE ASSOCIATED PRESS

WASHINGTON (AP) — Highlights of President Kennedy's budget message for fiscal 1963, the year beginning next July 1:

BUDGET SURPLUS — Spending will total $92.5 billion, up $3.4 billion over the record level in the current fiscal year. Revenues are estimated at $93 billion, an increase of $10.9 billion over present levels. This results in an estimated surplus of about $500 million.

SPENDING SHIFT — Reductions in spending for farm programs, the postal deficit and temporary extended unemployment compensation permits increases for education, health, housing and natural resource development "without raising significantly total expenditures for domestic civil functions."

DEFENSE SPENDING — Defense budget is up 1.5 billion over the current fiscal year to $52.7 billion

SHELTER PROGRAM — The defense budget contains $700 million for a shelter program designed to make space available for 50-million persons. This includes $460 for a cost-sharing program with state and local governments.

MILITARY ASSISTANCE — "Military asistance expenditures are declining to an estimated $1.4 billion in 1963 compared with $2.2 billion five years earlier. The more industrialized European countries have almost completely taken over the cost of their own armament."

FOREIGN AID — "Expenditures for economic and financial assistant to the developing nations of the world have been increasing and are estimated at $2.5 billion in 1963. These expenditures will rise further in later years as development loan commitments being made currently are drawn upon."

ALLIANCE FOR PROGRESS—Long-term authorization of $3 billion proposed for the Alliance for Progress during the next four years. Total support for Alliance for Progress during fiscal 1963 estimated at more than $1 billion, including Food for Peace program and loans from Export-Import Bank and InterAmerican Development Bank.

SPACE RESEARCH — An increase of $1.1 billion for space research to $2.4 billion to continue "a major stepup in the programs of the National Aeronautics and Space Administration in such fields as communications and meteorology and in the most dramatic effort of all—mastery of space symbolized by an attempt to send a man to the moon and back safely to earth."

FARM SPENDING — Reduces the budget for farm programs from $6.3 billion in the current fiscal year to $5.8 billion in fiscal 1963 in anticipation of savings from new farm proposals "which I shall be presenting to Congress."

NATURAL RESOURCES— "Estimated expenditures of $2.3 billion in this budge for the conservation and development of our natural resources are higher than in any previous year."

COMMERCE—Spending on commerce and transportation programs was cut from $2.9 billion currently to $2.5 billion in fiscal 1963, aminly due to an expected $593 million increase in postal rates.

TAX ENFORCEMENT— "Aside from revenue gains based on economic expansion, there will be larger revenue collections as a result of strengthening the Internal Revenue Service with additional enforcement personnel. Collections are estimated to be increased $300 million during 1963 because of this effort."

DEBT LIMIT—"To make the usual allowance for a margin of flexibility I urge prompt enactment of a temporary increase of the debt limit to $308 billion, to be available for the remainder of this year and throughout fiscal 1963." The present temporary debt limit is $295 billion.

FEDERAL SALARIES—"To enable the government to obtain and keep high quality personnel" President Kennedy proposed a new salary schedule to "bring career employe salaries at all except the very top career levels into reasonable comparability with private enterprise salaries for the same level of work." He also directed a review of military pay scales to determine whether they should be adjusted.

TAX REFORM—Urged that tax reform proposals recommended last year be enacted early in this session of Congress.

TAXES—He repeated his State of the Union request for discretionary authority to reduce personal income tax rates as an anti-recession measure.

HERSHEY, Pa. — Four skaters with the 22nd edition of Ice Capades, which appears at Hershey Sports Arena February 12-24, have each been featured performers with the big ice show for 20 years or more.

Chief among these is Eric Waite, who has clowned his way through 22 seasons as "Clown Prince of the Ice." The senior member of the cast, Eric has created, during this period, some of the funniest characterizations — among them the Ballerina, the drunk sailor and the overweight patron. His new satire on befuddled ballerinas is a laughter high-point of the performance. Eric's decision to become a comedian resulted from watching his school teacher struggle to keep her balance while skating. Right then seven-year-old Eric decided to become a skating comic. Ever since he was a boy he has based his comedy routines on observation and imitation, or pantomime.

5-Year-Old Saves Mother, Not Himself

PHILADELPHIA (AP) — Five-year-old Patrick Collins of suburban Oakmont was playing at the home of a neighbor with his brother, Thomas, 3, when he saw smoke billowing from his home.

Realizing that his mother and one-year-old sister, Theresa, were inside, he raced back into the burning house to warn his mother.

Leading Thomas by the hand, Patrick went through the smoke filled downstairs to the second floor and shouted a warning to his mother who was in a bedroom.

Mrs. Collins picked up Theresa and told the boys to follow her out of the house. Not until she was outside did she discover that Patrick was not with her. Neighbors restraining her from going into the house.

Later firemen found Patrick in the bedroom, dead of suffocation.

Priest Dies From A Broken Neck

SUSQUEHANNA, Pa. (AP) — A 54-year-old Roman Catholic priest died of a broken neck when he fell from a tree he had been pruning in the parish cemetery. Stuart Holmes, Susquehanna County coroner, said Wednesday night the Rev. Donald W. Fallon, 54, pastor of St. Francis Xavier Church in nearby Friendsville, apparently lost his balance when the blade of the saw snapped.

Philadelphia was founded in 1682 by William Penn.

Pecan Pie Is "Deadly," But Oh, So Delicious

By CECILY BROWNSTONE
Associated Press Food Editor

Some devotees of good food have a way of making you want to rush into the kitchen and try their recipes.

Marjorie Kinnan Rawlings had just that talent. Her "Cross Creek Cookery" is an utterly charming, utterly beguiling collection of recipes for dishes that were served in her Florida home.

Could Pecan Pie be characterized any better than to call it "Utterly Deadly" as did Mrs Rawlings? This famous dessert with its sweet filling embedded in pastry is rich as Croesus. As Mrs. Rawlings wrote, "To the insult of the cooked-down syrup is added the injury of the rich pecan meats." She noted also that the pie "is a favorite with folk who have a sweet tooth, and fat men in particular are addicted to it."

Here's our adaptation of the delicious Cross Creek recipe. Mrs. Rawlings used Southern cane syrup in her pie; we use the more widely available corn syrup.

Because this pie is so sweet and rich, it's likely to be enjoyed most after a light supper. A Sunday night soup and salad supper coming up? Then you might like to end the meal and the week with this luxury.

SOUTHERN PECAN PIE

1 cup sugar
1¼ cups dark corn syrup
4 eggs
¼ cup butter or margarine
1 teaspoon vanilla
1½ cups coarsely broken pecans
9-inch unbaked pastry shell

In a saucepan, boil the sugar and corn syrup together for 2 or 3 minutes. Beat the eggs (not too stiff, Mrs. Rawlings cautions). Slowly pour the hot syrup into the beaten eggs, stirring as you do so. Stir in the butter, vanilla and pecans. Turn into pie shell. Bake in a moderate (350 degrees) oven about 45 minutes or until set.

Beford Farmer, 60, Kills Wife; Suicides

BEDFORD, Pa. (AP)—Russell S. Pepple, a 60-year-old Bedford County farmer, killed his school teacher wife, Florence, 50, then committed suicide, state police reported.

Maurice J. Baker, 13, son of the dead woman by a previous marriage, discovered their bodies Wednesday in a barn on their farm near New Enterprise. A pistol lay nearby.

The couple, married in 1954, had three other children, ages 13 to 17, by previous marriages.

CHATTANOOGA (AP) — Federal bankruptcy referee Byron Pope recently granted judicial relief to 400,000 hungry baby chicks. A Chattanooga firm listed the chicks as "perishable assets" in a bankruptcy petition filed in U. S. District Court — and Pope appointed a temporary trustee to feed them.

STATEMENT BY J-L OFFICIAL IS ATTACKED

PITTSBURGH (AP)— Director Paul R. Normile of United Steelworkers District 16 has described as "unfair and premature" remarks made by a Jones & Laughlin Steel Corp. executive about forthcoming labor negotiations in the steel industry.

Normile's statement, issued Wednesday, was aimed at Board Chairman Avery C. Adams, who remarked on Tuesday that "the industry would take a long strike before it accepted a 32-hour work week."

Describing Adams' remark as "another effort to spur strike-scare buying," Normile said he was "shocked at Mr. Adams' attitude toward the forthcoming steel contract negotiations."

"Mr. Adams," Normile said, "rejects out-of-hand consideration of reduced hours of work as a means of cutting dowr unemployment. Yet, like all others who are critical of this suggestion, he offer no alternative."

Normile said it is "unfair and premature to talk of exorbitant union demands at a time when the union has not even drafted proposals for the industry."

"Our policy," he said, "will not and cannot be determined until a meeting of our International Wage Policy Committee. No date has yet been set for such a meeting."

Says Helmets Don't Give Full Protection

PITTSBURGH (AP) — Face guards on football helmets don't give enough protection to the mouth and aw, a Philadelphia dentist says.

Dr. Abram Cohen, addressing the Odontological Society of Western Pennsylvania Wednesday, said youths who play football or other contact sports should wear mouthguards to protect their teeth.

Helmet face guards, he said, "don't keep out a poking elbow and don't keep a heel from coming up to hit a jaw in a pileup during a game."

Ever Serve Scrapple?

By CECILY BROWNSTONE
Associated Press Food Editor

Dedicated cooks are missionaries at heart. They spread news of America's regional recipes.

That's how Pennsylvania's scrapple got to New England. What's scrapple? Cornmeal mush, molded with pork and seasonings, and then sliced and fried.

It's said that once upon a time a Philadelphia lady married and went to live in Rhode Island. Finding life without scrapple unbearable, she introduced the dish.

So successful was the introduction that such a recipe compilation as "Foods of Old New England," for which Kenneth Roberts wrote the introduction, gives directions for making scrapple.

Years ago a Pennsylvania cook sent a pan of scrapple to some southern cousins who immediately chipped off bits and ate them "as is." No wonder these particular southerners disavowed the stuff! The donor had neglected to tell her relatives that there must be a close relationship between slices of scrapple and the bottom of a big black frying pan.

Nowadays southern cook books are likely to give recipes for scrapple, sometimes noting local variations of the dish. In South Carolina, lean beef is occasionally added to the pork that's combined with the cornmeal.

There's an ersatz version of scrapple that may be easily made. Instead of cooked pork, bulk-style pork sausage is used — as in the following recipe. Served with fried apple rings and maple syrup, this sausage scrapple is definitely worth eating.

SAUSAGE SCRAPPLE

1 pound pork sausage meat
1 cup cold water
1 cup enriched white or yellow corn meal
1 teaspoon salt
Pepper (to taste)
¼ teaspoon thyme
3 cups boiling water

In a medium-sized hot heavy skillet, fry the sausage, crumbling it with a fork. Drain fat from cooked sausage. Stir together the cold water, corn meal, salt, pepper and thyme; slowly pour into boiling water in a saucepan, stirring constantly. Cook until thickened, stirring often. Cover; continue cooking over low heat for five minutes (for white cornmeal) or 10 minutes (for yellow cornmeal), stirring occasionally. Mix in thoroughly the drained sausage. Turn into a loaf pan (about 8 by 4 by 3 inches) that has been rinsed in cold water. Cool 20 to 30 minutes; cover and chill overnight. Turn out; cut into ½-inch slices. Fry slowly on hot greased griddle or in hot greased skillet until golden brown, about 8 to 10 minutes per side. This takes considerable patience but the results are worthwhile. Keep fried slices hot in a warm oven. Serve with fried apple rings and maple syrup. Makes eight servings.

FORTY NO BAR

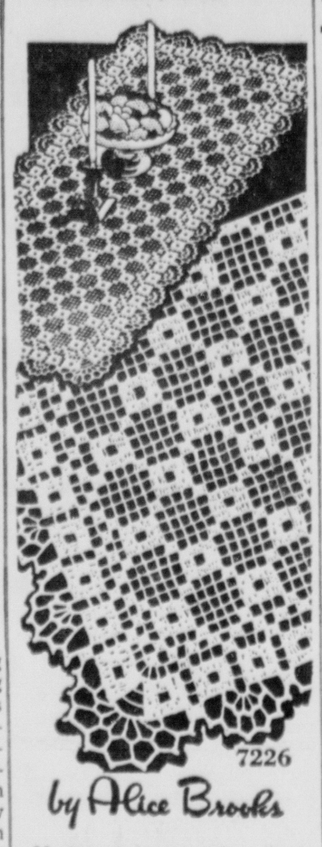

CHICAGO (AP) — Over forty now is no bar to job seekers in fifteen states.

Commerce Clearing House reports that California and Ohio enacted laws this year that prohibit employers from discriminating against workers because of age.

Alaska, Colorado, Connecticut, Delaware, Louisiana, Massachusetts, Montana, New York, Ohio, Oregon, Pennsylvania, Rhode Island, Washington and Wisconsin are the other states with laws.

Most of the laws specify the nondiscriminatory age bracket embracing the years between 40 and normal retirement of 65 or less.

Needlecraft

Most-wanted—a small, all-over design that is smart, simple—and also quick to memorize.

Patternful of accessories! Crochet scarves, mats, cloths in any size — add edging. Pattern 7226: directions; chart for filet crochet in string, No. 30.

Send Thirty-five cents (coins) for this pattern — add 10 cents for each pattern for first-class mailing. Send to Alice Brooks, care of The Gettysburg Times, Needlecraft Dept., P. O. Box 163, Old Chelse Station, New York 11, N. Y. Print plainly name, address, zone, pattern number.

NEVER-BEFORE VALUE! 200 yes, 200 designs to knit, crochet, sew, weave, embroider, quilt in our new 1962 Needlecraft Catalog — ready now! See Beautiful Bulkies in a complete fashion section plus bedspreads, linens, toys, alfghans, slipcovers plus 2 free patterns. Send 25c now!

Today a tenth of the earth's surface lies under ponderous ice. Antarctica and Greenland account for most of it but there are small mountain glaciers in many parts of the world.

SHORTWAY NOT TO HURT FISH HAVENS IN PA.

LOCK HAVEN, Pa. (AP)—Construction of the proposed Keystone Shortway will have no ill effects on fishing havens in Clinton County, promises an engineering expert with the State Highways Department.

J. J. Kelmar, district engineer in Clearfield, gave the assurance Wednesday night at a public hearing on a 40-mile stretch of the proposed shortway in Clinton, Centre and Union Counties.

Kelmar's testimony followed claims by representatives of the Pennsylvania Fish Commission and U.S. Fisheries Department that construction work on the super road might contaminate the federal fish hatchery at Lamar and trout fishing facilities at Fishing Creek.

400 AT HEARINGS

State highways engineers have revised the shortway blueprint to avoid any possible contamination, Kelmar declared. He also wrote off chances of shortway construction forcing the fish commission to relocate Fishing Creek.

Some 400 area residents and officials turned out for the hearing. It was limited to the economic effects of the proposed section of shortway running from Curtin Gap in Centre County to a point six miles west of White Deer in Union County.

Most of the testimony favored the shortway. Wednesday night's session was the last of 11 held throughout the state on the proposed 306-mile superhighway.

Expect 2,000 At Shrine Reception

More than 2,000 Central Pennsylvania Shriners and their ladies are expected to attend Zembo Temple's annual reception of newly elected Potentate Charles A. B. Heinze and members of the divan Saturday night in Zembo Temple, Harrisburg.

Other members of the divan include T. Dale Taylor, chief rabban; J. Edwin Weigle, assistant rabban; J. Herbert Raymond, high priest and prophet; Charles E. Snyder, oriental guide; Harry G. Harman, treasurer and Robert A. Wagner, recorder.

An organ recital will be given at 7:30 p.m., followed by a half hour concert by the Zembo Band under the direction of P. Spurgeon Young.

Richard D. Wampler, past potentate, will preside at the Temple's opening ceremonies and will direct the formation of an honor guard consisting of the following Zembo uniformed units: Patrol, Drum and Bugle Corps, Oriental Band, String Band, Mounted Patrol and Chanters.

The ceremonies will be followed by refreshments, a vaudeville show and dancing.

OPEN CROSBY'S 21ST TOURNEY

PEBBLE BEACH, Calif. (AP) —Bing Crosby's 21st national pro-amateur golf tournament opened today with 324 players sharing attention with the weatherman.

While golfers and fans alike hoped for continuance of the clear skies of the past week, the forecast calls for overcast tonight with possible rain Friday.

Defending champion Bob Rosburg of Palo Alto, Calif., headed the bulky field in quest of another $5,300 top prize for thee leading professional in this $50,000 production.

PLAY-FOR-PLAY

Another $3,000 goes to the play-for-pay shooter on the winning pro-amateur team. Crosby's format calls for each pro to have an amateur partner with celebrities of entertainment, business and sports adding spice to the competition.

Young Phil Rodgers, who won the Los Angeles Open by nine strokes two weeks ago, continued his hot shooting in his practice round Wednesday.

The field was split into three groups for today's opening round. One played Monterey Peninsula Country Club, another Cypress Point and the third at Pebble Beach. By Saturday night each will have played all three courses with the low scorers continuing in Sunday's finals at Pebble Beach.

MUSICAL TRADITION

BRYAN, Ohio (AP) — When Bryan's civic band gives weekly outdoor concerts in Courthouse Park each summer, it's carrying on a century-old tradition. So is Dale Connin, the director.

The band was formed in 1852, when the community was only 12 years old. And the present director is a grandson of John Connin, the band's founder.

PEOPLES DRUG STORE

OVER 70 YEARS OF DEPENDABLE SERVICE

38 York Street Gettysburg, Pa.

Taneytown

MRS. FLORA LEISTER

TANEYTOWN—Charles R. Wetling, Washington, D. C., was a dinner guest Saturday of Mr. and Mrs. Hubert J. Null, Baust Church Rd., and visited other relatives in the community.

A Taneytown Leadership Training School will be held Monday and Thursday evenings for three weeks beginning January 29 and closing Thursday, February 15. The place will be announced later. Mrs. Myers, Westminster, will teach the course in "Teaching Children in the Small Church," and Dr. Crain, professor at Western Maryland College, will give the course in "The Life of Jesus and His Teachings." Notify Spunny Smith as soon as possible if anyone plans to attend so the books can be ordered.

Mr. and Mrs. Joseph Coshun, near Middleburg, and Mr. and Mrs. Hubert J. Null were guests Sunday of Mr. and Mrs. William Allenbury and family, at Smithsburg.

Mr. and Mrs. Lewis Unglesbee and son, Dennis, of Wheaton, and Mrs. Wallace Cashell, Olney, were Sunday dinner guests of Mr. and Mrs. Oliver C. Cashell, R. 2.

Sunday guests at the home of Mrs. Carrie Reaver and daughters were Mr. and Mrs. Ralph Reaver, Red Lion; Mr. and Mrs. Lawrence Light, Lewistown; Mr. and Mrs. Earl Copenhaver, of Baltimore; Mr. and Mrs. Allen Ripley, Keywood Village; Mr. and Mrs. Frank Reaver, Mr. and Mrs. George Reaver and William Hoffman, Frederick.

Mr. and Mrs. William Miller and son, William Jr., Westminster, were Sunday dinner guests of Mrs. Miller's mother, Mrs. Carroll Hess, and Mr. Hess, E. Baltimore St.

The Keysville-Detour Homemakers' Club met Wednesday at the home of Mr. and Mr. Lloyd Wilhide, Keymar Rd. A polio film was shown.

Mr. and Mrs. Hubert J. Null, Baust Church Rd., Thursday attended the annual Farm Bureau convention at the Lord Baltimore Hotel, Baltimore.

Johnnie and Billy Hahn, of Timonium, Md., spent the weekend with their grandparents, Mr. and Mrs. Charles Hahn, R. 2. Their son and daughter-in-law, Mr. and Mrs. Elmer Hahn, spent Sunday and the children returned home with them.

Monday the Ki-Wives will be taken on a trip to Canada and Mexico by Ray Hollinger, Westminster, who will show pictures he took on recent visits to those countries. The musical part of the program will be given by Mrs. Albert Flickinger, Mrs. Carel Black and Mrs. Leonard Reifsnider.

Mr. and Mrs. Luther Luckenbaugh, E. Baltimore St., spent Saturday with their son-in-law and daughter, Dr. and Mrs. Francisco Japzon, and son, Ramon, in Baltimore.

Merle S. Ohler was installed as president of the Taneytown Chamber of Commerce at its regular meeting Monday evening in Taney Inn by Rev. William F. Wiley, pastor of the Taneytown Charge of the United Church of Christ. Others installed were: Frank T. Dunham, first vice president; J. Alfred Hiltebridle, second vice president; William T Albaugh, secretary; Murray M. Baumgardner, treasurer; Merwyn C. Fuss and Charles R. Arnold, directors. Rev. Wiley reminded the officers of their responsibility to the community and the organization in accepting the positions and the members' obligation in supporting the officers. President Ohler appointed the standing committees for this term of his office and received the reports from the roads and school committees.

Considerable discussion on an effort to obtain a mail box for the square in Taneytown was heard after which a motion was approved that a committee to seek th eoPst Office Department's cooperation in placing this mail box be appointed. President Ohler appointed Harold Mehring to head this committee.

Upon the program chairman's request, Rev. Wiley agreed to speak at the next meeting of the Chamber to be held at the Taney Inn Monday, February 19.

Today's Pattern

TWO main pattern parts—whip up this basic beauty in an afternoon! No waist seams — cinch with matching belt or contrast ties. Choose print, checks or sunny solid for now through spring.

Bill McGill Holds Best Scoring Mark

NEW YORK (AP)—Utah's Billy McGill continues almost unchallenged as the nation's major college basketball scoring leader, but there's a donneybrook a-building in the scramble for the team scoring lead.

Less than half a point separate the first five teams, the tightest race in history the NCAA Service Bureau said today.

In games through Jan. 13 Indiana had the lead with an average of 87.58 points per game. It was followed in order by Arizona State (87.57), Loyola, Ill., (87.45), Boston College (87.44) and Kentucky (87.21).

McGill averages 87.4. The only other player averaging 30 points or more is Seton Hall sophomore Nick Werkman with 32.3.

There are two new accuracy leaders, Layton Jones of Auburn in field goal shooting and Tommy Boyer of Arkansas in free throws. Jones is now hitting .632 from the floor, replacing Ohio State's Jerry Lucas (.620) while Boyer has assumed free throw leadership from his teammate, Jerry Carlton. Boyer is hitting .947 and Carlton .920.

Attention Mr. Koenig

Dear Mr. Koenig:

To secure the quantity needed to fill your Amana order, we have had to increase factory shipments but we are sure that the truck load to you will be on time for your sale.

This has been an unusual transaction but we are happy to cooperate since you intend to pass these special savings on to your customers.

If we can be of any assistance to you and your customers please let us know.

Yours very truly
